Strikers v Monbulk

STRIKERS ON THE NET

[Http://www.frankston.soccervictoria.org.au](http://www.frankston.soccervictoria.org.au)

From The Presidents Chair

Just where has the season gone, I say this in welcoming MONBULK for the final league fixture for 2002.

The season has proved a real battle for our opponents and unfortunately they will return to division three next year.

Many of you here today will not be attending our Annual General Meeting so today's program gives me an opportunity to summarize the season and express a few thank-yous. It would be remiss of me however not to return to last weeks game, I was very proud to watch not only the Firsts but also our Reserves at Waverley against all odds we came away with 4 points and no losses. No mean feat as both our opponents sides were well set in the league.

SAMMY WRIGHT has a young reserve side full of promise, injuries, first team calls always play havoc with any second string, but throughout the season have acquitted them selves well. The 0-0 draw was perhaps a true indication of play on the day neither team deserving to loose.

GEORGE HUGHES, (Russell's number one man) addressed the Firsts in their pre-match warm up and his words obviously got through to the boys as they gave one of their most impressive performances for the season.

Bearing in mind CHRIS and CRAIG had shared a half each in the Reserves and young PAT who had come on to replace the injured WINKER in the second half, had also played a full game in the Reserves, yet soon picked up the pace of the game and proved a danger on the left flank.

The whole team I thought played tremendous soccer against a strong opposition. I would love to see all of this year's squad sign on for next season because I believe with a few additions the club can only now get better.

I shall be retiring as PRESIDENT soon and would like to thank my fellow committee for their help and effort through out 2002.

To our coaching staff RUSSELL GEORGE and SAMMY a big thank you, our aim was to retain our place in Division Two at the conclusion of this season, this we have done, OK we would like to forget several performances but overall both teams played a brand of soccer that we admire.

This was done without the name players of the past but with RUSSELL when fit WINKER and ANDY steadying the ship we did not miss them.

Team Managers JOHN and CHRIS deserve our thanks and in particular BILLY who took on the physio job at short notice.

Our Sunday sides despite all having bad seasons also played an important part in our club this season the good news was that we entered three sides in the BAYSIDE league.

Sir Alex Ferguson is on "Who Wants To Be A Millionaire" and has reached the million pound question.

Chris Tarrant says "Right Sir Alex, this is for one million pounds, and remember, you still have twolifelines left, so please take your time. Here's your question: What type of animal lives in a

set? Is it
a) a badger c) a mole
b) a ferret d) a cuckoo?

Fergie ponders for a while and says "No, I'm sorry Chris, I'm not too sure. I'll have to go 50-50." Chris says "Right, Sir Alex, let's take away two wrong answers and see what you're left with."

"Badger" and "cuckoo" are the two remaining answers. Fergie has a long think, then scratches his head and says "No, Chris, I'm still not sure, I'm going to have to phone a friend."

"So who are you going to call, Sir Alex?" says Chris. "Hmmm..." ponders Fergie. "I think I'll call David Beckham."

So Tarrant phones David Beckham. "David, this is Chris Tarrant from 'Who Wants To Be A Millionaire'. I've got Sir Alex Ferguson here, and with your help he could win one million pounds.

The next voice you hear will be Sir Alex's". "Hello David" says Fergie. "It's the boss here. What type of animal lives in a set? Is it a badger or a cuckoo?" "It's a badger, boss." says Becks without hesitation. "You sure, son?" says Fergie.

"Definitely, boss. One hundred percent. It's a badger. Definitely."

"Right, Chris," says Fergie, "I'll go with David. The answer's a badger. Final answer."

"Sir Alex," says Chris, "that's the correct answer. You've won one million pounds!!" Cue wild celebrations.

Next morning at training, Fergie calls Beckham across.

"Son, that was brilliant last night. I thought I might

be taking a gamble giving you a call, but you played a blinder! But how the f**k did you know that a badger

lives in a set?" says Fergie.

"Oh I didn't, boss," replies Beckham, "but everybody knows a cuckoo lives in a clock."

Seaford Utd A 4 - 2 Frankston Young Guns

Once again, anybody looking at the score line might say the usual performance from the YOUNG GUNS, but they would be wrong.

Once again, in what can best be describe as a real gutsy effort from the ten players that took the field, soon to be nine with Stuart Doolan pulling a hamstring late in the first half, but continued to play. Seven players were unavailable again ----- so what's new.

To the game itself, both teams battled to control the ball, with shots coming from both ends. A penalty saw Ryan Lee step up and slot the ball and then a great one two from Ryan to Kevin Jones saw us score our second.

Once again the boys were always in the game but just couldn't slot home any of the good chances they had. Tired legs again cost us dearly.

Franchester Utd 1 - 3 Mornington A

The game started badly for the Outlaws with Mornington "A" scoring their first goal in less than 2 minutes. For most of the first half Mornington controlled the play and left many players in the Outlaws mid-field, and especially defence, running from player to player instead of holding their positions. Mornington soon scored a second goal, leaving the Outlaws down 2-0 by half-time.

During the half-time talk Graham Baulk (coach) commented that he had just witnessed "our worst half ever". This criticism may have helped the Outlaws lift a little in the second half. The Outlaws defence tightened, and Mark Mills scored a good goal to bring the score back to 2-1. However, Mornington's third goal proved to be the nail in the coffin for the Outlaws and the score remained 3-1 until the final whistle.

This was the third time these two teams have met this year, but this game will undoubtedly be remembered as the worst of the three for the Outlaws.

Most notable players: Bruce (goalie), Ben, Duncan and Maxi.

