Soccer Down South

Today we once again welcome Carlton Soccer Club to Centenary Park. A lot of water has passed under the bridge since Lou Sticca, Eddie Krencevic and their staff visited us last year with their fledgling squad and went down 1-0 after 10 minutes - and what a goal it was !!

In the past twelve months Carlton have established new levels of achievement for Australian Club Soccer and have been rewarded with results "on the park". Carlton is now one of the major forces in National League soccer and the Strikers are proud to be part of their development program. We look forward to a competitive game.

The Strikers are delighted that most local Peninsula clubs have joined in the spirit of this promotional day for soccer in the Southern Region and we welcome their supporters to our Club. We also thank the Victorian Soccer Federation for their co-operation and support.
