## FROM THE PRESIDENTS CHAIR

Over the past few weeks on Thursday nights I have ventured in to the number one dressing room and discovered it to be more like a war zone with players being treated for their injuries. A committee member pointed out to me that our best signing pre season was that of physio PAUL BAILEY who does a fantastic job in getting our players on to the park on Saturdays. Paul's efforts are appreciated not only by the club but I am sure by the players too. I have to admire some of our players such as JAMIE STEWART and ALEX RAE who despite not being fully fit don the clubs shirts each week simply because of our injury situation.

This unfortunately leads me on to a very disappointing departure from our club when KRIS PATTERSON joined FRANKSTON PINES, KRIS himself saw it as an opportunity to better himself. The most significant point in the transfer was that PINES never spoke to any STRIKERS committee asking for permission to approach the player. Kris trained with them on two occasions prior to playing for them against MELBOURNE VICTORY, he was then asked to sign for PINES. Our club then received an apology from PINES but what good did that do us at that stage.

As a club we can not afford at this stage of the season and in our present league placing situation to lose any player. The whole episode has certainly left a sour taste in my mouth.

Tobacco Dome

The idea that the Tobacco Dome just retails cigarettes and tobacco is quickly blown away when you enter the shop. Your lucky tatts ticket is always on sale, a vast selection of greeting cards, newspapers and magazines fill the shop. Facilities for key cutting exist and you can leave your clothes for dry cleaning. But back to those familiar things, this shop must have one of the largest ranges of imported Cigars on display. Cigarettes in cartons or packets retail at some of the most competitive prices, all to your advantage. What else can we say see you there, ask for Rob and get that extra attention.

## BAYSIDE NEWS

## STRIKERS SNIPPETS

HEATHERTON come here today on what I believe it to be their first ever visit to McCLELLAND DRIVE we hope that all the members of their club enjoy their visit today.

## SOCCER SNIPPETS

FAZ AMIRI is gradually recovering from his ordeal he has paid the club a few visits but is not allowed to train and it could be likely for his own health's sake that he will not play for the rest of the season. Despite DANNY WILLIAMS also facing being out for the season DANNY still attends training sessions in an attempt to get back on the park. Unfortunately for the club and him it is still a no go situation. According to PAUL BAILEY both MICKY MOORE and JOHNNY WATSON could have both been playing with broken ribs, "That is loyalty for you." A word of thanks to BILL THOMAS for generously donating some balloons for use at the club every little helps.

## RISING STARS ASHLEY HUPE

With the departure of CHRIS JONES to LANGWARRIN young ASH has seized the chance and cemented his place in this year's first X1. Having played three seasons at LANGWARRIN AHE is now in his third season with STRIKER'S, our reserve keeper last year has proved an adequate replacement for CHRIS. Early season games proved him to be a safe and brave keeper perhaps responsible for us picking up early season points. In the summer months he is a cricket all rounder for FRANKSTON PINES and like his goal keeping a determined batsman. Our clubs future must be in players like ASHLEY a 17 year old with a great future ahead of him.
