Presidents Report.

I would like to welcome Cranbourne Comets to Centenary Park for today's State League Division Two fixture. Our matches with Cranbourne are always very competitive and today's game will be no different. In our second round match at Cranbourne we were soundly beaten three nil, but expect to improve significantly on that today.

There has been a big improvement over recent weeks, but our inability to score goals has meant that we are struggling towards the bottom of the league. At Morwell two weeks ago we had ninety percent of the possession but could not score. We came away with a very disappointing draw. The result at Stonnington last week was very encouraging. We welcomed back Russel Black after a long injury. Russel had a steady influence on the team and we came away with creditable one all draw.

I would like to take this opportunity to thank Billy Inglis for all the time he put in organizing our recent tenth anniversary function. We had a very disappointing turn out on the night, but those who attended had an opportunity to reminisce about the last ten years at Frankston Strikers.

Chris Reynolds

Senior Coach Report

Welcome to today's game.

In our last 3 matches we have been undefeated but have only picked up 3 points for our efforts.

Last weeks match against Stonington was a great point for us, but in our two previous games we let the opposition of the hook.

We have now passed the half way mark and our inability to finish off teams has put us in a perilous position, sitting third bottom of the league.

Today we welcome Cranbourne.

This is always a hard game, as a classic local derby always is, and I don't expect anything different in today's game.

Hopefully we can take the points today and that will set us up nicely for another local derby next week.

Hope you enjoy the game.

Yours in sport

Russell Black.

Saddened

A local soccer club was saddened to learn of the death this week of one of its most valuable members, Someone Else.

Someone's passing creates a vacancy that will be difficult to fill. Else has been with the club since its beginning.

He did far more than a normal person's share of the work. Whenever there was a job to do, a social function to attend, funds to be raised..... one name was on everyone's lips: "Let Someone Else do it".

It was common knowledge that Else was among the largest contributors of his time to the club: whenever there was a need for volunteers, everyone just assumed that Someone Else would.

A wonderful person - sometimes appearing superhuman. But a person can only do so much. Were the truth known, everybody expected too much of Someone Else.

Now he is gone. We wonder what we are going to do.

He left a wonderful example to follow, but who is left to do the things Else did?

When you are asked to help, remember: we can, unfortunately, no longer rely on poor old Someone Else.

Poignant, isn't it?
