SEASON 2006

Match Notes

STATE LEAGUE Division 3 S/E

Saturday 17th June 2006

Strikers v Nunawading

STRIKERS ON THE NET

www.frankstonstrikers.com

FROM THE PRESIDENTS CHAIR

A warm welcome to the players committee and supporters of NUNAWADING who's visit today concludes the first half of the season 2006. Next weeks game which starts the second half will be a Sunday fixture against NORTH CAULFIELD so just a reminder not to arrive here next Saturday. Today's game brings together two sides in trouble at the wrong end of the table. Both sides striving to get the maximum three points from the game my apologies to all supporters with no match day programme available for the last home fixture with MOOROOLBARK, I have been away from the club and it was just impossible for me to produce one for this match. I believe there are very few clubs who actually issue a match day programme so this slight glitch we hope the only one to occur this year. Much has happened since I have been away many of you perhaps know, that GEORGE HUGHES is now the club coach assisted by BILLY RAE. BILLY McARTHUR departed after talks at the club it was felt we urgently needed a new direction if we were to get out of our present situation and remain in this division. The club has regained stalwart players STEVE KEENAN and JAMIE STEWART and youngster MARCUS BROWNLIE has also returned to the club after being two years away. GEORGE is working over time to try and sign more players before the transfer deadline to help in our fight back. The club wishes both GEORGE and BILLY good luck for the rest of the season.

CLUB SNIPPETS

They say it is a small world during last week I received an Email from a soccer fan (MIKO ATTILA) in Hungary out of the blue a request for soccer relics as he described them. I was able to supply him with some programmes and a team picture so FRANKSTON STRIKERS notoriety continues to grow. I have also asked LAURENCE HALL to Email MIKO with photos of the club and the ground. Are we all bleary eyed yet? Very few sensible kick off times for the Antipodes fans it was a great pre World Cup build up for the Australian Football scene I have never believed it possible that TV press and industry could ever get behind the round ball code as they did .We must all hope that the euphoria will continue after the World Cup.

GO AUSSIES

FRANKSTON FILLIES

It is also turning out to be a difficult season for our girl's side, early season form which predicted they would do well has evaporated as they have seen their opponents gaining some top players to their sides. This is the initial season for senior BAYSIDE GIRLS SOCCER, four teams have played from the start of the season though the league has been revamped once before now it will happen again as ROSEBUD have entered a team. The flexibility of the league allows this and it can only be for the betterment of the game there is already talk of more clubs entering the league next season.

JUNIORS

Our under 7's and under 8's are having a school holiday break at the present so no Football. Both squads continue to improve thanks to their coaches. Jag the under 7's coach recently attended a coaching course to help him improve his coaching ability, and he hopes to pass on some good ideas to the boys and girls. Juan our under 8's coach has a full diary of football to him going, for besides looking after our under 8's he also coaches at one of our opponents namely Endeavour, there he looks after an older junior side plus coaches their senior reserve squad. Due to bye rounds in their league our under 12's boys and girls also are not playing at present. This season they have responded well to new coaches and are much more competitive on the field, although they have not won yet they are the are also determined to go into their second half of the season with added confidence, and we hope they can get that illusive win.
