## From The Presidents Chair

A warm welcome to our Gippsland opponents, for those who made the trip to Morwell you will remember it was an exciting 2-2 draw. Today's game will be a fight On looking at the league tables you will see we are in some trouble, just what price do you put on strikers. Last season we were virtually dumped out of Div 1 and this season despite the clubs efforts we are no better off for goalscorers only Lyndale have scored less goals and they are anchored at the bottom doomed (unless a miracle happens) to return to Div 3 after just 1 season in higher company.

The most disappointing aspect of recent games is our failure to finish with a full squad on the park, it does our cause no good to lose players this way as suspension follows and we have problems the next week.

I would like to thank all the stalwarts supporters who come here rain or shine. In talking to many of you over the years I know that you are Frankston through and through.

To finish, all that you are reading is printed by Graham Bauk, he this every home game besides marking out the pitch to please the referees, Graham and myself can best be described as the old-timers of the club having both played for Frankston City **TONY HALL**
