SECOND DIVISION

It's still wide open as to who gets promotion and even Richmond, who are gradually moving up, have a chance.

Ferntree Gully again slipped in only drawing 2-2 with Bayswater, and now slip down to fourth position.

One of the three contenders to accompany Altona, who must be considered favorites, Ringwood have the easiest run and play Uni. (h), Prahran (a), Brighton (h) and Ajax (a).

Both Frankston and Ferntree Gully have to play Altona and, of course, if they both win Altona could be in trouble, but I don't think they will.

Bayswater move up a rung on the ladder with Park Rangers now on the bottom. Only percentage separates Prahran and Bayswater.

Altona finished whatever hopes Brighton had of promotion in winning 3-0.

Bobby Malloy, with a 30-yard free kick, put Altona in the lead, which was the only goal in the first half.

The best goal of the match came when Steve Herman broke through and scored with a right-foot drive. Slade, the Brighton keeper, was injured and replaced, and immediately the new keeper fumbled to allow Bernard Flynn to score.

With two goals in the second half Frankston won over University 2-0.

Frankston hit their straps in the second half and Cummins put them in front with a fine solo effort.

Then a good pass from Hanky Brouwer found Micky Maile and the centre-forward made no mistake.

Best players from Frankston: Benton, Shroeder, Hall, Brouwer and Cummins.

Prahran just couldn't quite force a draw and went down to Green Gully 3-2. But they twice held the lead and it was Bill Kadeliffe who scored first with a header from a Jack Gow cross.

Green Gully equalised from a penalty but Steve Crossley again sent Prahran ahead with a low drive.

After the break Klein levelled for Green Gully and they got the winner when Tony Duncan, in his only mistake of the day, let the ball slip through his hands.

Even at this early
stage of the season it looks as
though both Moreland and
Athena will find it hard to
avoid relegation.

The Saints got off to a
good start when Brietwee-
rer netted early but More-
land came back to equalise.

Any thoughts of a repeat
of last season's result were
quickly dispelled when
Peter Bluhm made it 2-1
and then Levente David
scored from a penalty
just before the break.

Lolly Vella and Vic Win-
ckler completed the scor-
ing for Saints. Brian
Reyerson made his debut
in goal for the Saints.
Brian comes from Grif-
fiths in N.S.W.

Springvale had to fight
all the way to beat a de-
termined Altona side 2-1
at Springvale.

John Beasley set the first
one up when he passed to
Alan Baker and he chip-
ped it over the keeper's
head for Auke Waaldijk to
head in.

Mario Greco levelled for
Altona after the interval
from close range but Alan
Baker got the winner with
a fine drive from 25 yards.

Altona had their chan-
ces as Steve Herman was
clean through on three oc-
casions but each time
Peter Mur saved.

Vale have released two
goalkeepers free of a transfer
fee. They are Jack
Scheepers to Prahran and
Ivan Faloon to Ferntree
Gully.

Incidentally, the reserves'
referee didn't turn up and
the first team referee was
late as they were not ad-
vised that the game had
been switched to Dande-
nong.

ST. ALBANS cracked it
for their first win of the
season when they downed
Moreland 5-1.

TRIESTINA, although
the slower of the two sides,

beat the young but in-
experienced Ringwood
United 2-0.

Higgins took advantage
of a defensive error to
score the first after 34
minutes and then 13 minu-
tes from time he scored
again when United's keep-
er Jansen kicked out
straight to him and he
made no mistake.

SECOND DIVISION
KEILOR CITY romped
home 8-1 over University

and so keep their one point
advantage at the top with
Sandingham moving into
second place over Albion
Rovers.

SANDRINGHAM look to
be on the way back with a
good 3-0 win over Park
Rangers.

Luck didn't appear to be
on their side as in the third
minute Frank Thompson
shot wide from a penalty.
This is the second miss that
Sandy have had from a
penalty in two weeks.

The luck changed seven
minutes later when Brian
Blacow cut in from the
right to score from close
range. Almost immediately
afterwards Bernard Bren-
nan made it 2-0 with a low
hard drive.

Rangers fought stub-
bornly but couldn't stem
the tide and after clever
work by Brennan, George
Drida completed the
scoring.

Best players for Sandy:
Dimmock, Laughton and
Argeres.

FRANKSTON moved off
the bottom of the ladder
with their first win of the
season 3-2 over second side
Albion Rovers.

It was the only home win
of the round and it's iron-
ical that this is Frankston's
first win and it's the first
time they haven't scored
the first goal.

Full back Mike Benton
equalised when he collected
a goalmouth clearance
and cracked it home from
30 yards.

Brian Finch, who return-
ed after a three-week lay-
off, scored the second to
put Frankston up but Rov-
ers levelled 2-2 by the
break.

★ ★ ★
The winner came with a

fine solo goal from Brian
Woodgate when he went
right through the Rovers'
defence before chipping the
ball over the keeper's head.

THIRD DIVISION
Naturally, the game of the
round was between the top
two sides PRAHRAN and
YALLOURN but nobody
would have tipped that the
"Como Park" boys would
win 5-0.

But win they did and gave
Yallourn their first defeat
since entering the Metro.
It was no fluke as Prahran
played their best Soccer
for years and never allowed
Yallourn to settle down.

EAST MELBOURNE-
HELVETIC moved into
second place with a 4-0 vic-
tory over Heidelberg.

The score was 0-0 at
half-time but Helvetic
came into their own in the
second half with Sohn (2),
Gilgean and Raugh netting.

CRYDON defeated an
improved Chelsea side 2-1.
The Chelsea keeper Chal-
kaltis dived and fumbled
and Fred Lomax was on
hand to open the scoring.

In the second term Fred
Lomax again, scored when
he forced Chalkaltis over
the line.

Vic Finlay crossed for
Frank Catlin to head Chelsea's
goal.

Best players for Croy-
don: Rudge, Koenen and
Harbisher. Chelsea: Wil-
liams, Finlay and Dale.

FOURTH DIVISION
CORIO slipped when the
could only draw 0-0 with
Clayton. Clayton were
little unlucky not to take
the points with Lange hit-
ting a post and having
shot kicked off the line.

BALLARAT moved to the
top with a very convincing
win, 8-1 over North Car-
ton.

SECOND DIVISION

Keilor City virtually clinched the championship when they beat Albion Rovers 2-1 and now have a five-point lead and a game in hand.

But who'll go up with them? Albion Rovers are still my favourites as I think they will win all their remaining games.

Sandringham kept their slim hopes alive with a 6-1 thrashing of University and their recent improved form in which they've netted 15 goals in three weeks has been mainly due to the return of Andy Kocsis.

The first half was even and soon after the break University actually took the lead but this was short lived as Kocsis levelled.

Kocsis made it 2-1 direct from a corner and Neville Luyt also got into the act when he scored from a corner which was ample evidence of the strong wind.

From then on it was Sandy's match and Kocsis and Drda twice added further goals. When University did attack they found John Bookless at centre half in top form.

Best players: Sandy—Kocsis, Bookless and Dimmock.

Frankston had to hold

on to beat Waverley 4-3 in a wind-spoiled game.

It looked all over at half time as Parry, Mail (2) and Baulk had given Frankston a 4-1 lead but Waverley had other ideas and came back well but couldn't quite bridge the gap.

Best players: Frankston—Bevis, Thompson, Finch and Mail.

Ferntree Gully put paid to any hopes Richmond had of promotion when they beat them 4-2.

The hero for Gully was Denis Gildea who netted all four goals and has now scored 17 goals in six games with a 28 total for the season.

Gully held a 3-0 lead at half-time and were never headed.

Park Rangers using better tactics in the windy conditions beat Green Gully Ajax 3-0.

Ajax replied strongly but couldn't take advantage and they missed Billy McIvor who didn't come on until the second half.

The second half was quiet for Ranger's keeper Billy Gibb as Rangers constantly attacked and a terrific drive from Colin Horner hit a post.

Ten minutes from the end, Gordon Dougan drove home a beauty and a few minutes later Horner again hit a post and Dougan hit home the rebound.

Results of all games played last week-end:

UNDER 16 STATE SQUAD

Last Sunday J.U.S.T. under 16 was a training partner to Victorian under 16 squad. J.U.S.T. won 6-2, but at end of the game State representatives improved. Before Australian Youth Carnival they will have more hard games with older boys. Next Sunday they may play Metropolitan High Schools Eleven. On Sunday, August 25, they may go to Latrobe Valley to play Fortuna under 16's. State squad is reduced to 28 players, with final choice of 16 for later date.

and Kenny completed the scoring.

SECOND DIVISION

Frankston again drew, and return to the second spot. They have now drawn seven of their 13 games, winning the other six.

They're "Littlewoods" favorite customers, and boys, they make "Taffy", our Pools' expert's job a lot easier.