"SPECIAL CLUB MEETING -

Friday 25th October

TEAM PLANNING/REGISTRATIONS FOR NEXT SEASON

For all playing members and parents

To be held at Clubrooms at 7pm on Friday 18th October 2002.

As you all know, the club has limited playing facilities. We have a growing number of junior teams and there has been a request to field a womens team next year.

We need to decide on how many teams to field and to take early preferential registrations from existing players. **ONCE TEAMS ARE FULL, WE WILL NOT BE REGISTERING ANY NEW PLAYERS FOR THAT TEAM. INSTEAD PLAYERS WILL GO ON A WAITING LIST.**

We also need to solicit views on the make-up of coaching staff and the need for specialist coaches for next year.

This is an important meeting for **YOU AS A PLAYER, YOU AS A PARENT OF JUNIOR PLAYERS** and for the club, so your attendance is recommended.

We'll also be outlining the **MAJOR STRATEGY** of the club for next season.

We'll throw a bit of a party afterwards. Bring the kids."

10's report:

The last two weeks has seen some sparking soccer played in patches with good performances at the 10's Bayside Gala Day and a good 7-0 win against Stonnington. The determination shown throughout the year despite the early losses is showing through now that the boys have learnt how to play as a team. Even some of Mark's favourite set pieces are working.

9's report:

The team finished the year very strongly winning most of their second half games (as against losing most of the first half games). Kick and run is a thing of the past for this team. Now their catch cry is "control, look up, pass/shoot". Everyone in this team shows fantastic spirit and competitiveness, sense of fun, and great team spirit. Last week's game for instance, saw the team assisting Lauren Johnson and Aaron Saunders to score their first goals while winning 3-0 against Seaford Black. We think the smiles will still be on the faces of the whole team (not to mention the parents) by the time next season starts.

8's report:

Anyone who has seen the 8's train in the last few weeks will appreciate why they are winning handsomely. They say you play like you train; a shining example to the whole club.

7's report:

The Under 7's treated their fans to one of their finest performances with an enthralling 1-1 draw against Seaford. Defender Brendon Edwards gave Frankston the early lead with a stunning long-range strike, however Seaford equalised late in the game to share the honours. A great team effort that shows just how much the boys have improved throughout the season. Well done boys!!!

MATCH REPORTS

STRIKERS WIN

Frankston Strikers had to fight all the way to grab a 2-1 win against a tough physically stronger Old Scotch Waverley side at the weekend. Strikers opened strongly and in five minutes Kris Patterson had notched up their first goal. Old Scotch quickly regrouped and for the remainder of the first half the two strong defences seemed to dominate the play allowing very few shots on either goal. Patterson and Craig Wright were always buzzing around the Old Scotch goal area but were rarely given the chance to score. The solid Strikers back line of Andy McKenna, Graham Watson, Robbie Currie and Matthew McDermott soaked up every attack thrown at them. Old Scotch came out after the break showing much more fire and for ten minutes they pinned Strikers back to their own goal line but a mixture of arms and legs and keeper Michael Sivuja stopped their attempts to score. Gradually Strikers' midfield worked their way back into the game and in the 60th minute Wright scored their second. Towards the end Strikers were almost completely on top but right on the final whistle Old Scotch scored their single goal from the penalty spot. Best for Strikers were Kris Patterson, playing the whole game after half of the reserves game, and Craig Wright, but every other player really deserves a mention. The Reserves game was played at a fast pace with little being given away by either side and resulting in a scoreless draw.

RESERVES

Frankston Strikers 0 Vs Springvale City 0

Monbulk 5 Vs Frankston Strikers 2

A disaster of a day with an abundance of silly errors making the scoreline quite ridiculous. We had enough chances to win the game up until the hour mark, a game best forgotten and with this result went any slim chance we had of winning the league.

Old Scotch Waverley 0 Vs Frankston Strikers 0

A very pleasing result with everyone giving 100%. After a shaky start we settled down and played some good football. John Watson and Stuart Reynolds, in the middle of the park, used their passes intelligently and were involved in good spells of possession. The defence was solid and Pat McKeough & Nick Allen worked very hard in attack. Well done lads, A great effort.

COACHES REPORT

We come to our last game of the season coming off a very good win against Old Scotch Waverley. Our last home game was very disappointing and another performance like last week would be the perfect way to end the season. At the start of the season the main aim was to stay in division two and although that we have done that I think we have been to inconsistent to put any pressure on the top three of four teams. The pluses this year have been the performances of the younger players who are now starting to show maturity and this will only help the club benefit for next season.

I as player coach would like to take this opportunity to thank my assistants, committee and supporters for the support I have received this year.

Russell Black

COACHES REPORT RESERVES

The team has had a reasonable year. Of course disappointed with our second half of the season but losing quite a few players put a strain on the numbers each week. Marcus Brownlie and Craig Wright made the transition to first team football successfully. Michael Reynolds was having a very good year but suffered a couple of setbacks with injury and illness. Steve Wright's season was very consistent in the centre of defence.

Generally personal fitness levels and attitude need to improve if the intention is to progress. Overall, an encouraging season and I wish the boys well for the future and thank them for their efforts.

Sammy Wright

With the best defensive record in the league, conceding only 10 goals all season, the boys are on target to finish the season runners-up of A league. An excellent result from a great bunch of boys, it has been a pleasure being part of a great team.

11's report:

After a rocky start to the season due to low numbers, the boys have progressed well. We hope to finish 6th on the ladder for the season, which would be a good result as this is the first year the boys have played together. We would like to thank Graham & Chris for their assistance throughout the year & to the Under 11's team for a great effort. Thanks to the parents for creating a great cheer squad. We hope to see everyone at the club next year, have a great break and enjoy those Sunday morning sleep ins.
