### **Vale - Tony Valk**

Tony played midfield for Frankston City Soccer Club as the club pushed through the Leagues in the 60's. He died suddenly last week. Tony was a gentleman on and off the field of play and was a regular Strikers supporter with father-in-law Stan and brother-in-law Ian. We extend our sympathies to Tony's wife Sandra and all the family.

## Bayside Soccer League

Centenary Park every Sunday afternoon

Follow Frankston's *Cowboys*, *Young Guns* (Div 1) or *Outlaws* (Div 2)

**Bar & Kiosk open for your enjoyment**

Today we welcome Yarraville/Glen Eira, currently the undefeated top team in the League, for their visit to Centenary Park. We look forward to a competitive encounter.

## The new VSF Ground Regulations

A full meeting of State League Clubs recently voted unanimously to adopt the proposed Ground Regulations for all State Leagues. The State League Management Committee has been empowered to inspect all facilities by December 1st 1998 and apply the criteria for season 1999, ie, if club facilities do not meet criteria for a particular League, the club is to be placed into a League appropriate for their facilities. A second proposal to reduce State Leagues to 12 teams to allow for reintroduction of Cup competitions was debated and lost. The Premier League will be reduced to 12 teams for 1999/2000.

## Strikers & Moorabbin City

A formal approach has been received from the Board of Moorabbin City Soccer Club to consider amalgamation. Several issues have been identified by Moorabbin as relevant to their continued success as a Premier League Club -

- the importance of an available solid core of supporters
- the acknowledgment that sponsorship alone cannot finance a club
- the nucleus of players must be developed from within the structure of the Club
- excellent spectator facilities must be provided

Moorabbin City SC believe that they cannot maintain their status without amalgamating their resources with another Club of similar ambition. Your Frankston Strikers SC Committee believe that consideration of the proposal is premature at this stage, but encourage open discussion until nearer the end of the current season.