Brighton crashed to the fast-improving Ferntree Gully who must be considered as contenders for promotion.

Altona upset Ringwood United's chances and improved their own in winning 2-1.

A crowd of about 400 saw Steve Herman put Altona ahead in the first minute with a good shot from a long pass by Craig Copley.

Ringwood came back and Jan van Laar gave Ian Roberts no chance with a 20-yard free kick.

But Billy Wilkie, with another great shot, put Altona back in the lead from 22 yards which beat Jansen all the way.

Keith van der Poel had a fine drive saved by Jansen. Then Ringwood put everything into attack and Ian Roberts made two impossible saves.

* * *

Frankston had already defeated Richmond early in the season and were pretty confident about winning again.

However, Richmond have improved tremendously and surprised Frankston to force a 2-2 draw.

Richmond had the edge for the first half hour and went ahead after only 10 minutes, but couldn't improve on this mainly because of Frankston's defence in which Morrison Valk and Hall were the pick.

The equaliser came when

Hall, under pressure, passed to Leenstra. The centre forward on the right, half volleyed the ball for Hans Gussenhoven to deflect it home.

It was a strong and vigorous game and the Seasiders began to get the upper hand.

The winner came in unusual fashion with Hans Gussenhoven scoring direct from a corner kick on the left wing.

In the closing minutes, Frankston's players swarmed around the Richmond goal, but couldn't capitalise.

Frankston have still not enough punch up front and it's hard to understand why Kurt Schroeder, who was the driving force at the start of the season, was played at centre half.

* * *

Prahran fought all the way in losing 2-1 to Albion Rovers in a really hard game, at Como Park.

Charlie Bussuttill gave Rovers a half time lead although Bill Ratcliffe was unlucky on a couple of occasions.

Five minutes from time John Stuart put Rovers further ahead after his first shot had rebounded off keeper Duncan.

With only a minute to go, Brian Donnelly got one back when he scored with a long dropping shot.

Best players; Prahran — Bill Radcliff, Albion Rovers — M. Hope, C. Fortini, and M. Borg.

Bayswater rose from the bottom with a good win at Green Gully and the pressure is still on there.

THIRD DIVISION

Keilor City, who last year gained promotion from the Fourth Division are now showing some of that form and on Saturday they beat one of the favorites, Waverley 3-2, in a high standard game.

Colin Waller raised Wav-

SECOND DIVISION

What price Ferntree Gully for promotion? With Saturday's topsy-turvy results, Gully have moved from fifth to second and they're the form horses at the moment.

But it was only a last-minute goal that gave them victory over Green Gully. Zimbolakis scored for Green Gully.

Altona were held to a draw by University and in the biggest shock of the day, Bayswater made a mess of Frankston's unbeaten record in winning 4-0.

Frankston made several experimental changes that appeared to have come off at half time with the scores 0-0.

The seasiders played attractive soccer but had no finish and their defence played a short passing game in the wet conditions.

Richard Gerrish finally put Bayswater ahead and from then on they never looked back with Hans Steinat and Rudy Kaeser (2) adding further goals.

The big question is, has the bubble burst at Frankston? I would say no, and this result could do them more good than harm as the strain of an unbeaten record at this stage of the season is hard to bear.

sea Under 14s 5-0 in a friendly game. Best were P. Horton, S. Keeley, A. Linnel, F. Vandeldon and F. Melein.

★
The Under 14s played Springvale in a friendly, when Mornington withdrew at the last moment, but lost 3-0 without being disgraced. Best were L. Crombie, G. Williams, St. Keeley, K. Cookson and J. Garnett.

Next Saturday's games are—Under 14 v Frankston (home, K.O. 11 am); Under 12s v Frankston City (away, K.O. 10.30 am); Under 10s v Langwarrin (Langwarrin, K.O. 10.30 am).

★ LANGWARRIN ALL STARS

A wet and windy weekend was the backdrop to a further series of defeats for all the soccer teams.

The seniors played Fisherman's Bend-GMH at home and lost 5-2. Langwarrin were beaten by a better team on the day, but were upset when a team member was involved in a car accident outside the ground.

The under 16s went down to Frankston 7-0. Langwarrin showed improvement and better team cohesion over their last match, and the more they play together the better they look, and should soon hit a winning streak.

All Stars under 12s lost to skillful Waverley combination 10-0. A feature was the goalkeeping of John Terry. In spite of two nasty knocks he gave an excellent display. Jürgen Kiehn and Paul Foulstone were also prominent for All Stars.

The Under 10s, in a rough game against Pines (2) suffered an 11-0 defeat. Norbert Kiehn was prominent in attack and scored for Langwarrin, but his goal was disallowed.

Colin Stow (goals) showed improved form and has the makings of a first-class goalie. Claudio Zanelli showed dash in attack but the moves petered out short of the net.

BASKETBALL

All Star girls lightened the mood of defeat, Seniors 2 defeating Blemmings Foods 37-15. Seniors 1 lost 20-27 to FYC in a close-fought game, the team showing the efforts of

their coach in improved form.

The juniors, in a close finish, lost to Karingal 21-19.

The sub-juniors were bested 17-12 by Baxter. The improvement of this young team is reflected by the close score and the girls are sure to continue to combine better and worry opponents in future.

The social evening at Lawton Park last Friday was a great success and enjoyed by 50 people present. The next will be at Lawton Park on May 24.

FRANKSTON CITY

The game played at Park Rangers this week was fast and exciting, but disappointing. Mick Benton seems quite likely to be top goalscorer for the Firsts. Since he plays full-back, this is a truly remarkable state of affairs.

The first goal of the game came when Benton cannoned a shot, from 30 yds. out, off the boot of a Rangers defender. Rangers equalised before half-time when the whole of the Frankston defence was caught well forward, out of position and Papoutzakis ran out from goal and lost the race for the ball.

In the second half, Frankston defence made no mistake, and with Nigel Bevis playing well at centre-half they forced the game into the Rangers' defence area for almost the remainder of the game.

Trevor Parry replaced young Michael Mail, a right-footer played on the left wing, while Brian Finch with his left foot kick was played on the right wing. Parry was able to unload the strong defender who had been making life miserable for Mail and must have had at least 15 shots at goal.

Parry's attempts, though accurate, were made from such a distance that the Rangers' goalkeeper had plenty of time to cover them. Graham Bauk worked hard but was still unable to find the goalmouth.

Gerard Pask was completely out of touch, and though he started to work in the second half, his ball control and evasion tactics were wasted by his casual passes, which rarely found his team-mates.

Of the forward line, only Brian Woodgate and Brian Finch had anything to offer

in the way of constructive play but, for 20 minutes, Frankston allowed the ball to stay on the left half, which was thick with Rangers defenders, while on the right-half Finch stood, unopposed, ignored and itching for a chance to go in and score.

Second Division football this year has improved beyond the standards set by First Division or even State League of just a few years ago. If Frankston City really wants to get in the top half of the divisional ladder they must add a dash of the calculating killer instinct to their undoubted ability.

Reserves lost 2-0.

Next week, Frankston City is at home to Green Gully Ajax. Reserves kick-off 1 pm, Seniors 2.45 pm.

PINES

The U-10s had a convincing 11-0 win over Langwarrin, goalscorers being W. Effern 8 and L. Woodward 3. Outstanding players were Effern, Woodward, Morton, Spencer and Stewart.

U-12s: There was no score at half-time, but Springvale took the lead after 10 minutes of the second half and held it until 10 mins. from the end, when J. Cameron equalised for the Pines. Best for Pines: Cameron, Smith, Flett, Woodward.

The U-14s d Frankston City 12-0. Pines took charge of the game from the start and were 5-0 up at half-time. Frankston had no answer to centre-forward Watson, who scored six goals.

Nipper Kiely was a tower of strength in defence, as were P. Clark and A. Godwyn. A. Hodkinson played a superb game as link man and made many of the passes that resulted in goals. Scorers: Watson 6, Kiely 2, Lewis, Stewart, Parry, Clark. Best: Hodkinson, Watson, Kiely.

Seniors v Westall VW. Pines played attractive soccer to win 9-0. Highlights were Westall's goalkeeper being KO'd by one of his own defenders and J. Johnstone having his name taken by the umpire for allegedly striking an opponent. Scorers: Johnstone, Miller, Ward 2, Tennant, Lynch, Lewis. Best: Lewis, Pal... Woodward.

JUNIOR SOCCER

FRANKSTON CITY

Frankston City Rovers defeated Karingal 'A' 2 goals to one.

Improved weather conditions brought out the best in both these teams last Sunday afternoon, when a ding-dong battle was fought out at the North Seaford ground, with the Rovers coming off best by the odd goal.

Entertaining soccer had the spectators on their toes for the whole of the match and they applauded the efforts of each and every player.

Scorers for the Rovers were Andrew Miller and Robbie Monty.

