FROM THE PRESIDENTS CHAIR

Today's game closes our season of home fixtures for 2005, our last remaining match is away against NUNAWADING in a fortnights time due to the VFF declaring next Saturday a catch up round day. It was only three weeks ago that we played ENDEAVOUR in the rearranged fixture and it produced three vital points. We trust that all connected with ENDEAVOUR enjoy their first visit to our club. The league table tells us that DOVETON'S fate is sealed and they will play provisional league neat season. Looking at our position we are five points clear of CROYDON two ahead of MONBULK, this means that if we can pick up two points in our remaining games we will not be relegated. MONBULK play CLAYTON at home today and are away to WAVERLEY next week. Both these clubs have MOOROOLBARK chasing them for promotion so we hope will be all out to win these games. CROYDON play HEATHERTON away today and are at home to NORTH CAULFIELD next week. I feel CROYDON will be determined to get something from these games. I remember writing in the first programme in the season that it would be a difficult year for our club this it has turned out to be. It was a lack of consistency on the park in our play a lack of depth in the club with the players and an in experience of playing by our younger players .many of whom were given an opportunity of first team soccer and this could auger well for next season. Truthfully we have given some awful performances yet on some occasions have given our all and gained much needed points. To you supporters who have given us your support through this difficult season we would encourage you to come back next season for those you who are members' renew your memberships, and for those who are not members, take membership out.

Tobacco Dome
Frankston

The idea that the Tobacco Dome just retails cigarettes and tobacco is quickly blown away when you enter the shop. Your lucky tats ticket is always on sale, a vast selection of greeting cards, newspapers and magazines fill the shop. Facilities for key cutting exist and you can leave your clothes for dry cleaning. But back to those familiar things, this shop must have one of the largest ranges of imported Cigars on display. Cigarettes in cartons or packets retail at some of the most competitive prices, all to your advantage. What else can we say see you there, ask for Rob and get that extra attention?
