## Club News

### Here Today Gone Tomorrow

To days game against Whittlesea Stallions will be our last Division one game at home, as we will be playing Division Two football next season. Many of you who have followed the teams fortunes both at home and away will be aware that we were severely undermanned, losing eight players from last seasons championship winning team, this has been the biggest contributing factor to this seasons results. Russell Black as always managed to put on the park a side that for most of the time was competitive, to the teams credit 90% proved to be tight encounters, and if we had been able to covert our chances it could well have been a different story.

The club held a Special General Meeting on Friday the 24th August making all members and interested parties aware of the current situation both from the financial and administrative management of the Club, to enable us to go forward into next season better prepared, in all facets of the Club from our Junior ranks thru Bayside and Senior teams.

There were a number of positives that came from the meeting, that must be followed thru into next season, especially with regard to our junior teams, we must ensure that we build up the number of junior teams that we run next year.

There were a number of people who showed interest in playing a more active role in the running of the club next season, we must get more people to show their hands if the club is to progress next season.

The general picture of Soccer on the Peninsula is not a healthy one at the present, Pines maintained their Division one place but struggled for a large part of the season, Seaford have been in the doldrums for a long time now, Langwarrin are at the moment the jewel in crown, but their squad of players might struggle at the higher level?

The British /Australian Clubs will always struggle against the Ethnic/ Australian Clubs I am afraid that the financial aspect with the latter always wins as supporters donate donate donate.

To end thank you for your support in 2001 and we hope you will return next season, for the really ardent fans Bayside Soccer goes thru till the end of September. The Bayside Cup Final could be held here on October the 14th.

A special thanks to Russell and all the senior playing staff for their efforts this season. And the very hard working depleted committee who have as always been overworked to the limits thank you all.

Terry Allsopp and Graham Baulk have produced these Match Notes throughout the year, thank you to both for their efforts