By defeating Sandringham 3 goals to nil at Sandringham last Saturday, City's Under-16 side made sure of being runners up the league. But they are still in there with a chance of being champions, depending on Waverley's result next week.

This game was fought out in a gale, and with City only scoring one goal with the wind in the first half, one wondered if that was enough to keep out the Hammers' forwards after the turn-round.

However, City went on with it after half time and delighted supporters with some brilliant soccer and scored again through Nicky Starczewski, and with John Monty adding his second for the game, City came home with the points.

On Sunday, the 16's defeated Bata Shoe Factory 7 goals to 1 in a friendly match which was enjoyed by everyone, including the two "old-timers", Terry Crouch and Rod Kirk.

A return game has been planned for next Sunday — kick off at 10.30 a.m.

Goals to: Terry Crouch 3, David Orwell, Richard Parry, John Monty and Rod Kirk.

Next Saturday's match — home to Moorabbin, kick off at 1.15 pm.

great team effort had ripped open the opposing defence.

In the second half, Pines had most of the play, and scored another three goals. Two were typical Cameron blockbusters and the other went to G. Woodward, and was a just reward for the effort he put into the game.

Pines are to be warmly congratulated on serving up such a high grade of soccer all season, and present the club with its second trophy this year. They fought like Tigers for every point, and full credit must go to their manager, J. Ward, for achieving so much in a very hard and lively competition. They finished up with a goal tally of 52-8.

Best: Wolsgrove, Riley, Johnson. The Under 10s defeated Frankston City, 9-0. This was a one-horse race and Pines were forced to pull S. Spencer and G. Woodward off to try and make a game of it. Pines were supreme, and this win takes them to within two points of being champions. It only remains for them to beat Karingal next week to give Pines their third premiership this year.

The city had 11 gallant lads in this game who never gave up trying and persevered until the end, trying to break down the Pines' defence.

This Pines team is one that the club is very proud of, and we hope that in future years they will provide us with many more pennants and as much entertainment as they have given us this year.

Frankston City

City U16s defeated Doveton 2-1, at Doveton, after a hard tussle.

They encountered a pitch of maximum dimensions with an uneven, greasy surface and opponents who played robustly. Doveton were hard and fast into the tackle and the City forwards were not given the time to manoeuvre that had been enjoyed in previous weeks.

Fifteen minutes into the first half a good pass from Skelly pierced the Doveton defence and was hit home first time by Kirk.

The equaliser followed immediately through a defensive error.

Accustomed to the conditions, City opened the second half more confidently and soon took the lead again when pressure from Skelly caused the centre half to put the ball into his own net.

Doveton tried desperately to equalise but the City defence, with Clayton again a tower of strength in the middle, held out competently.

The Under 10s, playing at Pines last Sunday morning, had a hard and strenuous game against worthy opponents, resulting in a 1-1 draw.

With constant regularity the game swung from end to end, with neither team giving anything away, and at half time there was no score.

Carrying on in the same manner in the second half, both teams fought vigorously for the ball, until Pines opened the score with a shot that went across the front of the goal and just screwed inside the post with the Frankston City goal keeper being un-sighted by one of his own players.

Undaunted, City swung straight into the attack and eventually equalised after a ball from the sidelines was sent goalward, with Robbie de Jong pushing it in.

Good work from all the City team, in particular A. Miller, R. de Jong, O. Leenstra, N. Burgess, A. Piper and T. McLeland.

and weight and congratulations to both clubs for putting their sides on the ground in first class uniforms.

Karingal were first to score after a very nervous start.

The Karingal half back line was continually under pressure, but N. Vandeboek, D. Carter and J. Korsten held on grimly.

It is very pleasing to see the boys fighting back when under pressure. Up till half time either side could have won.

After half time Karingal were a different side. They moved the ball down the ground much faster and they were looking for their full forward L. Gross who in this quarter kicked five goals from five kicks.

Others to show out at this stage were the boys from the Under 14's, B. Berry, R. Talbot, Russell Davies and R. Newlands. Playing his first game for Karingal Don Smith was doing well in the ruck.

Playing to the non-scoring pocket Karingal held on to win the game. Boys from both sides did well.

Final scores: Karingal 11-7 (73), Frankston East 8-5 (53).

Goalkickers: L. Gross 6, M. Moss 2, A. Hunter 1, R. Gibson 1, A. Robinson 1.

Next game, Karingal v. Rosebud at Rosebud on Saturday.

Under 12's playing at the Pines oval. Pines won the toss and kicked with a slight wind assistance.

The first two quarters Karingal played great football with their handball functioning perfectly and every player doing his part well.

But they could not score goals, because the forward line was not kept open.

In the second half the Karingal lads tired slightly but they fought it right out to the finish.

With two games played, the Karingal boys are improving and it won't be long before they record their first win.

Final scores: Pines 3-5 (23), Karingal 0-2 (2).

Best players: J. Ferrier, P. Bedford, B. Lindsay, W. Stanisstreet, D. Cooper, S. Gains.

Under 14's had a bye last week. Under 14's next game is against East Frankston at Werland Park on Saturday 9.15 am.

SOCCKER LESSON BY FRANKSTON

Playing champagne football Frankston quickly settled down to give Sandringham a lesson in soccer, winning 2-1.

In the fifth minute Pask collected a short pass from Finch and carried deep into the Sandringham half, with a long pass to Walton who was lurking on the left wing.

This gave Walton the opening and with a driving shot from 20 yards put City one up.

Ten minutes later Kurt Schroeder, playing in defence, beat the Sandringham attack, slithered his way through mid-field and moved the ball hard to the wing.

Again the elusive Walton found the goal to put City 2 up.

At half time Frankston were

in complete control in all positions with the only question. How many goals would they tally? But what a difference in the second term.

Frankston were a jaded and disjointed side.

Frankston were on the defensive almost all this half, while the enthusiastic Sandy side kept up the pressure.

City seemed unable to cope with the last 45 minutes and nearly threw it away.

This week Frankston at home to Ferntree Gully, kick off 1 pm Reserves, 2.45 pm Seniors.

Reminder to supporters the Ladies auxiliary stall, Central Park, Saturday morning.

Peninsula had a good weekend of soccer, playing four

Parents with under 8s aspiring to learn soccer can ring Mr. or Mrs. Nixon on 786-2238.

Playing a postponed match against Peninsula, both the Seaford and Peninsula under 12 boys produced football very attractive to watch, with Seaford going down 6-1.

Playing against Karingal A, Seaford under 10s, whilst getting equal share of the play, just couldn't stop the Red Devils from scoring. Seaford has a very good trio of forwards but they will have to get more support from the halves, which will come soon.

JUNIOR SOC

FRANKSTON CITY
Frankston City Rovers beat Doveton 3-0 at North Seaford reserve last Sunday afternoon and maintained their unbeaten record.

Continued pressure by the Rovers kept Doveton penned down in their own area for most of the first half, but it was not until two minutes before half time that outside right Otto Leenstra, positioning himself in the middle of the penalty area, took a first-time shot at the ball coming from the left wing and lofted it well and truly out of the goalkeeper's reach, to put the Rovers one up.

The second half continued as before, with the Rovers adding two more goals from Mark Stone and Robbie Monty.

★
Frankston City Rangers drew 0-0 with Karingal 'B' when playing away last Sunday afternoon, and showed a vast improvement in their play to gain their first League point from the three games they have played.

Most prominent players were M. Tiffen, W. Cleland and K. Wall, but the rest of the team gave good support.

Training for both teams will be at 9 a.m. next Saturday at North Seaford reserve.

UNDER-16'S
Owing to injuries, City Under-16's fielded two reserves but still overwhelmed a never-say-die Langwarrin side at North Seaford reserve last Saturday.

The game was fought out at a fast pace, with excellent soccer coming from both

teams and not as one-sided as the result might suggest.

This Langwarrin side is a much improved unit since City met them earlier in the season and the mystery remains, how City doubled the result this time.

The answer might well be: the devastating manner in which City seem to attack in quick bursts, working as one unit from defence to attack.

The 4-1-1-4 formation which City play is certainly paying dividends this season and this win places them firmly in 2nd place behind Waverley on the League ladder.

Goal-scorers: Jim Skelly 6, Stephen Evans 3, John Efferm 2, Lenny Cosmos 2, and Glen Kirk 1.

Best and fairest: Robert Hearn, Paul Clayton and Jim Skelly.

Next week, away to Chelsea (Sunday, 'B' team, home to Croatia (Saturday).

Any boys in this age group interested in playing soccer should contact Mr Kirk during Wednesday evening's training session, 6 pm, at North Seaford reserve.

UNDER-12'S

Being off the track for two weeks, the City goal-scoring machine came back with force, a force to be reckoned with as latest victims Doveton will agree.

The score of 5-0 in City's favor was a severe setback for Doveton, as in seven League games previous to Saturday's, the League leaders had lost only one goal.

