To Days Opponents

Essendon

We welcome Essendon to Centenary Park today.
We Look forward to a hard and fair fought game.
Good luck to both teams.

This fixture in the first half of the season was our most disappointing, not because we were beaten, but because the performance on the day was very mediocre, Essendon on the day were a much better team than we were. Lets make sure that we give a much better account of ourselves this time round, and continue our winning run.

Senior Coach Report

Over the past four weeks we have played some great football, the team is now settling down and everybody knows the job that they are being asked to do.

I feel the big difference is that we are now scoring on a regular basis, and the confidence from that is spreading through the whole team.

If we can take that sort of confidence into to days game I feel we can get a favorable result.

It is very pleasing to see the young boys in the reserves playing good Determined football, as the results over the past two weeks have shown, coming from behind and scoring goals, this is great for the spectators, keep up the good work.

Enjoys to days game and thank you for your loyal support.
