## GIVE IT THE CHOP

### President's Blurb

Welcome to Round 7 of the 2016 season - Peninsula Strikers Vs Sandringham FC.

Welcome to all of our supports / members and to our guests, who join us today for today's Home Game.

Also welcome our visitors, players, members, and friends and families including those visitors today from Sandringham FC, I sincerely hope, you all, have an enjoyable afternoon with us.

**Regardless of the result today, please come and enjoy a chat refreshments including something to eat with us after the game.**

Tonight we will hold our joker poker, where you could win \$400, for just \$2 a ticket. Pick the Joker and you may win \$400 cash, if you're drawn out and you don't pick the Joker, we will give you a free drink.

Well our results over the last fortnight has seen our teams cope a return of what we were dishing out at the start of the season.

Like all teams we have suffered injuries, red cards, work commitments change the face of our teams over the past couple of weeks frustrating our senior coaching staff. Our seniors suffering 2 loses at the hands of Doveton and last week Nth Caulfield. I am generally not one to blame referee's though last week's game against Nth Caulfield was nothing short of a disgrace leaving our supporters and I'm sure theirs, scratching our heads at what occurred when Matt Morris Thomas was sent off as a result of a free kick awarded to Strikers, which then saw the referee giving MMT another yellow seeing him sent off. While 20 minutes out we received another red resulting in Strikers playing the last 15 with 9 players, unfortunately this was always going to cause us to struggle against the likes of Nth Caulfield, who now sit in 2<sup>nd</sup> position. I know the boys are eager to bounce back to their winning ways this afternoon against Sandringham.

**Reserves:** Our reserves have fared slightly better defeating Doveton, though it was a different story again last week at Caulfield also. I know once again our reserves are very disappointed in their performance last week and again today will be out to return to their winning ways. Good luck boys.

**Last Sunday:** Our ladies team, last Sunday suffered their first defeat at the hands of Harrisfield and play Dandenong Thunder here Tomorrow at 11am. Come down and show your support here tomorrow to them.

**Metro 5:-** Dave McKinney's Metro 5 team returned to their winning ways defeating South Yarra, Well done lads keep the faith.

This Week Metro 5 are away to Skye United kick off 1pm.

**Veterans:** Last week, our vets enjoyed a week off which was terrific as I'm sure there were a few sore heads last Sunday after I name the team of the half decade. It was an enjoyable night naming this team, while all players named received a plaque commemorating this auspicious occasion, I'm sure it will hold pride of place in their homes, well done and congratulations to all those players who were selected. Please see the team later in the matchday book our Vets continue to share top spot on the ladder.

As you will see our new change rooms have started. This first stage will take approximately 3-4 months.

After 40 years it's finally here, it's a reality, with our \$100K grant from Sport Rec Victoria, our two (2) new woman's change rooms will commence. As you will see from drawings inside the club, these rooms will be situated to the left of the current club as you look at it.

This is fantastic news for our club, after local State Member Paul Edbrooke, local member for Frankston announced \$100K towards the upgrade for our woman's change rooms. Council last year, announced \$545,000 in the 2015/2016 budget. With the help of Cr Colin Hampton current Mayor James Dooley including Peta Murphy, the new Labour candidate for Dunkley, we have secured the much needed funding for our club along with you, I look forward to the fantastic positive changes that we will see occur from next week, to the end of the season and beyond.

I've been informed that the entire project should be finish prior to Christmas.

Now, I need your help to secure our contribution for this project. The club is required to contribute \$10,000 for the lights and \$15,000 for the club. Please do all you can to assist the club in raising these funds.

Thank you, Trevor Johnson, and his company Pest Police for being our clubs major sponsors. Trevor is one of our current, senior long term players who is backing his / our club for the future. ### Metro Div. 5 report

Yippee! We have our first win for the season, after being so unlucky in our last game. We overcame St Yarra being up 2-0 at half time and running out winners with a score of 4-1. This being my 3rd Coaches report for 2016, I should mention and introduce the players of the Metro Div. 5 side.