Although City won well, the side didn't move as well as in previous weeks; perhaps this was due to the upsetting of the usual formation.

City went off at interval with a 3-goal lead, these coming from an own goal and two from James Rust.

The scoring was increased midway through the second half when captain John Stone scored from the penalty spot. Not to be outdone, brother Mark Stone scored a smart goal and showed how the Under-10's are also a nursery for good players.

★
The Under 12s played a sparkling game against speedy Doveton combine went down 3-1 after leaving early. However, the Devils Under-12's are at present team being made up of 9 and 10-year-olds as well as 12s, so did very well under the circumstances.

Best: G. Williams, P. Horton, G. Horton, N. Plas and S. Myles.

Under-10's 'A' visited Ringwood helmina at Ringwood Sunday and in a sea of mud had their first-round win 3-0 reversed by the score. Apart from the obvious improvement of the Ringwood side, the mud had the Devils beaten to start with.

Best for Devils: J. Williams, G. Horton, J. Coghlin, I. Blewhite and J. Dowber. Next game, 'A' team Langwarrin at home next day.

★
The Devils' B team played a thrilling cliff-hanger against an equally tenacious Frankston City B team, and although there wasn't any score, excited parents around the ground it could have been a Wembley cup final with a score 10 a piece.

A great game, and even on the ground best football day.

Next game for Devils team is against Frankston at home next Sunday. Kick-off 1 pm.

SOCCER CLUB ROUND-UP

This week Frankston City showed great improvement in all departments when they played at home to divisional leaders Waverley.

The defence line held firm against the strong young forward line from Waverley and for the first time in weeks dropped the habit of silly short passing clearances, which have cost them goals.

Frankston showed a great determination to win and gave Waverley no chance to organise play. The forward line combined so skillfully that Mail was able to snap in three beautiful accurate goals, and newcomer Walton scored one from a power drive that gave Waverley's keeper no chance.

Waverley scored when the ball rebounded from Papoutzakis' clearance but their second goal came from a very good shot.

The Frankston team work was so good that it is difficult to name outstanding players but of this excellent team the votes went to Schroeder, Hall, Finch, Mail.

Results: Frankston 4, Waverley 2. Frankston City plays away to Sandringham this week.

The Little "Red Devils" of Karingal United Soccer Club under 10's B team staged a cliff-hanging grand stand finish to take out their exciting game against Peninsula Soccer Club last Sunday.

scored through their centre forward. This seemed to inspire both teams and from then on the pace was red hot.

Again the Devils scored through John Murray only to have Peninsula come again to make it 3-2.

Towards the end of hostilities Peninsula scored once more, but Grant Martin got a late break and slammed home the winner to give Devils a red letter win 4-3.

Best for Devils: Tony Atlee, Rod Bradsworth, Russell Bexon, Nicky McNeil.

The Under 10 A had a runaway win over Mornington 15-1, with Johnny Dowber scoring six for the match.

The under 12 A team proved too good for the newcomers to Soccer in the under 12 B team and eventually beat them 8-1, but it is interesting to note that the B team, under Bob Head's one week of coaching, only let three goals in during the second period of the game, which shows

FRANKSTON CITY UNDER 12s

Backed by a secure defence of John Stone, Billy McAllaney and Paul Haace, City won their cup-tie against Mooroolbark by two goals to nil.

The score would have been greater were it not for crowding on the City forward line, the boys, hungry for goals, forgot about positional play in their over-eagerness. This gave the Mooroolbark defence a much easier task in clearing their lines.

City's first goal came at 20 minutes with an opportunist goal from Brian Skelly.

Piling on the pressure, City went further ahead with a good goal from James Rust, who beat three defenders to place the ball in the net.

Captain John Stone urged his forwards on for further scores, but bunching and over-eagerness denied them, as also did the clever goalkeeping of young Frost in Mooroolbark's goal.

Congratulations to Mooroolbark, a first year team, for a sportingly fought cup-tie.

Saturday's game is at Langwarrin, kick off 10.30 am. Boys meet at Cranbourne Rd, 10 am.

MORNINGTON

Although playing well, Mornington Soccer Club suffered a 2-0 loss against Corio, on a field in very poor condition.

The first half was even, with both teams having chances.

Corio would have led at half-time but for a brilliant save from Mornington keeper Ellis.

Corio opened the score midway through the second half and their second was scored shortly afterwards.

It was hard to single out individuals for Mornington but Hillman, Mair and Weeks went well in defence, McKelvie always looked dangerous on the forward line, and Woods gave his usual 30 minutes of non-stop football.

In the reserves Mornington went down by 4 goals to 1.

Mornington held their own early from Hillman but faded.

This Saturday Mornington travel to Ballarat and there are a few \$2 seats left on the coach for anyone wanting to travel with the team. Details from Geoff Coulter at Coulter Tyres. Phone 5 3744 (day), 787 2711 (evenings).

FRANKSTON CITY

Frankston supporters saw City playing with two centre-forwards, pressure the Park Rangers' goal from the kick-off.

Mick Bevis drew the Rangers' defence all afternoon to allow Graham Bauk to run riot and net two goals.

Trevor Parry, Mick Mail and Brian Finch gave good displays.

The Frankston forwards did not relent for a minute, and the Rangers' defence were forced into errors that resulted in three own-goals.

In the second half, City de-

fence, excepting Papoutzakis and Flynn, ran out of steam, allowing Rangers to reduce Frankston's 6-1 lead to 6-4. The final result was Frankston 6, Park Rangers 4.

★

In the reserve game Frankston 3 defeated Park Rangers 2. This team was hit by sickness, but Gerard Pask, George Quinnell, Roy Lymer, Derek Latimer and Geoff Bardsley showed out.

Next week City plays Ajax at Green Gully. Supporters who wish to travel by coach are asked to contact Mr D. Albers.

★

LANGWARRIN ALL STARS
Playing at home against Northcote City, All Stars ran out winners, 3-1.

They gained control of this game with a mixture of good soccer and determination.

Jack Morton, Josh Monty, Mike Emery and Jim Luca were outstanding in a good side.

All Stars are now unbeaten in eight games and will be hard to beat in their remaining fixtures.

Tomorrow (Thursday) there is a players' meeting at Barretts Rd. Would all players please attend.

★

PINES

Pines seniors had no game as Parkville failed to show. As Pines should be awarded the points from this game, all four teams now top their respective leagues.

At a grand social evening in the Masonic Hall on Saturday, July 13, Pines representatives for the Miss Victorian Soccer Quest were introduced to 200 guests.

All agreed that Misses S. Mason and L. Davis stand every chance of winning this quest.

★ Frankston City

City swamped Melbourne University with a 4-1 win and the resultant two points gained bring Frankston City within four points of the top of the Second Division.

In the first half City was a crisp football side, with a new-comer to the forward line, Lou Farcus cracking in two beautifully timed goals.

Graham Baulk was always dangerous near 'Shop's' goal and was credited with one goal in the first half and made another which was disallowed in the second half.

Michael Mail added another goal to his tally in the first half.

Both Tony Hall and Tony Valk had better games this week, though Valk did not begin to fire until the last 30 minutes.

With the gusty conditions prevailing on Saturday Bill Papoutzakis had to pull all the stops out to handle any shots at goal and was only beaten once by a high floating ball that had everyone beaten.

Although they soundly defeated Shop, City failed to capitalise on their chances and made no score in the second half.

Next week City are away at Brighton for what may turn out to be their most important match this year.

Tickets for the Frankston Supporters Dance are available from the ladies auxiliary and committee men.

★ Red Devils

Karingal United Red Devils
pressed home attack after

Rosebud pulled back their deficit with a goal straight from the restart after half time and this threw Mornington on the defensive.

The match finished with no more scoring from either side and both teams deserving credit for the way they handled the very difficult conditions.

Mornington

In the reserve game Army Apprentice School defeated Mornington by 3-1 which was fair indication of the play.

Mornington had their chance to score, but didn't take their whereas the Army did.

This Saturday both Mornington teams are away at Mooroolbark.

Karingal

The Under-14's were w beaten by a fine combination from Box Hill, 6-0, home last Saturday.

But, had the Red Devils not been short of their regular goalie, centre forward and inside right, they not had to fill in with the Under-12 boys, they could quite easily have been on the other foot and Karingal could have possibly been in the next round for the cup.

JUNIOR SOCCER

FRANKSTON CITY UNDER-12's

Even allowing for an inspired display of goalkeeping from Vandenheim, Langwarrin's under-12's were no match for Frankston City, who won 10-0 last Saturday.

The goal-keeping was of a high quality from one so young and, but for him, City forwards would have run up a cricket score.

City's defence of Billy McAllaney, Paul Haace, Wayne Bonnick and John Stone put in yet another accomplished game of teamwork. Indeed, it was the continuous pressure from Bonnick and Stone that kept the City forwards on their toes.

