PROVISIONAL LEAGUE — DIVISION ONE

OFFICIAL PROGRAMME

FRANKSTON UNITED SOCCER CLUB
McCLELLAND DRIVE FRANKSTON

Good afternoon everyone and we welcome BRUNSWICK CITY on their first visit to our ground.

FRANKSTON GOSSIP

Whilst we have played only two games so far there is an obvious difference in the standard of soccer we shall come up against this season, to date we have been equal to the task but we will need to produce our best soccer each week in order to compete for those vital league points. A number of players and club members spent GOOD FRIDAY resurfacing the training ground to all who participated in this venture our thanks hopefully we won't be plagued now with any ankle injuries during training. Whilst mentioning club projects and what can be done with a little co-operation the beer garden set next to our clubrooms was built mainly due to the skills of Roger our faithful barman, Mike Bevis and helpers. A warm welcome back to the club to Darren (see player profile), Dino, and newcomers Tony and Geoff.

WILLIAMSTOWN 1 FRANKSTON UTD 1 (RESERVES 0-0)

LINEUP: A Traynor, P Skledar, S Grimmant, B Paulding, C Mitchell, C Sonn, R Stewart, D Moore, K Murdock, D Lee, B Botha,

RES: E Kennedy, B Buchanan.

A gusty wind didn't stop both teams playing good soccer last week. Despite a lot of early pressure on their goal we found ourselves behind at the break, a lost ball in mid-field saw it quickly delivered into our goal-mouth and in a scramble in the goal area the ball was hammered home. Before half-time the referee disallowed a perfectly good equaliser from Bonny much to our disappointment. The early part of the second-half produced a lot of enterprising soccer from us and we threatened to overrun their well organised defence, eventually an equaliser had to come. Chris Sonn, who for him was having a poor game, won a good ball in mid-field and sent Darren Lee away. A beautifully measured cross to Bonny saw our young striker head the ball strongly into their net. Overall a promising performance.

Our young reserves unfortunately gave away a goal five minutes from time having at least deserved to return with one point.

PLAYER PROFILE
DARREN LEE

Born in the Rhondda Valley, South Wales, Darren started playing soccer at the age of 9. He started his playing career with Ynyshire Boys Club and after one season was selected for the Rhondda school boys. In 1982 he was selected as clubman of the year. Later that year he emigrated to Australia with his family and joined Skye Rovers Soccer Club as it was then known. After three years in the juniors Darren started playing senior soccer for the club at 15. His early baptism was to play for Skye in the Bayside League competition (a toughening up process). He was then a member of the clubs inaugural team in the Provisional League. In 1986 Darren left us to further his soccer career with near neighbours Seaford and after one season had won a league championship trophy and a Provisional League cup winners medal. In the next season Darren won the clubs Best and Fairest award. In the same year he was selected for the State youth team to go to Perth for the National championships but injury caused him to pull out. Darren then spent a season at Chelsea where he again won another league medal. After one season he returned to Seaford and besides playing coached a junior team which he had also done at Skye. This year sees Darren return to Frankston where he hopes he can have the same success. A footnote to this last remark is that it is nice to get an ex-player back to the fold and we are certain Darren will contribute much to the team this season.
