FROM THE PRESIDENTS CHAIR

Another commanding performance from the lads at SPRINGVALE last week the highlight perhaps a hat trick from SIMON O'DONNELL

But a great all round performance particularly as the full squad was not available for selection.

It was good to see the young reserve squad picking up another three points also. Now for what I can only describe without expletives as the low light of last week. Many of you I know study the league tables and looking carefully you will see that despite the first X1 losing only one game we have been deducted a win, also put down for a 3-0 loss. It stems back to the game against ENDEAVOUR remembering we won 1-0 convincingly, some bright sparks associated with the VFF informed us that we had played ineligible players they having not been registered !!!

All were registered however and also a letter sent by VFF to our club stated our finances with them were completely up to date. Members of our committee have attended two tribunals in order to try and sort out the so called mess. It is very difficult for us to understand as prior to this first match every player was given a registration number, so where is the problem. Although "the crime" has not come up before the full committee the matter will not end here. I seem to remember some years ago when RUSSEL BLACK was coaching at the club some problem occurred and we were forced to go to a higher body as the VFF sort to distance itself from changing a decision. Strikers won the case. My sympathy for this debacle goes out to GEORGE and the coaching staff and of course the players.

Our club is innocent of anything wrong doing yet the panel of volunteers who heard the case were egotistical and close their ears to evidence produced not only by us but by a VFF employee who dealt with the computer registering system that is run by the governing body. It was also interesting for me to find out that supposedly we had a girl's team in the VFF in their first game at RINGWOOD the home side were given a walk over as STRIKERS did not turn up. No wonder our FILLIES team play BAYSIDE football, now prior to this first game why no phone calls from the VFF relating to not one member of this team being registered. This is all very interesting bearing in mind the situation our first X1 has been put in. What our club now has to think about is that elusive \$ as appeals cost money and there is no guarantee of a refund should we win the case. After all this griping we welcome a new name to BALLAM PARK SOUTHERN SUBURBS whom I believe could have been OAKLEIGH SUBURBS and did a name change "its catching"

G'Day Guys

It's Ash Hupe all the way down from England
My trials haven't worked out yet coz Plymouth were still in the FA Cup but they have told me to come back when the season has finished, so I'll be staying till about September now. I saw your results and it looks like the firsts have got off to a good start. I am staying down in a tiny place on the beach called Looe and I am working in a pub everyday so it is not too bad here. Well guys I'll talk to you soon.

Ash

NEWS FROM THE FILLIES

Boronia 2, Frankston Fillies 0

This weeks match was a game we would like to forget. Fillies had a bad day to put it mildly. With a panic set in, penalty missed, passes and ball control out the window, there were too many passengers and not enough doers.

Lucky for us it's only the second match of the league table. This gives us a chance to overcome the problems that have arisen during this match.

There were some good performances, from a few players. We will learn from this result, and keep a positive mind going into our next match against Rosebud A. We can only get better from here!

Coach out.

Frankston Fillies vs Seaford United

11am Ballam Park 6/05/07

Frankston Fillies - 0

Seaford United - 3

Frankston Fillies started the game with two key players out of the side.

With some organisation and alot of rearrangement the team was set but leaving only one player on the bench.

The girls tried very hard to try and curb the constant barrage of shots at the goal but was kept at bay by our young fearless goalkeeper until the 30th minute when they scored.

With an outstanding player of the match performance by Heidi Taborsky, and great courage showed in the midfield by Hannah Lewins, Kylie Peacock and Annie Tierney.

The team can take nothing but positives out of this match with the last 15 minutes the home side having more chances at goal and far superior fitness to the ex - premier league side.

All in all the girls can hold there heads high from the match result.

Coaching staff are very happy with the endeavour shown by the girls.

Coach out!