This was evident though, when the forwards, ably led by James Rust, scored at regular intervals throughout the match.

Goal-scorers: James Rust 4, Brian Skelly 3, Ian Kirk 3.

Saturday's game sees old rival Pines and City do battle at Pines, with the kick-off at 10.30 a.m. Boys

are to meet at Cranbourne Rd. at 10 a.m.

A Grade:—Although out-batting the opposition, fielding errors by the in-field let Frankston down. Lack of thought by inexperienced players resulted in the loss by 4-2 to Noble Park.

Best players: M. Barker, D. Leyshan, R. Chapple.

B Grade:— At home to Chelsea, Frankston were defeated 10-4 in a fiery game.

Best players: J. Chipperfield, R. Pulz.

Best players: C. Chipperfield, P. Cooper, J. Gilbert.

The juniors had too much ability an experience which resulted in only 3 innings being played with the end result being 15-2 against Noble Park. This game was a good percentage builder.

All players must be at the ground, by the latest, at 12.45 p.m. Those who are unavailable for Saturday's games should let your captains know as soon as possible.

SOCCER

Frankston a city of soccer talent

Following a full weekend of sparkling soccer at both junior and senior level, officials of all district clubs are convinced that the City of Frankston contains more soccer talent than any area in the metropolitan area and that any representative XI chosen from any age group within the four big clubs — Frankston City, Langwarrin Allstars, Pines Forest and Karingal United's Red Devils — would literally outclass any team in Victoria, or interstate for that matter, whenever the game could be arranged.

In just three short years juniors of three of the clubs mentioned have gone from mediocre, scrappy kick and rush tactics to splendid scientific soccer combinations that are delighting large crowds of parents and supporters each weekend.

In the Red Devils' under-10 "A" match against the Frankston City "A" team, played last Sunday, Ian Ebbelwhite scored for the Devils and Frankston got the result by the narrow margin of 2-1.

Best for Devils: Gary Horton, Peter Ramsdale, Steve Myles, John Dowber, Greg Langford and Nigel Plaskett.

Next game against Frankston under-10s' "B" at Frankston.

The under-10s' "B" team gave an excellent account of itself by only going down 4-1 to a powerful Doveton combine at Doveton.

Best for Karingal: Dave Hindson, talented goalkeeper, Jerome Witzand, Neil Shepherd, Rudi Stryk, Mike and Peter Ryan, and Craig Williams. Nicky McNeil also played extremely well.

Next game is against Frankston Pines at home.

The Red Devils' under-12s surprised Frankston Pines on that club's difficult ground by putting up a great fight. Results: Pines, 4 d. Devils, 1. Goal: Peter Horton. Best: Graham Williams, David Anderson, Peter Horton, Vas Vasiliou, Larry Morris and Terry Diggins.

Next game against Doveton at home.

Under-14s lost 12-0. Best: Jacka Garnett, Andrew Smith, Dave Burgess and Paul Coughlin. Next game against Springvale away.

Members of the committee are asked to attend a special meeting tomorrow (Thursday) at 8 p.m. to discuss the Karingal Football and Recreation Club's suggestion for a combined presentation night on September 21.

JUNIOR SOCCER

Frankston City 4 de-
feated Springvale 0 in
junior soccer last Satur-
day with a hat-trick to
Ian Kirk.

Even allowing for illness
and injuries City was still
able to field a strong side
against Springvale at North
Seaford.

Playing with the wind
first half, City showed its
superiority in field tactics
by scoring three good
goals, two of these com-
ing from the boot of Ian
Kirk, who gave a most
pleasing display at outside-
right.

Further evidence of this
was seen in second-half
when in one breakaway
Ian, showing perseverance
against odds of Springvale
defence, battled through to
register a "hat-trick."

Other goal scorer was
Jim Rust.

A return of form by
Stone tightened up City
defence, who all played
well to keep Springvale
scoreless.

more confidently and soon
took the lead again when
pressure from Skelly caused
the centre half to put the ball
into his own net.

Doveton tried desperately to
equalise but the City defence,
with Clayton again a tower
of strength in the middle, held
out competently.

The Under 10s, playing at
Pines last Sunday morning,
had a hard and strenuous game
against worthy opponents, re-
sulting in a 1-1 draw.

With constant regularity
the game swung from end to
end, with neither team giving
anything away, and at half
time there was no score.

Carrying on in the same
manner in the second half,
both teams fought vigorously
for the ball, until Pines opened
the score with a shot that
went across the front of the
goal and just screwed inside
the post with the Frankston
City goal keeper being un-
sighted by one of his own
players.

Undaunted, City swung
straight into the attack and
eventually equalised after a
ball from the sidelines was
sent goalward, with Robbie de
Jong pushing it in.

Good work from all the City
team, in particular A. Miller,
R. de Jong, O. Leenstra, N.
Burgess, A. Piper and T. Mc-
Leland.

Frankston

Under 12s 3 v. Melbourne
City 2 was a soccer feast.
Scoring was opened by Glen
Ashton for Frankston in the
first half with Melbourne
equalising just before the half
time whistle.

The second half saw Mel-
bourne one ahead of Frankston
but Brian Shelly soon put
Frankston on top with two
great goals.

Special mention must be
given to the great play of
young Frankston new boy
Brian Hogg.

This is a well drilled Frank-
ston side who await their Cup
opponents this Saturday.

ocket Karingal held on to win
the game. Boys from both sides
did well.

Final scores: Karingal 11-7
(73), Frankston East 8-5 (53).
Goalkickers: L. Gross 6, M.
Moss 2, A. Hunter 1, R. Gib-
son 1, A. Robinson 1.

Next game, Karingal v. Rose-
bud at Rosebud on Saturday.

Under 12's playing at the
Pines oval. Pines won the toss
and kicked with a slight wind
assistance.

The first two quarters Karin-
gal played great football with
their handball functioning per-
fectly and every player doing
his part well.

But they could not score
goals, because the forward line
was not kept open.

In the second half the
Karingal lads tired slightly
but they fought it right out to
the finish.

With two games played, the
Karingal boys are improving
and it won't be long before
they record their first win.

Final scores: Pines 3-5 (23),
Karingal 0-2 (2).

Best players: J. Ferrier, P.
Bedford, B. Lindsay, W. Stanis-
street, D. Cooper, S. Gains.

Under 14's had a bye last
week. Under 14's next game
is against East Frankston at
Werland Park on Saturday 9.15
am.

Mornington soccer

Last Saturday, at Monash
University, Mornington Soccer
team went down 4-1 although
they display a heartening pur-
pose in their play.

With first use of the wind
Mornington had more of the
ball than did their opponents
and shou'd have opened their
score but Smith delayed his
shot and allowed the goal-
keeper to save.

Monash opened the scoring
when their inside right shot
into the net with goalkeeper
Eliis unsighted.

Mornington equalised soon
after when Donaldson received
from Smith and pushed the
ba past the advancing keeper.

The levelling of the scores
was short-lived as within
minutes University had col-
lected another from a disputed
penalty from hands.

In the second half Monash
added two further goals while
Mornington never put in a
worthwhile shot.

At 10 am the Queen's Birthday, the Victorian Coaches Association will hold a coaching seminar on the North Seaford ground.

This will be followed at the normal kick-off time, 2.45 pm, by the important Dockerty Cup game Frankston City v. Waverley.

UNDER 16's

City's Under 16's were hosts to League leaders Sandringham last Saturday and came out on top, three goals to nil.

This was a team effort and every player from goalkeeper Steven Evans to left winger John Effern played his part well.

City's back line of Richard Parry, Paul Clayton, Robert Hearn and Bernhard Monty stood up to every attack the Hammers threw at them.

And the constructive link-up play of David Orwell and Glen Kirk provided the forwards with more opportunities than in recent weeks.

City's twin strikers, Nicky Starczewski (two goals) and John Monty, playing his best game for weeks, provided the scoring, assisted by excellent wing play from Jim Scelly and John Effern.

Not one free kick during the entire game was a credit to both sides.

City has drawn Western Suburbs champions Ardeer in the second round of the Cup. This game will be played at North Seaford Reserve on Monday, June 10, at 1.15 pm.

UNDER 12's

Frankston 4 d. Springvale 0. Frankston's boys again proved they will be hard to beat in Under 12 ranks with a good 4-0 win over Springvale on Saturday.

Goals from Tim Rust and Ian Kirk saw Frankston two up at half time. Ian Kirk went on to complete a hat trick after half time to give Frankston their 4-0 victory.

When Frankston's right wing approach, it was noticeable that the defence immediately was drawn like a magnet and the middle was wide open for a quick switch of attack.

However the Noble Park goalkeeper was in fine form and saved many sharp shots in spectacular form.

He could do nothing about K. Hill's screaming 20-yarder in the first half or Col Lambert's header from a Starceki centre in the second.

