THE STRIKER

SEASON 2005

Match Notes

STATE LEAGUE — Division 3 S/E

Strikers v Sandringham City

STRIKERS ON THE NET

To be advised at a future date

FROM THE PRESIDENTS CHAIR

As many of you would know my love of soccer (football) hold no bars, however the past two weeks has had me thinking of just where sport is going and what it has to offer juniors.

I believe the episode at ENDEVOUR has by now gone around the club, the press and possibly even television. FAZ who was my first rising star in last weeks programme, (Did I put the mozz on him) is thankfully alive, was present at last weeks game and seemingly much better. I have not asked him what he thought about attending a match to play did not kick a ball and yet finished on life support at the Royal Melbourne Hospital. We as a club are waiting to hear just what the V.F.A will do about it all.

One can have an opinion about any sport soccer is no different, I must say during my time in playing the game I enjoyed most moments perhaps not all as I hated loosing a game. Usually the game was followed in the club rooms with the get together with the opponents and a post match analysis by all players and who always attended these was the good old referee. He was actually prepared to come in, have a beer, chat to the players and sometimes even defend himself over a particular decision. Perhaps last week our players should have had more discipline and kept our mouths truly shut, but two players sent off, yellow card dished out to both sides like parking tickets, NOW COME ON!!!! It was disappointing therefore to see all three officials bravely walk past our club rooms and just go home I must point out that they had demanded their fees up front, was that a sign of something to come. The best referees are the ones you don't see on the field but does that really go for referees who would not go into club rooms after matches, is this a V.F.A directive there has got to be a bond between players and refs each has to understand each others position on the fields of play. Spectators would also know why the Ref has awarded this or that for this or that .I don't know how this can change if we have referees similar to last weeks but that was last week the game goes on and SANDRINGHAM desperate for points visit us today, we welcome all the members from their club

STRIKERS SNIPPETS

A welcome back to RUSSELL BLACK whom many of you will have seen back in our colours last week his brief stay at SOUTH SPRINGVALE was to be our gain it is perhaps fitting in what could be his last season of playing that he should play his last game at STRIKERS. What does ROBBIE CURRIE have to do remain on the field of play, last week he stated to me "is it all worth it" having been sent off for the second time this season. I am afraid I can not answer that one ROBBIE. Several members of the clubs committee attended a short seminar on being 'a good sports club' talking on the retailing and policing of the sale of alcohol with in a club we believe as a result of attending it could open many doors for our club. We have had some glowing remarks from visiting clubs on the great condition of our ground, considering that we now have to use it for all our senior, bayside and junior training we feel very fortunate in having people who help maintain its condition. Our council grass cutter IAN has done a sterling job for many years now and it is obvious he gets much pleasure in his work. We would like to thank club members also for their effort with the ground .In an about turn STAN WEBSTER has returned to FRANKSTON PINES as they say 'The grass is not always greener on the other side'

RISING STARS

Despite being only twenty CRAIG has become one of our senior player's in the team this season an important part of this years STRIKERS side. To his credit CRAIG is a versatile player who can fill any position very capably. Australian born CRAIG'S soccer career began competitively at LYNDAL UNITED in their under 8's at under 13 level he switched to local neighbours LANGWARRIN where he played to under 16 level in super league. FRANKSTON PINES saw the promise of this youngster and signed him up, however thankfully for us he became a STRIKER and has grown in statue with every game. CRAIG is currently a third year student at Deakin University studying medical science and hoping to become a doctor. Given the correct guidance CRAIG will continue to improve his game and become an important member of future STRIKER teams.
