SECOND SOUTH

The level of standard between teams in this league is indicated by the fact that all the teams have gained points after the first two rounds of soccer.

Park Rangers remain the only undefeated team after downing Kensington last week. They will remain on top after this week when they should beat Triestina.

South Yarra's walkover last week has opened their account, but Triestina, who gave the walkover, should be investigated by the federation.

Stern penalties will have to be imposed if the federation hopes to stop the increasing number of defaulters.

I feel that the only way to prevent teams defaulting is to expel them from all soccer for the remainder of the season as well as imposing a £25 bond at the start of the next season, to encourage them not to commit this crime again.

Frankston should continue their climb back to the first division by defeating Ringwood.

In the other matches, Moorabbin, South Yarra, Kensington, and Prahran should defeat F.N.D., Sunshine Heights, Rosebud and Croydon.

Once again Moreland

and this could have
been their last chance
of a win. There's no
chance of their retain-

In this traditional
match, Sicilia proved
too good for Fioren-

with strong and deter-

that they will not be
near the relegation
zone at the end of the
season.

Bayswater opened
brilliantly against pro-

old direct consequences on the relegation "ONLOOKER".

At the other end of the ladder, Essendon, Bendigo and Seymour, are all improving and are now out of the danger zone. Essendon should defeat St. Albans, but Bendigo and Seymour will lose to Williamstown and Coburg respectively.

Libertas and N/Olympia will stage a struggle, with the chances of a victory to either side being remote. A draw appears the logical choice.

Fairfield and I.C.I. appear to be able to gain another two points this week with victories against C'wealth Banks and W.W.F.

SECOND SOUTH

Frankston moved nearer to promotion with an ex-

cellent 7-2 victory over Sunshine Heights last weekend. They are now level on points with Triestina at the head of proceedings. Closely following these teams is Park Rangers who surprisingly lost to Kensington last Saturday.

The match of the season is listed for this weekend. Park Rangers at home meet Triestina. Victory is essential to both teams, as a loss would allow Frankston to go further ahead.

I am tipping Triestina to be too strong for Park Rangers in what should be a very good game.

Frankston at home should consolidate their position with a victory over Ringwood, but it will not be easy.

MATCH REPORTS

SANDRINGHAM-YALLOURN

Sandringham fielded their regular first team for the Olympic Park game. After 20 minutes Berner scored Sandy's first goal from about 20 yds., after a pass from Bell. Yalourn's keenness kept them well

Princes Park last week. The game was not worthy of First Division status. An unimpressive victory was gained by University due to their better physical condition. First goal was scored by Heidelberg minutes after the start when a forward

AN AN

Fairfield will be too strong for Seymour, C'wealth Banks and WWF and should consolidate their positions on the ladder.

SECOND SOUTH

The top four teams — Triestina, Frankston, Park Rangers, and Kensington — all had comfortable victories in the last round, and all are bunched together at the head of the table.

Each team faces an easy match this round, which should be won.

Triestina will beat bottom team Croydon, Frankston will overcome opposition from bayside rivals Moorabbin, Park Rangers should beat Ringwood, although it will not be easy, and Kensington may down Prahran.

At the bottom of the ladder Sunshine Heights, Croydon and Rosebud do not look as though they will alter their positions very much, although Rosebud should gain a point against Sunshine Heights.