Best for Frankston were: Joe Mendulos, Col Lambert, Nicky Starceski, Jim Skelly, Kevin Hall and Graham Disney.

The next game is against Sandringham away.

KARINGAL UNITED RED DEVILS

All Karingal United 'Red Devil' Junior players will parade at Olympic Park part of the attraction which Cardiff City, the Welsh Second Division Soccer Club play Victoria next Sunday afternoon.

The 'Red Devils' four teams will join 3000 other junior players in a march past just before the kick-off and the boys will be given a special section of the ground to view the game.

The club asks any parents who can help with transport to be at Cranbourne Rd. Reserve Ground at 11 am.

Boys should bring some lunch and be at the ground at 10.30 am to change into their outfits.

On Saturday, all teams will report at the home ground as usual for games. KO 10 am.

And on Monday, the Queen's Birthday Holiday, boys will also report to home ground at 9.30 am to attend a soccer coaching course hosted by Frankston City Soccer Club.

All-district soccer

The details of soccer games given below comprise a round-up of district matches played last weekend.

SENIORS Frankston City

Frankston confirmed their return to form with a convincing 3-0 victory at Waverley. This win consolidates Frankston's position in the middle of the second division table, only five points less than the leaders, Kellor City.

After a nervous ten minutes, when City were all at sea, they settled down to overwhelm the vigorous Waverley side, with good football. Brian Finch opened the account with a goal scored from Michael Mail's corner kick.

Mail seems to have found his niche at right wing and scored Frankston's second goal. This goal was the combination of very good football.

Brian Woodgate received a long, high pass down the middle and back-headed the ball to Graham Bauk who steadied and pushed the ball through to Mail, who made sure of the result.

The third goal can almost be classed as a lone goal from Trevor Parry who came from the wing, beat the opposing full back, found the goalkeeper out of position and blasted the ball into the net.

City, however, did not carry the game on to what should have been a 6-0 victory, and the fault seemed to be in the half-back line.

Neither wing half was playing well. Tony Valk, back in the side after being out for two weeks through injury, seemed out of touch. Valk, who has had an excellent season to date, could not handle the muddy conditions and Tony Hall allowed the Waverley forwards far too much space in which to manoeuvre in the mid-field.

Nigel Bevis was the only half-back to function for the full 90 minutes, since his inclusion at centre-half, the whole of the Frankston defence has tightened.

In the last 20 minutes Frankston City lost concentration and while they were too far ahead to be beaten they may not be so lucky next time.

In the reserves game City were one down just after half-time, but fought back to win 3-1. All three goals were scored by Lou Farcus, two of them from a penalty taken with the aplomb of a veteran.

Gerard Pask had the left field tied up, but some of those passes were so casual they hardly moved. John Butterfield played his position well as did Geoff Bardsley in goal.

Frankston's Third Senior side, in the district league, under captain - manager

"Littlejohn" Le Hup, defeated Mooroolbark 2-1.

Selectors would do well to consider several players from this team to bolster weaknesses in the firsts and reserves.

Next week Frankston seniors are at home to Melbourne University. University is always an unpredictable side and will be tough opponents.

Supporters are reminded that tickets for the club dance on May 31 are now available from committeemen and the ladies auxiliary.

Langwarrin

Fortune, like the weather, was fickle for the All Stars Club Seniors, playing at home they lost to Chadstone 5-2.

The first half was good fast soccer, but the second half saw a surprising decline of the Langwarrin combination.

One highlight was the superb goal engineered by Barry Boulton and executed by Mike Emery.

Pines

All four Pines teams again emerged undefeated for the third week in succession. This week the goal tally was 31 for 4 against.

Seniors 4 d. Fishermens Bend 0. This was a keenly contested game, thoroughly enjoyed by the large number of spectators present.

Pines played very good soccer against pretty stiff opposition, and it was a treat to watch the forwards at last chasing and fighting for the ball, but they are still not following through until every ball is either cleared, or goes out of play.

The benefit of this was shown when J. Ward chased what looked to be a safe ball, and was on hand to put it in the net as an awkward bounce beat the goalkeeper.

Pines defence was outstanding in the first half, but gave the spectators a few anxious moments in the second half. G. Paulding was again the rock that the opposition's attack perished on, and he was more than ably backed up by J. Godwyn, B. Jackson, D. Bonar, L. Woodward, A. Fairclough and W. Lewis.

The forward line, although fighting harder this week is still not knitting together as they should. The understanding they have during training seems to vanish when they play on a Sunday. The ability is there, it is just a matter of blending them together to bring out the best they are capable of.

J. Ward and T. Tennant played extremely well and gave GMH defence a very unhappy day.

Scorers: J. Ward 2, W. Miller, J. Johnstone.

Best for Pines: G. Paulding, J. Ward, B. Jackson and D.

scored another eight goals without reply from Karingal.

Only some good saves by the Karingal keeper stopped the Pines scoring many more goals.

Scorers: G. Watson, M. Fitzmaurice, C. Parry, J. Stewart, A. Simic 2, W. Kielej. Under 14s 11 d. Chelsea 0.

Although this was a friendly match, Pines took it seriously and gave nothing away, at times they played superb soccer in midfield that had a good crowd of spectators from both sides applauding loudly.

The final score of 11-0 does not do full credit to a Chelsea team that never gave up trying, and played cleanly throughout the match. This team of Chelsea's is full of potential and will improve with match practice.

Frankston Tech.

Playing sparkling soccer, Frankston Technical School took out yet another victory on its way to the Metropolitan Schools Championship with a tremendous 3-0 win over fancied Clayton last week.

The score was 0-0 at the half-way mark and Tech had not found the combination trick to open up the Clayton defences to that stage.

However, Con Gementzis (capt.) and Kev Hill combining with Col Lambert soon made short cuts down the right wing in the second half and goals came brilliantly from blinding shots from the boots of Grant Libator, Jimmy Skelly and Col Lambert. Clayton went to pieces altogether and only great goal-keeping kept the score down to 3 nil.

Next match for Frankston (after school holidays) against Aspendale at home.

Best for Tech.: Col Lambert.

K. Hill, J. Efferen, N. Starceski, J. Mendulas and D. Disney.

Karingal

In a game that could have gone either way right to full time, Karingal United 'Red Devils' went down 1-0 in a sparkling game against Springvale played at Cranbourne Rd. Reserve last weekend.

The 'Red Devils', minus their key player Jerome Witzzen in the centre half position, kicked off and immediately went into attack but found Springvale keeper a hard man to beat when shots by Williams, Horton and Coughlan were pulled down in great fashion just when they appeared to be in the net.

Gary Horton in the 'Devils' goals then had his share of the attack from Springvale to cope with and great saves kept a clean slate for the Devils at the half way mark.

Halfway through the second half a positional mistake by the 'Devils' back line left the Springvale winger unmarked and he moved on to the ball and slammed it into the net to register the winning goal for Springvale.

Karingal fought back with Williams, Bierman and Myles getting in cracking shots only to see them cleared in almost miraculous fashion by the 'Vases' goalkeeper.

Result, Karingal nil, Springvale 1. Best for Karingal: G. Williams, G. Horton, S. Keeley, S. Myles and F. Vandeldon.

The Under 14s match against Pines at Pines was an even struggle to the half way mark with Pines just leading 3-2.

● Contd. on P 31.

District soccer . . .

SENIORS

PINES

Pines, with three first-team players missing, had four positional changes before the game, and went down 2-1 to Chadstone.

Pines did not follow up on any of the loose balls and lost numerous chances. If all Pines' players had shown the effort and eagerness of skipper G. Paulding, the game would have been well and truly won in the first half.

The two goals that beat Pines were both mistakes by the keeper, who seems to lack confidence when he has to come out for the ball. Pines' goal was a penalty kick awarded when a defender handled a shot from P. Cassop which was going into the net. T. Lynch converted the kick.

Best for Pines were G. Paulding, T. Lynch, J. Ward.

FRANKSTON CITY

Frankston went to Brighton last Saturday and broke an 11-year-old hoodoo by defeating the home team 3-1.

Played in bleak conditions with nothing to break the fury of the elements, the first half was dominated by City. The Frankston attack is beginning to fire with deadly accuracy.

The first goal came from a cross by Trevor Parry on the left wing to Graham Baulk who saw Stewart McLean unopposed in front of goals and gave him the ball to make it 1-0. The second goal came from Brian Finch assisted by Baulk, and the third goal came when Lou Farcus at centre forward passed the ball to Baulk.

Nigel Bevis did well at centre half, and Tony Flynn and Mick Benton were safe and sure in defence. Highlight of the game was the amazing save by Bevis. Bill Papoutzakis, caught out of position in a scramble in front of goal, gave Brighton the chance to lob the ball towards the undefended City goal when Bev-

is streaked in and shot the ball skywards to save the day.

