Strikers v Berwick City

STRIKERS ON THE NET

www.frankstonstrikers.com

FROM THE PRESIDENTS CHAIR

BERWICK CITY are today's visitors to our venue, we offer a warm welcome to all connected with their club. Continuing to pick up points especially when playing away is vital to the club if we are going to challenge for honours this season. Last week was a prime example when both sides drew their games against a team that has over past seasons been a thorn in our side. BERWICK too have always caused us problems so we hope our tremendous home form continues again today. MURAT DEMIRAOL has settled well into the side after we signed him from CASEY COMETS a natural goal scorer he has given great support to SIMON O'DONNELL and JAMIE SKELLY. Some good news for the club was that FRANKSTON CITY COUNCIL have approved a grant for the club for \$2000 which will enable us to refurbish chairs at our McClelland Drive club rooms, although this falls well short of the \$60,000 that both LANGY and PINES are getting for their flood lights we must hope that as they say our turn will come. The rearranged fixture against FITZROY CITY will be played on Monday at FITZROY it is a catch up round for all clubs in the league who could not start their season on the opening day due to the drought.

BE A BRICK

Despite not being not being at McClelland Drive for this season our appeal to be a brick is still very much open. Have your name on the special "Be a Brick" board for a donation to the club of \$50. Please see CLAYTON or TONY for information.

The idea that the Tobacco Dome just retails cigarettes and tobacco is quickly blown away when you enter the shop. Your lucky tatts ticket is always on sale, a vast selection of greeting cards, newspapers and magazines fill the shop. Facilities for key cutting exist and you can leave your clothes for dry cleaning. But back to those familiar things, this shop must have one of the largest ranges of imported Cigars on display. Cigarettes in cartons or packs retail at some of the most competitive prices, all to your advantage. What else can we say see you there, ask for Rob and get that extra attention.

Look out for a large variety of Beanie Bears in store.

SOCCER SNIPPETS

On a recent visit to ECHUCA we met up with ARLENE and GEOFF HURST now living in PICOLA (not too far away from ECHUCA) They send their best wishes to all their friends and hope that the STRIKERS have a great season. While in ECHUCA I ventured across the boarder into NSW to watch some soccer. The game was between the reserve teams of the local side MOAMA RAIDERS and their visitors SWAN HILL. The game was of a fairly high standard and when I left the RAIDERS were leading 1-0. I managed to speak to the MOAMA president who informed me that between three hundred to four hundred boys and girls play at the club. The set up has four full size pitches plus areas for the smaller children all these grounds were in excellent condition. There is a possibility that our Sunday FILLIES team will have an end of season trip up to MOAMA to play their club's girl team.

Keeping on with junior soccer I get great pleasure in coaching boys and girls at WOODLANDS PRIMARY SCHOOL in LANGWARRIN. The school is very fortunate to have an artificial grass surface which I believe cost over \$300,000. No drought problems here. Some officials from the AFL were sent down to the school to see for themselves the possibilities of having something similar at other venues. Playing matches against other schools has made me aware that at the grass roots level and in many cases without good coaching there is plenty of soccer talent around in both girls and boys in the FRANKSTON area.

BAYSIDE NEWS

Pre season form had indicated that the boys were in for a good season, what we didn't think about was an injury toll enough to field a whole team. Several players are already out for the whole season and this has really eaten into our playing list. It has become increasingly difficult for TOM to pick 11 fit players for the premier team. Given a full squad the results will come he says.

Mean while our FILLIES team won their first game of the season much to their delight a 1-0 win thanks to a HEIDI TABORSKY goal in the closing minutes against WESTERN PORT. By all reports a good team effort coaches included.

Pun time !

Two Eskimos sitting in their boat were chilly; but when they lit a fire in the boat, it sank, proving once and for all that you can't have your kayak and heat it too.

Two boll weevils grew up in Cornwall. One went to Hollywood and became a famous actor. The other stayed behind, drove a tractor and never amounted to much. The second one, naturally, became known as the lesser of two weevils.

A three-legged dog walked into a saloon in the Old West. He sidled up to the bar and announced, "I'm looking for the man who shot my paw."

Did you hear about the Buddhist who refused his dentist's Novocain during root canal work? He wanted to transcend dental medication.

A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. "But why?" they asked, as they moved off. "Because," she said, "I can't stand chess nuts boasting in an open foyer."

There was a man who entered a local paper's pun contest. He sent in ten different puns, in the hope that at least one of the puns would win. Unfortunately, no pun in ten did.

A woman had twins, and gave them up for adoption. One of them went to a family in Egypt and was named Amal. The other went to a family in Spain, and they named him Juan. Years later, Juan sent a picture of himself to his mum. Upon receiving the picture, she told her husband that she wished that she also had a picture of Amal. Her husband responded, "But they're twins. If you've seen Juan, you've seen Amal."
