From The Presidents Chair

Presidents Report.

We welcome Langwarrin to Centenary Park for today's State League 2 fixture. Langwarrin are sitting one point clear of the Strikers with two games to go to the end of the season. Langwarrin have only lost one game this season and have only conceded 15 goals all year. The Strikers on the other hand have had an up and down season, dropping vital points to teams in the lower end of the league. Today's fixture promises to be a cracker with both teams needing a win to give them a chance in the play-off's. In the big Games this year the Strikers have risen to the occasion and the spirit in the team has been fantastic. Our first game with Langwarrin this year was typical of the never say die spirit in the team. I would like to congratulate Frankston Pines on a memorable first year in the Premier League. To get to the Premier League final was a tremendous achievement. I think the Pines have put the peninsula on the map and the health of soccer in this area is looking very good at the moment. In Frankston we have the Pines in the Premier League and both the Strikers and Langwarrin pressing for promotion to division one. This is our last home game and I would like to thank everyone who has supported the club this year. Without your support we would not have a club.

MATCH REPORT

Welcome to what promises to be an interesting game of Football. Our visitors Langwarrin have taken maximum points out of there last 2 games and have jumped above us by a point, so I'm sure it will be a very hard match. In the last 2 matches we have dropped vital points away to Stonnington and last weeks home match against South Springvale, so today it is important that we get back on track with a victory. At the start of the season I thought the league would be tight but didn't think it would be as close as this. With both teams needing to win I'm sure it has all the ingredients to make a wonderful game. I'm looking forward to pitting my wits against Gus McCloud, who has done a superb job again at Langwarrin, but most of all I am hoping for a good open, attacking game of football with lots of exciting play. On a final note I would like to thank all our committee and supporters for the encouragement and loyalty you have shown the players and coaching staff this year, hopefully we can reward you with promotion.

Yours in sport Russell Black
