FROM THE PRESIDENTS CHAIR

Hard on the heels of last week's visitors EASTERN LIONS we welcome a much travelled MORWELL PEGASUS to BALLAM PARK. I would personally like to thank you die hard supporters for attending last week when the much talked about PINES/LANGY local derby was being played out not too far away. From all reports our game turned out to be more exciting than the other one. If today's game is anything like last weeks we are in for another cracker. The performance of new signing Queenslander MATTHEW MINOR was inspiring to say the least and his penalty, save probably turned the game around. Equally having a SIMON O'DONNEL up front means every chance a goal will be carved out, but I can't forget the rest of the team with young ALEX RAE having a new lease of life at the back and everyone raising their games lets keep it going. Our young reserve side with a couple of older heads in their midst announced their coming with a gold class performance last week gaining their first points of the season. The club is urgent need of two frameworks for the dug outs rather than coach and players sitting out in the open in all weather we would like to have some covered accommodation for them. For those who haven't heard BILLY TAYLOR from one of our BAYSIDE teams won the club raffle.

BAYSIDE NEWS

It was not our Sunday for good results last week for the opening of the BAYSIDE league season in the first game the FILLIES came up against a strong SEAFORD unit and went down 3-0 Striker TEGAN BENNET and BELINDA NISBET were both unavailable for this match. Both our men's teams played CROYDON in the reserve game we were actually winning 2-0 and 3-2 at various stages of the game and from late in the first half playing against only ten men due to a send off yet we still contrived to throw the game away in the last ten minutes losing 4-3. MARK MILLS scored 2 and LEE WINSOR the other goal. In the first team game we found ourselves two goals down in ten minutes and never really recovered from this the final score 4-1 added to this an injury to SEAN FLYNN did not help.

SOCCER SNIPPETS

If anyone remembers our efforts to insure the officials and players could see the lines against ENDEAVOR CHRIS REYNOLDS has answered our prayers by painting the markings and it appears to be working perhaps the next step is the BAY-SIDE pitch, what will TONY HALL do then Thank you CHRIS. A reminder from LAURENCE HALL about our club website for all those computer buffs log into our site for all the updated news passed and present on your club. The site is also linked to other clubs so you can bring yourself up to date with all the local football news (round ball type.) Over the time LAURENCE has run it we have had in computer language hits from all over the world. Prior to Christmas a player in Nigeria registered his interest in coming to play for STRIKERS I 'm afraid all the red tape associated with his move knocked it on the head. LAURENCE by the way runs LONG ISLANDS cricket club website and it has been voted as one of the best three of its kind in Australia (Well done LAURENCE) He informed me all the extras he has added over summer and this should please all you STRIKER'S followers. The junior section commenced last week and we shall try to keep you informed with some of their results. Two players still missing from STRIKERS line ups are RYAN LEE and TERRY BINYON. RYAN whom I believed to be one of STRIKERS gutsiest players often going out to play on one leg to help his beloved club however his current injury is likely to side line him all season. TERRY best and fairest two seasons ago for the reserves is I'm afraid back on crutches having missed all of last season with a broken ankle a pin had been inserted to aid the recovery but it seems the battle to get back on the pitch for him is far from over.

What you need to know

Over the past Two months the Committee has been working extremely hard to get the debt level down.

George Hughes and Doug Chisholm have been hard at work to put together the strongest players they could muster. Each of the players have expressed the will and desire to play for this club when they could have joined another offering more money than our club could afford. We ask you to be patient, we shall have two young teams and the results may not be as the club would wish for.

The Clubs main aim is to stabilise itself and get back on its feet so that future Committees will have a far easier job in the management of this Club.

How can you help ? **Becoming a member is a good start**, we decided to lower the memberships the season making it affordable to all. Concession car holders can join for \$ 50.00 whilst people still working can join for \$ 70.00 this entitles you to entry at all home league games and should you wish to hire the Club rooms for a special occasion this would be at no charge. The Club have again been fortunate in getting the backing of a wide range of local businesses in the Frankston area.

If you can utilise any of these it helps their business and the Club more so, as some give discounts to you for instance the Paint Spot in Mornington will give trade terms when you buy product from them if you mention and show your strikers Membership card it all helps.

Code of conduct

To all Members, the committee would like to remind you that the club does have code of conduct in place and unfortunately some Members do not believe it applies to them. A copy of these rules will be given all to remind them of the expectations of the Club. No one is as big as the Club, that includes all sections Players, Members, Committee, Coaches, managers, or members. E are all accountable for our actions. No Excuses.
