THE STRIKER

SEASON 2007

Match Notes

STATE LEAGUE Division 3 S/E

Saturday 30th June 2007

Strikers v Fitzroy City

STRIKERS ON THE NET

www.frankstonstrikers.com

FROM THE PRESIDENTS CHAIR

As if with the blink of an eye today's game against FITZROY sees the second half of the season begin, really hard to believe considering the drought and the late date for the season to start. Over the next few weeks we will play several very important fixtures against the top sides which perhaps could blow the season wide open. Two away games against ENDEAVOUR and EASTERN LIONS who incidentally are today playing each other promise to be two exciting games. SANDRINGHAM at home fall between these matches. Speaking to JAMIE SKELLY LUKE VENTIERI and GARRY HUGHES all assure me they will be back in the first team squad very soon with their injuries on the mend. GARRY HUGHES is at present recuperating in Thailand not I might add at the clubs expense so we should be able to welcome back a very fit and tanned player. An appeal on behalf of both MICKY MOORE and LEE WILKINSON was held last Thursday but due to this programme deadline I can not give you ant result. Apologies to STEVEN CURD his name has been missing from the reserve team squad listed in previous programmes, at least we know people are in fact reading their match day programme. I would be interested to know just exactly how many clubs do publish a match day programme we are fortunate enough to have at least four people at this club who make the programme possible.

Our BAYSIDE FILLIES had the weekend at Phillip Island last week playing the local side on Sunday. New comers in the ladies BAYSIDE comp this year one would think that all teams going there would do the same as our FILLIES did and have a good weekend. LIGHT ENTERTAINMENT

A Queenslander is drinking in a West Australian Pub when he gets a >call on his mobile phone. He hangs up, grinning from ear to ear, orders a >round of drinks for everyone in the bar because he announces, his wife has just produced a typical Queensland baby boy weighing 25 pounds. Nobody can believe that any baby can weigh in at 25 pounds. The Queenslander just shrugs "That's about average in Queensland. Like I said my son is a typical Queensland boy." Congratulations showered him from all around and many exclamations of "STREWTH" were heard. One woman even fainted due to sympathy pains. Two weeks later the Queenslander returns to the bar. The bartender says "You're the father of that typical Queensland baby that weighed 25 pounds at birth. Everybody's been having bets about how big he'd be in 2weeks. We were going to call you. So, how much does he weigh? The proud father answers: "17 pounds". The bartender is puzzled and concerned. "What happened? He weighed 25 pounds the day he was born. The Queensland father takes a l-o-n-g s-l-o-w swig from his XXXX, wipes his lips on his shirt sleeve, leans onto the bar and proudly says . .

"Had him circumcised!"

Once upon a time in a land far away, a beautiful, independent-assured princess happened upon a frog as she sat contemplating ecological issues on the shores of an unpolluted pond in a verdant meadow near her castle. The frog hopped into the princess' lap and said: "Elegant Lady, I was once a handsome prince until an evil witch cast a spell upon me. One kiss from you, however, and I will turn back >>into the dapper, young prince that I am and then, my sweet, we can marry and set up housekeeping in your castle with my mother, where you can prepare my meals, clean my clothes, bear my children, and forever feel grateful and happy doing so." That night, as the princess dined sumptuously on lightly sautéed frog legs seasoned in a white wine and onion cream sauce, she chuckled and thought to herself:

I don't f.....g think so.
