From The Presidents Chair

Today we welcome Langwarrin for what I hope will be an entertaining match which we expect from a local derby. Both teams have three points from six coming off good wins last week.

Blackies Babes as I called them are already returning the faith our coaching staff have in them. Many regular supporters will possibly struggle to name many of the first or reserve players at present, however I'm sure that by the seasons end the names will roll off the tongue.

Russell Black has we are pleased to say taken on the player / coaches role for season 2002. George Hughes has taken on the assistant coaches job, George arrived with excellent credentials from Frankston Pines. Sammy Wright has once again taken charge of the reserve team who I might add are sitting top of the league with two wins out of two. We also have Johnny McAvoys senior team manager, Billy McLeod senior team trainer and Chris Reynolds reserve team manager.

The underlying factor this season is the clubs belief in youth and we are convinced that all the squad players will give an excellent account of themselves through the season.

Go Strikers

Legends Room

Although not open yet we hope that by the next home game to have this special room open for viewing. The room is dedicated to players, officials, trophies and memorabilia from Frankston Skye Rovers, Karingal United and Frankston Strikers.

The Legends Room will be situated in the clubrooms next to the canteen.

Sponsors News

Strikers sponsors have increased this season, we are indebted to them as through their continual support we will survive. As they support us will you support them?. They need us as we need them many offer special discounts to club members just mention the club together with your card.

Round 1 STRIKERS GO DOWN TO KINGSTON

Frankston Strikers went down 1-3 to Kingston city at the weekend, despite playing a solid second half that deserved a better result. Kicking off with seven new signings, Strikers took a while to settle in a first half that was always hard fought and very even. In the 21st minute Kingston went ahead with a good goal from a corner then got a second hotly disputed goal 8 minutes later.

It was a different more determined Strikers that came out after the break. Watson controlling the back line, coach Black moving his midfield forward and the fans were seeing the brand of quality soccer they've come to expect from the team. Reward came in the 65th minute with a cracking debut goal from Matt McDermott and for the rest of the half Strikers kept up the pressure on the Kingston goal, but just couldn't put the ball in the net. Against the run of play, Kingston scored a third goal in the dying minutes.

The young Reserve side showing a lot of promise dominated most of their game and came away with a comfortable 3-0 win.

Strikers next game is away to Croydon Arrows.

Round 2 STRIKERS WIN AT CROYDON

Frankston got back on the winning path with a tough hard fought 1-0 away win over Croydon Arrows in their State League Division 2 (south / east) second round match.

Strikers were unsettled throughout the first half by the speedy Croydon forwards and only some heroic saves, including a penalty save, by Strikers keeper Michael Sivulja kept the game scoreless at the end of the first half.

After the break it was a different story with the Strikers taking control of the game, containing the opposition forwards and building continual attacks on the Croydon goal. A close in goal in the 65th minute scored by Dion Moir put the Strikers ahead. More goals were expected in the closing minutes, but near shots and missed chances denied the Strikers of a bigger win.

The young reserves kept their slate clean with a dazzling 7-0 win over Croydon that shows a lot of promise for the club's future.

Next Saturday at Centenary Park a large crowd is guaranteed when Frankston takes on local rivals Langwarrin!

FRANKSTON STRIKERS SOCCER CLUB

COACHES CORNER

Welcome to today's game. This season has seen a lot of new faces at the club, in particular a number of young players. I am confident that they will benefit from the experience of playing first team football.

Our start to the season has been fairly encouraging with a narrow defeat at home to Kingston, where I felt we were worthy of at least a draw. Last weeks win will do wonders for the confidence of the young players who will hopefully take that with them into today's game.

We welcome Langwarrin today where I'm sure the excitement of a local derby will produce a good football match. Langwarrin have done very well over the last three seasons, today's game will be both challenging and tough. I am most confident that the game will be an entertaining one in which goals will factor.

I would also like to thank our band of loyal supporters who have been with us through the good times as well as the rough and tough times and hopefully send them home happy with three points.

Russell Black
