## Bayside News

The clubs young guns were casualties in the first round of the Sands Hotel Cup. Last year they reached the final of this cup, so it was very disappointing to go out in the first round.

The old adage of Soccer home town referee, home town linesman, denied them two goals, which would have put them into the next round. The eight losers in this cup go into a secondary cup competition called the Trophy Wise Cup.

No league games here tomorrow, but next week both teams are at home to the two Boronia teams.

## Seniors Report

We welcome to days opponents Western Suburbs, who have had a reasonable start to their season, winning 4 drawing 2 and losing 2. They had a good result last week against Oakleigh when they drew at home.

They come to Strikers today encouraged by the result they achieved last week, and will no doubt give us a hard game today. Good luck to both teams.

We have had a disappointing last couple of weeks. Our last home game we lost to Springvale White Eagles two goals too nil, and were beaten by the better team on the day, we were just not in the game.

Last week was a different story, we were beaten by a refereeing decision that left most people at the game bewildered, with only 14 minutes of the game lapsed we had a player sent off for what appeared to almost every one in the ground a perfectly good tackle by Jamie Stewart, he won the ball just outside the penalty area, the Westvale player after being well beaten, dived and screamed out. The referee who was down at the half way line, and not in a position to see the incident gave a free kick to Westvale and sent Jamie off. To make things worse both Clubs had to supply a linesman, needless to say the Westvale linesman was either a blatant cheat or new nothing about the game. The referee allowed two goals in the second half that were clearly offside and not flagged by the linesman. Their third goal was a well deserved. But before they had even scored a goal we were disallowed a clear penalty by the referee, which our linesman signalled for, we did however manage to get a goal late in the second half. Thanks to a determined effort from Chris Traynor.

Lets hope that the refereeing and the game to day is more representative of what we all expect from the game that we all love.

## **Club News**

### **Membership Fee's**

All levels of membership fee's are now due and payable, fee's can be paid over the bar, or see one of the committee members who will gladly except your fee's. Junior fee's can be paid to team managers, either at training or on match days. Or you might like to use the Club Facilities on a Friday night, and pay your fee's whilst having a drink at the bar.

Those people wishing to be part of the Strike Force this season, see Coin Mitchell or Billy Mac.

### **Volunteers**

There are a number of jobs that need to be done each home game, such as putting up the nets, marking out the pitch, manning the gate, cleaning up the ground after the game, cleaning out the dressing rooms after the game.

If we can get people to offer their services for just one of these tasks for one home game per season it would make life so much easier for all concerned around the club. Put your name on the notice board in the club rooms or see a committee member. Thank you in anticipation.

## **Junior Report**

Our young sub juniors are going well the under 9s are unbeaten to date and are looking real good they have played 5 games and scored 25 goals and conceded 6 which is great effort.

The under 8s and 7s are having a mixed bag of results and are enjoying themselves emensly.

The under 13s are having a good season they have played 5 won 2 drawn 2 And lost 1 keep up the good work boys and girls.

**A big thanks to all those people who donate their time and effort to our junior teams.**

## **Your Say** **Publicity or lack of it**

No doubt most of you get the three local papers, of these three papers it seems that only the Flyer shows much interest in Soccer this season. A regular column appears devoted to Langwarrin S.C, who are at the moment having a great season, we are grateful to them as scores of the other local clubs in the area appear in their write up.

Over past seasons the Standard has always put in a section for soccer, we must say that the report was usually cut down considerably, however unless Clubs give them the reports they are not prepared to the sport any coverage, they will in fact give two or three pages to the Australian Rules Game.

The independent seldom if ever covers Soccer at all.

Local Mornington Peninsula radio is a great help to Soccer, particularly the Bayside League, every Saturday at 11.30 am John Heskins together with the two station sports reporters go through the Bayside results and games and then cover the UK Soccer. I believe this should be followed up by all the local Soccer Clubs results and fixtures, unfortunately no mention is given to them. This is not the stations fault, I am sure that if the clubs faxed the information to them Soccer would get an even better coverage. How many of you wonder each Saturday if the Strikers are away who else is at home to go and watch.

Unless Soccer wherever it is in Australia, markets itself better the game will continue to live in the wilderness.

Tony Hall.

**If you wish to have your say about any subject, related to our wonderful game of soccer, please let me have a hand written copy a week before any home game, or you can email me your story on [spurs@iprimus.com.au](mailto:spurs@iprimus.com.au)**

**Look forward to your offerings how ever controversial they might be.**