They are;

GK	Daniel Moraga
Defenders	Callum Walker, Lewis Walker, Matthew Narayan, Druian Woodward
	Victor Galvez
Defensive Mid. Field	Joshua Simmons, Marcelo Maraga,
Wingers	Robert Miscamble, Grant Davies, Calvin Head, Matthew Caballero,
Attacking Mid. Field	Josh Vega, Tom Fullaway, Aaron Vega,
Striker	Scott Mc Kinney

This team has great potential. It has taken to game 4 to get our first win but we cannot forget that the team only trains one night a week with our Veterans Bayside Team (Thanks Guys) and there are six new players this year, that have not played together at all. Some cannot even make every training, due to their part time work commitments or Uni studies! This team is all about keeping the players interested in the beautiful game and being around the Peninsula Strikers Club. It definitely has individuals that could play senior football when they are ready to.

Well again we found ourselves against a lot more experienced and larger side, and it turned out they were very strong in the air by half time I don't think we had won a header, even though we were 2-nil up, it was our speed that was finding them out. So we were playing the long balls from the keeper to our strikers. Which forced them to drop the back 4 and used their keeper as a sweeper, which opened up the mid field and Simo and Arron were to get the ball in there and passing it out to our wings were Grant D. and Matt C and Calvin H. were to start to settle in to these positions and I am quite happy with this arrangement.

2<sup>nd</sup> half St Yarra came out and try to put pressure on the boys with intimidation and some physical stuff but they all stood up and we got another 2 goals, and it was something they deserved,

We play Skye this weekend at Skye if anyone would like to come down and watch I am sure the boys would appreciate the support

Metro Division 5 Coach  
Dave Mc Kinney

## Woman's Team

The girls lost for the first time last week going down to top of the table Harrisfield. It was a hard fought game with the opposition taking there opportunities through some very experienced players. The team was a little disappointed but I was pleased with the way the girls played and how they really took the game up to them. We are yet to hit our stride and I'm sure the return round will have a very different outcome.

When we put this team together at the start of the year the agenda was set by the club and myself to create a strong women's team with not only a high standard of play on the pitch but with the values and respect that will make strikers the premier women's team on the peninsula. The team is not disappointing.

The game this week is at home against Dandy Thunder and like every other game we anticipate a hard tough game. We will be without our stand in goalie Sarah beamish who tore ankle ligaments last week, but fortunately we are blessed to have three great keepers in the squad and Britt o Neil is more than capable between the sticks.

I'm sure we will bounce back this week. We kick off at 11 tomorrow come down and cheer the girls on, it is always an exciting spectacle.

Regards

Marty

### Match Report Reserves

After coming off the back of two great wins to put us truly in the mix; the group were brought down to Earth by the league leaders. We went into the game full of confidence but that was short lived as we copped some early goals and then we were chasing the game from that point.

Things didn't help with some controversial and challenging decisions from the Ref, but that's no excuse-we were beaten well. There was a lesson to be learned - we cannot go into a game seemingly unprepared for this competitive league because we will be found out, and truly we were.

On the flip side, we are a really good team and have played a great year so far. I put this match down to us all having a bad day and am anticipating that we will put things right on the weekend against Sandringham.

Yours in Sport,

Mark Duff

## Seniors Match Report

*A season of great high's and very disappointing lows so far for the Peninsula Strikers.*

*Last weekend proved to be a very disappointing day for our club at North Caulfield. The reserve team capitulated with a terrible performance and heavy loss. This was followed by a very poor senior team performance in which we lacked discipline, structure, desire and effort.*

*Since pre-season began late last year, the playing group have showed that they are capable to perform and succeed at this level. Some very solid performances in the FFA Cup, followed by some strong performances in the league, highlighted that we can be a very strong, competitive side. All that came crashing down on Sunday last week.*

*Although we had several players missing due to injuries and several more players carrying knocks into the previous two games, the level of performance and lack of desire to win a football match was something we will not accept at this club. We lacked discipline, failed to work as a unit and our structure was fractured.*

*I do believe strongly in this group of players and through hard work, commitment and a strong desire to succeed, we will get back on track. That must start today against Sandringham.*

*As the Senior coach of the club, it has been very hard to reflect on the past two weeks of football, however I must take the responsibility of the playing groups performances. Let me assure you, we will continue to work hard to ensure that we turn the previous weeks, below standard performances around and provide you, our loyal supporters a better standard of football than what we have delivered recently.*

Craig Lewis
