## PRESIDENT'S REPORT

We welcome all soccer supporters to this great weekend of events. On Saturday, Essendon Brunswick Royals visit Centenary Park for the first time. On Sunday, we begin our relationship with Carlton Soccer Club, the first fully professional soccer club in Australia.

The Carlton Feeder Club affiliation is particularly aimed at junior development. The Junior Clinics are provided free for all local junior players and we welcome participants from Frankston Strikers, Peninsula, Baxter, Mornington, Phillip Island and all other local junior clubs. Carlton talent identification programs will ensure the flow of promising juniors from the Peninsula region to the National League. The curtain raiser Under 18 game is a good showcase of developing local talent.

We are particularly pleased to welcome the Carlton Squad for the first visit to Frankston of a National League team. This is a return of permanent top level soccer games staged locally for you, the supporters, in a friendly and comfortable environment.

**Trevor Parry - (Club President)**

## JUNIOR REPORT

We are enjoying a year of consolidation in the Junior ranks and have experienced strength in numbers and mixed success on the park. Our Under 10 and Under 15 teams stand out for success on the park in an otherwise mixed bag of results. All teams have enjoyed success at their own particular level and potential talent is emerging across the board. Our affiliation with Peninsula has proved beneficial in several age groups where we have liaised for the benefit of players. Together, we are represented in all age groups from Under 7 to Under 18. The affiliation with Carlton Soccer Club can only strengthen our position.

We congratulate the following local junior players on their selection in representative teams - Australian Schoolboys Team - Cameron Pino (John Paul College), Peter Grguric (Mt Erin Secondary College), Vic U/15 State Team - Martin Lorenzo (Cranbourne SC).

## FROM THE COACHES BENCH

Welcome to today's game, I'd like to take this opportunity to thank all the supporters for their faith in us this season.

On the team front, the season has been one of ups and downs. Suspensions and injuries have left us with an unsettled squad, but to the credit of all the boys we've still managed to play attractive football.

The promotion hunt is still on and I believe if we go undefeated from now till the end of the season, we will be promoted. Over the last two games I felt we were unlucky not to take full points against Mooroolbark and a point against Altona East. For the run home I hope to have a full squad available so we can keep up the pressure on the top three

On Sunday we welcome Carlton to Centenary Park. It gives me an opportunity to play a couple of the youngsters to give them a feel for First team football. It also gives our senior players a chance to play against some of Australia's best players. We wish Eddie and his players a successful first season in the National League and assure them of our full support.
