## **To Days Opponents Cranbourne Comets**

*We welcome Cranbourne Comets to Centenary Park today, and look forward as always to a hard but fair competition, these local derby games are always hard fought and we expect today's game to be no exception, Cranbourne have had a good start to their season holding down the top position having won all four of their games, Frankston have also had a good start to the season winning three and drawing one, and are currently holding down the second spot on the table, both teams will be eager to win today to maintain their unbeaten record.*

*Today's game is also unique, there is no where in the Victorian state league where you would be able to see three ex professional players from the English football league and a New Zealand international playing in the same game. The three ex professional from Frankston, Dale White, Willy Raynes, and Russell Black, and from Cranbourne, Billy Wright. ex New Zealand International.*
