## Seniors Report

We welcome to days opponents Thomastown Zebras, who are not travelling to well of late, having lost five of their last six games.

They come to Strikers today hoping to achieve some sort of result. They like us are struggling to put good results on the board.

Lets hope we can capitalise on the win that we had last week and take all three points, a win today will keep our season alive.

Good luck to both teams.

Our results over the last three weeks have been Jekyll and Hyde performances, the away game at Lalor was very disappointing we were soundly beaten on the day and were well below par and did not deserve to win.

The last home game against Fitzroy was a different story we played Fitzroy of the park in the second half of the game and with some better finishing could have won the game by two or three goals.

Away last week we did pick up the points against a poor performing Sunshine George Cross by the odd goal.

## Club News

### Membership Fee's

A gentle reminder to let all Strike Force Members know that the second half of your membership fee's are now due, please see Colin Mitchell or Eugene Kennedy.

We still have a number of members from last season that have not renewed their Memberships this year to date. Fee's can be paid at the bar or to one of your Committee members, the club needs every dollar it can get at the moment.

### Volunteers

We still need people to offer their services to do jobs on match days to help the club run, and to lighten the burden on those people who give their services week after week, just one small job will make a great deal of difference.

## Your Say

### *A little bit of history*

*Our local Soccer competition the Bayside Soccer League is halfway through its twenty fourth season. It seems hard to believe but its true, set up in 1978 as a Sunday League. 3MP put up a cup to be played for.*

*The league is run by unpaid committee persons who do it for the love of the round ball game. Fee's for Clubs to join are at a minimum as are player registrations, and no club pay any fines for red or yellow cards. The ages of players vary considerably, games are hard fought but played within the spirit of the league.*

*This season the Young Guns in Division (1) and the Outlaws in Division (2) Represent our Club , unfortunately the Cowboys side which virtually ensured McClelland Drive complex retained a Soccer complex through the Eighties folded at the end of last season.*

*Many positives have come from the league Seaford started its senior life in the Bayside and still run two teams , Rosebud, Mornington, Springvale Condors and Boronia could have disappeared if not having the Bayside to play in.*

*For our Club its great to see that 80% of the players have come through our juniors.*

*Plans are ahead to celebrate next years 25th season. Many people would find it hard to believe that a Non Soccer Federation League could survive and prosper for that many years.*
