PROVISIONAL LEAGUE — DIVISION ONE

OFFICIAL PROGRAMME

We welcome today KNOX PARK to McCLELLAND DRIVE perhaps better known as FERNTREE GULLY the club have obviously seen better days and no doubt hope the name change will return them to those times.

YALLOURN 2 FRANKSTON UNITED 2 (RESERVES 0 - 4)

LINE UP: D.BUCKLEY, P.ADDICOAT, S.GRIMMANT, B.PAULDING, C.MITCHELL, E.KENNEDY, R.STEWART, D.MOORE, K.MURDOCK, D.LEE, B.BOTHA.

RES: P.SKLEDAR, C.SONN.

DAVE BUCKLEY was promoted to the goalkeeping position for this match with ALAN TRAYNOR on holidays and performed well on his first team debut. Our run of poor performances continued in this game and yet we had the majority of the match yet could not drive home our advantage. Despite the fact that we scored only two goals BONI BOTHA and DARREN LEE had their best games for some weeks and were really let down by a lack of backing up from some of our other players. DARREN LEE was unlucky not to open the scoring in the first minutes and his bad luck continued later when he hit the post with a header. BONI opened the scoring for us midway through the first half, only to have defensive errors let a short time later. YALLOURN were to give us the lead in the second half a back pass over the goalkeepers head, we thought we had the game won until a goal a few minutes from time saw us once again disappointed. On current form it would certainly do no harm to give some of the young Reserve players a chance to show what they can do.

The Reserve team continued to show good form, JAMIE STEWART and GARY HOUSLEY returned to the squad and JAMIE in midfield showed a lot of last years form. 0-0 at half time, we scored four in the second half to gain two more points.

WOMBAT'S WARRIORS have still only lost one game.

FRANKSTON GOSSIP

Our Reserve side had an eventfull trip to YALLOURN last Saturday, to start off MARK BEVIS (goalkeeper) was a late withdrawal through injury whilst another player failed to make the bus, NICKY WHEELER who was carrying an injury made himself available for the Reserve bench and went on in the closing minutes. TOMMY STEWART who was also on the Reserve bench mainly through an injury stepped in as emergency goalkeeper and kept a clean sheet.

DAVEY "TEX" PHILLIPS better known in the cricket circles also volunteered to drive the bus, although not pretending to know much about soccer he soon got to know about buses breaking down.

Having left for home smoke began to appear in the bus and it slowly crawled to a halt, once again TOMMY STEWART proved his value in an emergency making the necessary repairs to get the bus under way, despite many of nature's stops on the way back, the
