To Days Opponents

Ringwood City

We welcome Ringwood City to Centenary Park today.

We Look forward to a hard and fair fought game.

Good luck to both teams.

This fixture in the first half of the season was one of those games where we were well below our best, and did not deserve to win. We were beaten in both games by Two goals to One.

Our performance this half of the season has been much better than the first half. And therefore we should expect to pick up all the points today in both games.

A word of praise for our reserve team performance. Over the past few weeks they have really started to hit the mark. Michael Addicoat has got the whole team working as a unit and believing in themselves, he has achieved this by in his own performance on the park, leading by example, in both his ability to score goals, and his work rate on the park. He is very well supported off the park by Chris Reynolds. Keep up the good work lads and you will continue to be rewarded for you efforts
