

FRANKSTON GOSSIP

Firstly congratulations to CHRIS SONN and all the third eleven team who have reached the final of the 3MP Bayside Cup Final it was at the expense of our Sunday side Peninsula Sports 2-0 BONI and BARRY getting the goals. The final is set for October and the good news is that the game is likely to be played at McClelland Drive the opponents being Karingal.
 Peninsula Sports with "young" DAVE TAYLOR at the helm now occupy second place on the table and have a good chance of winning the league. Belated thanks to JEANNETTE PAULDING and her netball girls who ran a raffle the proceeds of which helped buy the new television in the clubrooms.

The away fixture at LALOR was a horror game for us and unfortunately its ghost was raised again last Saturday. Nobody present could possibly understand how our normally so sound defence make three defensive mistakes giving our opponents the easiest of goals only a post saved us from going in 4-0 down. So it was catch up football for the whole game, despite BONI and JOE showing some endeavour up front only STU DOOLAN gave us his all for 90 minutes, that we managed to score one goal due to pressure being put on a defender by JOE was a comparative surprise as we were outplayed on the day by a determined team who didn't look like a bottom side. Vital games like this cannot be given away so easily as the race for championship honours get closer. Our reserve side were also disappointing having scored an early goal they failed to go on with it, and twice allowed Yarra to equalise. Peter Addicoat notched a good hatrick, nevertheless the youngsters put some good stuff together at times.

PLAYER PROFILE - KEITH MURDOCK

Keith is now in his second season for the club, having joined us in 1989. Nobody will forget Keith's first season with Frankston as at times he single handedly took on opponents defences and had it not been for his goals I feel we would be in Division 3, and not in the present situation that we enjoy. His rewards for all his efforts were top goalscorer, the Best And Fairest trophy, and Players Player award. Dublin born he played for Beeches Celtic for 10 seasons, then joined Irish League side St. James Athletic. With Yvonne his wife he landed in Australia in August 88. Since then they now have a beautiful daughter Jayde. Perhaps it was the shock of some talented players around him but Keith at the start of the season found it hard to recapture last seasons form. However some confidence games in the Seconds soon had him back in his best form. "A championship medal would go down well" states Keith, and so shall all of us.
