OFFICIAL PROGRAMME

## FRANKSTON GOSSIP

Soccer for the observer is a matter of opinions, each one has his or her ideas of who the good players or bad ones were, and why we did or didn't win. Last week yours truly whose opinion you have to put up with each week by way of the programme had a week off and two correspondants put their views of the game down. Happily their reports generally coincided so - dateline KNOX PARK

This was a four pointer, a loss today would have ended the season for us, Coach TERRY HARGREAVES made four position changes, and everybody knew it was make or break day.

KNOX came at us, and attacked straight away with runs coming from the midfield, we were still trying to settle into the new format. After 14 minutes they got a corner, three men had clear chances in the box all unchallenged, 1-0 to the home team. We battled away for the rest of the half to no avail and were not looking good at half time.

We came out in the second half much more positive but within 10 minutes they got a gift penalty for a handball, compliments of DEAN SCALZO. ALAN TRAYNOR made a magnificent save and kept us in the match. This spurred us on and for 25 minutes we played some superb football resulting in three excellent goals from DARREN LEE, KEVEN LEES and SIMON PARROTT

In the last five minutes they got back with a gift goal but we held out to win 3-2.

SIMON PARROTT and BRIAN PAULDING returned to form and were both excellent contributions but we still cannot seem to all put it together week in week out for 90 minutes. Everybody at the Club is puzzled by this so how about we all think about it, discuss it with players and Coach sensibly and in a positive manner.

It is still not too late, three or four victories in a row will see us where we belong in the top four.

### NEXT WEEKS FIXTURES

Saturday 23rd May, Away V's Westvale  
 Saturday 30th May, Home V's Williamstown

We offer special welcome to McClelland Drive to Mr TERRY UNTHANK of NU STEEL, TERRY's company have introduced over the past year an innovative new way of house building and it has proved to be very successful.

Our thanks to NU STEEL for their sponsorship of our Club for the season, inparticular for the track suit tops.

The Club would like to take the opportunity to thank all sponsors for season 1992.

The Reserve side continued its good form of recent games, it is pleasing to see that even though changes have to occur we are begging to play fluent soccer. The younger brigade in defence and attack have hit their straps and with the backing of the experience of our "older" players we are playing good soccer.

Today's game against SPRINGVALE CONDORS should be a real test for them, as our opponants have been riding high at the top of the league all season.

FRANKSTON PINES First and Seconds visited our Junior complex for a mid week friendly under lights.

It was a pleasant change from the usual Tuesday training session, the results proved one thing that we can play good soccer. Our Firsts won 2-0 and although the Reserves lost 2-1 we were hammering them for an equaliser at the end.

DENIS GREGSON gave a gentle reminder to the club about his goalkeeping talents as when we were under pressure in the reserves game he brought off some really great saves.

DARREN LEE

It would be remiss not to mention that today's fixture is possibly DARREN's last for the club.

DARREN came from the Juniors into our Seniors, he spent a couple of seasons at SEAFORD before returning to us, but the Navy are transferring him to Sydney and the world next week. Good luck in your career DARREN and we hope to see you back for a visit some time in the future.