Brighton scored from a penalty only 15 minutes from the end. As far as Frankston was concerned, the second half only served to prove that they must bolster the defence, which shows signs of cracking when the pressure is applied mid-field and in the goal area.

In the Senior Reserves game, played under almost gale conditions, the result was a fair 0-0 draw. The sure handling of the ball by young goalkeeper Geoff Bardsley was most impressive in these trying conditions.

Next week, Frankston City plays at home to Richmond. Supporters are reminded that the club dance will be held on May 31 and there are still a few tickets available from the ladies' auxiliary or committeemen.

PINES

Under-10's. — Pines played three games in the W. Rigby Cup, winning two and losing the all-important one. The two early wins were against Langwarrin and Karingal, scoring 4-0 in both games.

The match of the day was Pines v. Frankston City, the City winning 1-0. City scored from a nice shot from the 18-yard line early in the second half. As holders of the W. Rigby Cup, Pines were reluctant to part with it, and they put up a good display against a team that justly deserved their win.

M. Sharp improves with every game, and K. Woodward gave his best display yet in the game against Langwarrin. Goalkickers for the Pines were W. Effer 4. and G. Woodward 4.

Under-14's. — Frankston have really found renewed strength and Pines could not master the wind in the first half and there was only one goal scored — by Watson of Pines.

Langwarrin All Stars' efforts to rebuild their teams have shown results in every aspect except victory.

Under-10's in a good match against Karingal lost 6-nil. Improvement in the team was marked in the second half with only one goal scored by the Red Devils.

Under-12's lost to a fast and skilful Pines combination in a game also marred by windy conditions. To continue the sorry tale, All Stars under-16s lost 6-0 to a good Sandringham side.

Changes to Sandringham after half time yielded the opposition 8 goals.

All Stars' under-16 team is improving, and if this continues they will trouble future opponents. Best players were Paul Lawton, Steven Freeman and Stephen Huffer.

The recent rains are bringing out the grass, sown a month back, and the new goalposts for the lower ground should be up before time, though it may be July or later before this ground could be used for play.

The club committee will meet on May 9 for their monthly meeting.

FRANKSTON CITY

Frankston City fielded three senior teams and three junior teams last weekend. The under-10's were drawn for a bye.

From the six games they had, the wonderful tally of 34 goals to their credit, with only 9 goals on the debit side.

The renaissance of Frankston City was evident when the senior club met and defeated Ajax.

In the reserves game, Martin Leenstra banged in two fine goals and John Butterfield scored 1. There were many highlights in this game but one of the most outstanding was the goal scored by Leenstra from a penalty.

City fans are well acquainted with the power of his player's direct kick, and perhaps his fame has spread, for the Ajax goalkeeper simply "chickened out" when faced with Leenstra's shot.

Newcomer Lew Farcas played at centre forward, and given a couple of weeks to settle down will surely be an asset to Frankston.

It was good to see one of City's home-grown young players, Robert Mould, making his debut on the reserves side this season, at centre half.

Tom Flynn, Geoff Bardsley and John Butterfield got the votes for the most constructive young players in the side.

Results: Frankston City Reserves 3, Ajax 0.

The senior game turned out to be a torrid affair, somewhat marred by incidents, too many to mention. It was evident from the start that this was Frankston's day, with Ajax trying to strong-arm City into error.

Brian Woodgate opened the account with a free kick from 30 yards out when he cannoned a shot off an Ajax defender and scored. Brian Finch got just reward for his tireless bustling activity with two snip goals. Graham Baulk, who has made so many openings for Frankston attack, capped his efforts with a "cheeky chip" shot over the Ajax goal-keeper to make it 4-0.

Stewart McLean did not have

one of his good games but was in the right spot at the right time and scored two goals to make it 6-0.

City still need more 'tiger' in nearly every position. In the second half they almost let Ajax get back into the game and only the aggressive style of Woodgate braced Frankston and prevented a breakdown.

Next week, Frankston City plays away at Waverley.

City under-16's, playing at home to Chelsea, repeated last week's performance by winning 7-0.

Dominating play from the kick-off, they gave their best display of soccer to date. The inside forward trio, Kirk, Monty and Stanczewski made no mistake with the opportunities given and at half time the score was 4-0.

After the interval, City applied more pressure and when Monty and Kirk soon completed their hat-tricks there was every indication that double figures would be reached.

This didn't happen as the forwards marred their earlier performance by wasting some chances in front of goal instead of passing to a better positioned colleague.

Great credit must go to the City defence for a faultless performance, with centre half Paul Clayton outstanding.

An indication of their supremacy is shown by the fact that the City keeper only touched the ball twice during the match, and did not have to take one goal kick — surely a record.

Next Saturday, City v. Doveton at Doveton.

FRANKSTON

Frankston under-12's 12 d. Karingal 0.

This was a rather easy game for the more experienced Frankston side and Karingal were unfortunate to get Frankston in a goal-hungry mood.

Frankston forwards Jim Rust, Brian Skelly and Ian Kirk are bent on beating Waverley's goal average before meeting them in two weeks' time, and with the clever defence work of John Stone, Paul Huce and Bill McAlaney they piled on the pressure and played excellent soccer to win very conveniently.

Under-10's had no fixture last Saturday. Next Sunday they will be playing at the Pines. Kick-off, 10.30 a.m.

All boys must report for training at 9 a.m. Saturday, May 11, when the team for the following day will be announced.

KARINGAL

Karingal United 'Red Devils' once again produced some top-class soccer to register a terrific win over local rivals Langwarrin All Stars last Saturday before a good crowd of supporters on Langwarrin's home ground.

Starting for Karingal in his first full game of the season, Ian Ebbelwhite got a hat-trick of goals in the centre-forward position and was ably assisted by Greg Langford with two to his credit and Johnny Dowbar who netted one in typical swashbuckling style after a brilliant dribble through a packed Stars defence.

Although defeated, the All Stars never gave up trying to break through, and but for courageous goalkeeping by Gary Horton they may have managed to score a few.

The Red Devils' backmen Rudi Stryk and Martin Bier-

man were in fine form and kept their positions well whilst Jerome Wizen (capt.) and his 'merry men', David Luca and Robert McNeill, tackled the hard-working Stars forwards with clever anticipation reminiscent of the top stars of the game of international soccer.

The forwards can thank their wingmen, M. Ryan and D. Hindson, for providing them with a stream of accurate passes, which enabled them to score freely.

Although he did not score, Craig Williams put in his best game to date and is a real find for this splendid 'Red Devils' combination.

Goals: I. Ebbelwhite 3, G. Langford 2, J. Dowbar 1. Best: J. Wizen, C. Williams, D. Luca, M. Bierman and J. Dowbar.

In the under-14's game against Frankston City Soccer Club played at Cranbourne Rd Reserve, Frankston won the toss and elected to use the wind, which was blowing a gale.

Karingal 'Devils', with only nine players owing to sickness in their ranks, forced the pace and attacked continuously but try as they might they could not find the net.

Frankston were much slower to the ball at this stage and Karingal's linkmen outplayed them and sent a torrent of good passes out to the wings, only to see them wasted because the wingmen were elsewhere.

Frankston went ahead by wrong-footing the Devils' defence and a sudden switch of attack brought them a good goal. However, the Karingal team pounced back into attack and only great acrobatic goalkeeping by Frankston saved them from being a couple down.

Three minutes from half time, Frankston, using their 2 extra loose men, again found the net and went to a 2-nil lead.

At the resumption of play, Karingal began to wilt badly and players began to bunch up in defence in an effort to stop the Frankston forwards breaking through.

This was a mistake by the Karingal players because they did not realise that with only nine men against 11, attack was their best defence, and their game should have been kept open and concentrated down the wings and over the centre in Frankston's goal-mouth.

Frankston capitalised on this congestion by driving home three more goals, but the Red Devil then woke up to what they had to do and scored twice through Graham Williams and Steve Timmens.

Unfortunately their inspiration came too late and the whistle sounded with Frankston winning 5-2. Best for Karingal were Graham Williams, Stephen Keeley (capt.) and Keith Cookson.

The under-12's were badly beaten by Frankston City at Frankston ground but poor refereeing certainly contributed to their downfall, with six goals being scored from goal-kicks when the ball had not left the penalty box, and two that were offside and another after the goalkeeper was fouled and lying injured in his goal-mouth. Result: Frankston 12, Karingal nil.

In an exciting game last Sunday at Seaford reserve, Frankston City played a friendly game against the Red Devils under-8's and won well 7-

Frankston City

Frankston City's game against Waverley this weekend, played in almost gale conditions, clinched City as a contender for promotion to 1st Division this year.

The strength in City's half-back line, Nigel Bevis, Thompson and Schroeder, was apparent from the start, and with Finch sparking the forward-line, Frankston was obviously the better side and had the edge on Waverley all day.

