"My, they're keen," says Div. 1 trainer

MORELAND trainer, Fred Brooks, went up to Gippsland the other week-end, and one of the first things he did when he returned was to ring up "Soccer News" and pay tribute to the work of Latrobe Valley League side, Newborough.

"It was an eye-opener," he told us. "The club ticks over perfectly. They have a first-class team, a wonderful club spirit and a hard-working ladies' committee, under the guidance of Mrs. Taylor.

"Believe me, I was greatly impressed. Their juniors played some grand stuff in the morning and then, immediately after the game, club members swarmed on to the pitch to get it ready for the afternoon match. Talk about keenness!"

Concludes Fred: "Please convey my thanks to them all. They made me feel very welcome and have a fine committee."

Concludes "Soccer News": "Keep it up, Newborough. It's not often a club official goes out of his way to praise another set of officials. We can only think you deserve it!"

Geoff, on World Trip, Says: "I'll be Back!"

MAN on the move this month: Sandringham's 21-year-old secretary, Geoff Dobb, who sails for Canada (on the 22nd) in the Orsova "to have a look round the world."

Geoff, with a Melbourne University commerce degree to help him on his way, plans a three-year working holiday overseas. First stop Vancouver, then on to England and the Continent. Geoff, incidentally, emigrated from the Old Country ten years ago. But, he says, "I'll be back!"

Something went wrong with St. Albans over Easter. They aimed

Watch Moreland, they've got a plan — Manchester Utd.'s!

POLICY of playing youngsters is paying off at Moreland. They've planned their team building on the lines of Britain's Manchester United, and just as the Matt Busby Babes are the talk of English soccer, so Moreland hope they'll soon be tops in Victoria.

For three years they have followed a strict find 'em train 'em rule. Now the policy's bringing results — like the way they walked through Hakoah Easter week-end.

And but for a freak incident last week they would have taken both points from champions Juventus, too.

This season will probably be their best for some time, though chairman Jim Stewart predicts they will not reach their peak until next year.

Len Young grooms Moreland youngsters in the Colts. Then Jack Finley takes over.

Result: Four ex-Colts are in the first team.

And the side's average age is 22.

Because of the wedding of Maurice Morsenkof last Saturday, Rosebud were compelled to play General Motors-Holdens on Sunday at the Main Ridge ground, their secretary reports. Rosebud won 9-1.

to be the only team not to concede any goals this term, but C.S.R. and Bayswater slipped four goals through between them. Sav St. Albans: "Some changes might be possible . . ."

Good week-end for Bayswater. Before the 2-2 draw with leaders St. Albans, they easily took two points from runners-up Lions.

A Metropolitan South side allowed to nominate their own referee have been in for some severe criticism for "abusing the rules of football."

BRIEFLY . . .

• THERE'S more than football talent at Brighton. Players provided most of the entertainment at the club's Easter week-end social!

• RECENTLY settled in Frankston, Tom Mack, a former Yallourn reserve player — uses both feet well.

• TRAINER wanted urgently by championship - chasing St. Albans. Details on ML9033.

• SO SHORT of players they're fielding injured men — that's all-conquering Melbourne.

• BOX HILL dance — to-night at Box Hill Town Hall, 8 o'clock start.

• BAD NEWS for Coburg. Trouble with an old knee injury will keep T. Sacco out of soccer for some time.

• PLAGUED by injuries, Frankston have yet to field their strongest side.

• SANDRINGHAM play their first "Sunday social" game to-morrow at Ferntree Gully. They want more friendly dates — on WA5109.

• MARRIED last week: Matt Blaney, of Park Rangers.

• TAKINGS at the Preston game last Saturday were a record.

• Park RANGERS' Peter Moran has had to have an X-ray check on an eye injury.

• JEWISH players interested in playing for Israel against Malta at Olympic Park to-morrow contact Mr. S. Rubinstein on LU6129. Players meet Olympic Park entrance.

Another grouse about spectat-
ors. This time Frankston accuse
Yarra Park fans of over-exuber-
ance. "The club should build a

United's Shock

—PAUL BORG.

SUNSHINE United took the honours of the day last Saturday when it sprang a shock 1-1 draw on League leader, Yarra Park.

The Victorian Colts are still in the ascendant. Their latest victim was highly fancied Frankston, whom they displaced from fourth position on the ladder. The Colts scored four clear goals without reply.

Coburg couldn't pierce the sound Hayduk defence nor beat giant goalkeeper, Morks. Hayduk had its troubles, too, but clinched both points with a successful penalty kick.

Dandenong scored their fifth consecutive win at the expense of Maccabi, and could repeat their success at Olympic Park to-day when they meet the Colts.

The battle between relegation-doomed Moorabbin and F.N.D. ended in Moorabbin's first win of the season.
