Bayside News

We could have been watching the English Cup Final all over again, it was the Clubs Young Guns v Seaford "A". The Young Guns, after having the best of a good game and with ten minutes to go the referee awarded Seaford a dubious penalty which they scored, this gave Seaford a lift and they equalized in the dying minutes, unlike the Cup Final they did not get the winner.

The Outlaws despite putting in their worst performance won 1-0, again the winner being scored late in the game.

Seniors Report

We welcome to days opponents Springvale White Eagles, who have not had a great start to their season, winning just 1 and drawing 1. Their first win of season came last week at the expense of Frankston Pines.

They come to Strikers today no doubt encouraged by the result they achieved last week, lets make sure that they go away empty handed after the game, and I mean that in the nicest possible way.

Our season to date has been a mixed bag, loosing 3 Drawing 1 and winning 2.

Our performance last week against top of the table Oakleigh, was our best game of the season to date, we showed the fight and determination that won us the Championship last season, the goal that won us the game would have been envied by Clubs in the English Premier League.

A great performance by all.

Lets continue the good work this week and come away with all three points.

Supporters Player Results to Date

Currently the supporters have Trent Malcolm in front with Chris Traynor a close second.

Speedy Recovery

Chris Reynolds our reserve team manager and hard working committee member is currently in hospital suffering great pain with a severe back injury.

We wish you good health and a speedy recovery Chris, we are all thinking of you, get well soon.

Reserve Team

Our young reserve team is still looking for it's first win. They looked like getting it last week against Oakleigh, after being two goals up they lost their way a little in the second half, and had to be content with a draw.

We wish Emil our reserve team goalkeeper a speedy recovery after he sustained a broken nose in last weeks game, and was unconscious for a worrying 20 min.

Club News

Membership Fee's

Junior fee's can be paid to team managers, either at training or on match days.

Or you might like to use the Club Facilities on a Friday night, and pay your fee's whilst having a drink at the bar.

Those people wishing to be part of the Strike Force this season, see Coin Mitchell or Billy Mac.

Bus Trip Westvale

Those people wishing to travel to the away game at Westvale, please see Dennis Bennet or Eugene Kennedy who will give you the times and cost.

Don't miss it you will have great time on the trip, win loose or draw.

Volunteers

There are a number of jobs that need to be done each home game, such as putting up the nets, marking out the pitch, manning the gate, cleaning up the ground after the game, cleaning out the dressing rooms after the game.

If we can get people to offer their services for just one of these tasks for one home game per season it would make life so much easier for all concerned around the club. Put your name on the notice board in the club rooms or see a committee member.

Thank you in anticipation.

Thank You

To all those ladies who have so generously donated their time working in the kiosk on match days, your efforts are greatly appreciated. Thank you Sally Bennet, Anne Lees, Anne McFarland, Wendy Donaghy, and Jane Watson.

We have a new member of the Club, a parent from the sub juniors will be looking after the kiosk on the Saturday home games, we welcome your help and thank you.

We also thank Anne and Clayton who continue to run the kiosk and bar on Sundays.

Your Say

How many of you caught up on the news about a Soccer Academy by an ex Argentinian international Soccer Player in Sydney.

The school seemingly open to boys of all ages has attracted the attention of English Premier League Club Chelsea, so much so that two boys been selected to go over for further trials. The amazing thing about this is that one boy is only eight years old.

I was lucky enough to watch a joint Primary school soccer competition, the boys all around eleven years of age were from five areas, stretching from Frankston to Rosebud. The standard of the games was mixed, however six or so boys really stood out, the Mount Eliza /Morningson goalkeeper showed all the attributes of a top keeper, I asked a few questions about him, and it turned out he was a footy player turned goalkeeper for the day.

Bayside had the hottest prospect on show, as a striker who only wanted to score goals, he does not play soccer at the week ends?

Frankston had a top midfielder clearly thinking years above his age on the park, and once again it turns out he does not play soccer at the week ends.

The question I ask is how is it that Chelsea in the UK can be made aware of talented players here in Australia, whilst we have boys on our own doorstep can be stars of the future, we must be doing something wrong?.

Tony Hall.

If you wish to have your say about any subject, related to our wonderful game of soccer, please let me have a hand written copy a week before any home game, or you can email me your story on spurs@iprimus.com.au

Look forward to your offerings how ever controversial they might be.
