Last but not least a thank you to all of the people be they members Of the committee or otherwise, for the work they put in before, During and after each home game. Keep up the good work it is your Work that will help this club survive.

## *To Days Opponents* **Knox City**

Today we welcome Knox City to Centenary Park. Knox have started the season in much better form than we have, winning three and losing two, the loss was last week at home to Altona City, so they will no doubt be looking for a win this week? I hope we can disappoint them.

We have played much better than the results would indicate, losing two and drawing three, the lads away last week to Thomastown/Regent had all the play but was unable to put the ball in the back of the net, and that has been our problem for most of the games played so far, excepting the game away to Essendon, where we were beaten by a much better team on the day.

Our young reserve team is going through a learning cycle, and unfortunately the results over the last three games, have from their point of view been very disappointing. But they are in the hands of two very dedicated people in Chris Reynolds Manager and Mick Addicoat Coach and his assistant Dean Skelso. The results will soon start to turn around so don't lose confidence keep your heads up listen and learn.

We have had the addition over the past few weeks of some new and old players, Con Papettas, Chris Traynor, old players returned, Lee Prentice, Moorabbin, Spiros Kargas, Kiingston City, Daniel Darmakis, South Springvale, Jamie Irskine, Bayside, Mark Litkowski, Accrington Stanley, These are all new players to the club.

We have three players returning to the first team squad this week, coming back from suspension, Russel Black, Joe Donaghy, and Chris Traynor, so lets make sure we have the same full squad at the end of the game, no send off's.
