## Presidents Report

We welcome Springvale City to Centenary Park today for our State League 2 fixture. Springvale are struggling towards the bottom of the league at the moment, but we must be reminded that we were very lucky to get away with a draw at Springvale in our early season encounter.

We start today's game four points behind Richmond in first place and four points clear of Langwarrin in third place. Our form over recent weeks has been fantastic and we have brought ourselves back in contention for promotion to division one.

We started very slowly at Cranbourne last week and went one down after 30 minutes. We hit back immediately with a great goal from Michael Anderson. From then on we really dominated the game and went further ahead with a goal, direct from a corner, by Craig Smart. The second half was mostly one way traffic and we went further ahead with a very clever free kick from Dale White.

There is a buzz around the club at the moment and we look forward to a sensational end to the season both on and off the pitch.

We have various functions coming up and I ask all of our members and supporters to get behind the club and help us finish the season on a high.
