PROVISIONAL LEAGUE — DIVISION ONE

OFFICIAL PROGRAMME

FRANKSTON GOSSIP

Many of you might have noticed a very well tanned gentleman walking around the Club and once again attending matches, yes we can verify that JOHN WASHINGTON is back and already getting into full steam to do his best for the Club. John spent over 8 months away mainly in UK and we would just like to belatedly welcome back JOHN and his wife. His arrival back has had a very desired effect two wins by both First and Reserves sides.

The expression Landing On Ones Feet is pretty well known however during his recent holiday popular linesman and commiteeman NEIL SKELDON unfortunately landed head first, NEIL blames it on his shoe laces being tied together, shoe to shoe, and in his condition which we won't mention he just didn't notice and the carpet felt his wrath.

Two excellent results at BERWICK last week, first game up the Reserves, a first half in which we didn't use the wind to our advantage and turned around 0-0, midway through the second half we were 1-0 down, a BERWICK midfielder made a good run and with the wind behind hit an unstoppable shot into the top of the net. Rather than lie down we decided to keep playing soccer and in one of our moves on their goal we gained a penalty, GARY HOUSELY striking the resulting kick home, from this time we really looked good and in a move from defence to attack young MICHAEL BOLTON caused their goalkeeper to make a mistake and he was able to hit the ball into an empty net, one of the best Reserve results of the season.

Our First XI also chose to use the wind in the first half and almost immediately two good chances were set up but not taken, continual pressure on their goal eventually produced a goal, BONI BOTHA working on the right wing crossed to BILLY INGLES who turned the ball into the net. BERWICK's attack which had seldom caused any worries to date were then given the chance to equalize, from a free kick into the penalty box, we should have cleared, however the loose ball was scrambled into the net. Shortly after a BERWICK defender decided the afternoon soccer was not to his liking and he took an early shower for head butting. The second half was really all ours, BILLY INGLES proving to be a real handful for their defence scored soon after half time, then struck home a penalty to complete his hatrick, possibly another three goals could have been added before eventually 'DEEKS' MOORE scored the final goal of the day.

Predicting results in our League is like playing Tatts Lotto, as we have said many times this League is up for grabs and I don't believe anyone could say which teams are going to be promoted at the end of the season. For ourselves with eight games to play five are at home three away and all we can say is that we just have to get as many points as we possibly can in other words keep