City's inaccuracies in front of goal kept the tally to a modest 4-3 result.

Goalscorers: Baulk, Parry 1, Mail 2. Best: N. Bevis, Finch, Thompson, Mail.

The Reserves held their high position on the ladder by winning 3-1. Goal scorers: Farcus, Gussenhoven and Pask.

Frankston 3rds soundly defeated Mooroolbark 8-1.

SOCCER ROUND-UP

All Stars

The senior team started the ball rolling by losing in a very good game against Parkville 5 goals to 2.

The under 16 team in a thrilling battle against a skillful Doveton team were defeated by 8 goals to nil. However, as the under 16's were formed but 2 days before the match the result was not so bad as the score suggests.

Several games together will make 11 individuals into a team which will pose a threat to all other teams.

Defeat was also the lot of the under 12's at Springvale by 4 goals to nil, all scored in the first half.

Sterling work by the goalkeeper kept the score to this figure and not one Springvale shot penetrated the All Stars net in the second half.

The under 10 match on Sunday morning in windy conditions saw yet another defeat for All Stars by Doveton 7 to nil.

All at Langwarrin are sure the youngest teams will improve as the season progresses. At the All Stars new ground in Barretts Rd., the foundations are down for the new dressing sheds and shower block, and this week the new basketball courts will be started.

After the rain grass is showing on the soccer pitches and next season should see a thriving sporting centre at Lawton Park.

A social evening will be held by the Ladies' Committee on Friday, April 26 at 8 pm at the new ground.

The ladies basketball team at least improved on the boys by recording 1 draw. Results were: Senior team No. 1 lost to Somerville, and Senior No. 2 team drew in their match against Karingal.

Junior's team recorded a 6 to 22 loss against YCW. YCW team defeated sub junior All Stars by a margin of 24 to 8. Despite the defeats all concerned are sure the new coach and the girls happy enthusiasm will show through and the teams will find winning form.

New players are welcome at Langwarrin for all teams and they would be delighted to see and hear more supporters.

Frankston City

This week Frankston City Soccer Club broke their drought when they met Albion Rovers at Frankston.

Additions to the reserve side this week were Arthur Cook and Mick Bevis. Bevis acted as spearhead at centre forward and Hans Gussenhoven forced the play his way so that Bevis was able to net 6 goals.

City mastered the game and gave Albion Rovers a lesson

in the art of soccer when Michael Mall, Trevor Parry and Peter Smith each added a further goal to the score. Result — Frankston City 9, Albion Rovers 0.

Albion Rovers 1st eleven were second on the divisional ladder but lost their place when Frankston City showed just a semblance of their true form. Brian Finch made a welcome return to the 1st eleven, after three weeks on the sick list. Brian Woodgate, who had starred on the reserve side deserved his game in the firsts.

Two minutes after kick-off Albion Rovers had scored their first goal and Mick Benton, full back, had equalised for City from the half line.

Tony Valk played one of his best games in a role, new to him, as centre-half. Brian Finch gave impetus to the right wing and capped his day by putting City ahead with his goal.

Albion Rovers fought on and at half-time the score was 2 all.

After half-time the supporters waited anxiously for the appearance of the half-time blues, but Brian Woodgate took the ball on a 30-yard burst, through the centre, on his own and grazed the ball through the upstitch fingers of Albion's goal-keeper.

The game stayed exciting and Bill Papoutzakis made a beautiful one-handed save of an indirect free kick awarded to Albion. Graham Bauik did everything right, and Albion goal-keeper worried throughout play, but was unlucky and failed to score. Altogether City operated better to the wings than in past weeks, and Nigel Bevis, on the left, showed his improvement with his centres.

The whole team showed better fighting spirit and look forward to a good away game at Park Rangers next week with at least three goals from Graham Bauik predicted.

★
City's Under 16's entertained Dandenong in the opening league fixture of the season last Saturday and, in blustery conditions, Frankston per sister in ballooning the ball around the ground instead of playing on the carpet.

Dandenong players adapted themselves better to the conditions and consequently banged in two quick goals in the first 10 minutes. City began to come more into the picture and although Dandenong scored a breakaway goal, half-time came with City fighting back well.

In the second - half, City were all over Dandenong and inside-right Glen Kirk from a good through ball from Nick Starczewski, banged home the

first goal. Five minutes later centre-forward John Monty was pulled down going through — he made no mistake with the resulting penalty-kick. City did everything but get the equaliser and went down fighting two goals to three.

Under 10's — Wilhelmina 0 Pines 4. Pines played well in their first game and in the second half goals by W. Efferm 2, C. Stewart and P. Merton gave Pines a well deserved victory. Best for Pines, Efferm, Woodward and Spencer.

U12's v. Frankston City. Pines started very well and had some very good moves, but broke down in front of goal. It was a ding-dong battle for the first 20 mins. then a misunderstanding in front of goal gave Frankston City the chance to score which they very promptly seized upon.

Second half saw no further goals being scored, and Frankston being better on the day had a very deserving win. Goal-keeper for the Pines, G. Todd, played a good game and saved the Pines on numerous occasions. Best for Pines G. Woodward, M. Riley, J. Cameron.

Under 14's had no game as Mornington failed to show.

Seniors v. South Dandenong had a very easy win over a newly formed club. The final score of 10-0 does not give a true second of the endeavour and hard work put in by South Dandenong side.

Goal scorers were J. Johnstone 2, B. Jackson 1, D. Bonar 1, P. Brasley 1, W. Miller 2, T. Tennant 1, J. Ward 2. Best for Pines G. Paulding, D. Bonar, W. Lewis.

Karingal Reds

Karingal United 'Red Devils' Under 12s played some brilliant patches of soccer in their first

league fixture against Waverley at the Waverley ground but, despite a might effort by the team they were downed 2 nil by a more experienced side.

Kicking against the wind for the first 30 minutes of play Karingal found it hard going getting into stride and Andre Linnel playing between the 'sticks' had a busy period making many fine saves. Other outstanding performances were made by Frank Melein and Brett Mugeridge in the back line, and Graham Williams and Peter Horton in the forwards.

Shaun Keeley, Jerome Wilzen and David Luca all gave fearless in tackling for possession of the ball. Much has to be done this Thursday in training to develop the team-work of this side who need to open up their game by learning to keep their positions better and pass the ball more accurately to make short cuts to the goal.

Players deserving a mention were Johnny Dowber, Brian Webster and Steven Myles.

The Under 10's had a hard struggle against Frankston at Cranbourne Rd. Reserve with Frankston winning 9 nil. Despite the high score Karingal fought well but again have to learn that they cannot all chase the ball in soccer leaving huge gaps in their defence for their opponents to run through and score at will.

Best players for Under 10's were: Robert McNeil, Greg Langford and Martin Beirman.

Frankston 4 d. Springvale 0.

Frankston's boys again proved they will be hard to beat in Under 12 ranks with a good 4-0 win over Springvale on Saturday.

Goals from Tim Rust and Ian Kirk saw Frankston two up at half time. Ian Kirk went on to complete a hat trick after half time to give Frankston their 4-0 victory.

This forward line is improving week after week.

Next match is a Cup game against Mooroolbark at Seaford on Saturday at 10.30 am.

UNDER 10's

Frankston City Under 10 (A) beat Karingal 1-0 last Saturday to maintain their unbeaten record.

In very windy conditions and against a vastly improved Karingal defence, City tried everything to get the ball into the net.

Frankston City

Frankston City Under-10's paraded resplendent in their new blue and gold strip, presented to them by the ladies' auxiliary, last Sunday afternoon when they played host to South Sunshine in the first round of the Junior Cup competition.

A heavy pitch, with intermittent rain and a very strong wind, made the ball difficult to control, but constant pressure by Frankston kept the ball in the Sunshine half for most of the game.

Frankston were unfortunate not to cross over with a substantial lead, and the Sunshine goal bore a charmed life until half way through the second half when Mark Stone scored Frankston's only goal and put them into the next round of the cup.

Most prominent in the Frankston team were A. Miller, P. Woodley, P. Nalty, M. Stone, R. de Jong, A. Piper and P. Woods.

Next Saturday the Under-10's are at home to Wilhelmina; kick-off 10.30 a.m.

Frankston Reserves also had a good day, beating Melbourne University Reserves 4-0. City Reserves, strengthened by Tom Newbiggin, gave no quarter and ran off easy winners.

Frankston 3rds (Flinders Division) also played at home to Melbourne University. City's superior skill with the football showed in the result — Frankston City 4, Melbourne University 2.

Captain "Little John" Le Hup must be pleased with his team's performance over the last few weeks.

Scorers: T. Tennant, W. Lewis 2.

Frankston City

City swamped Melbourne University with a 4-1 win and the resultant two points gained bring Frankston City within four points of the top of the Second Division.

In the first half City was a crisp football side, with a new-comer to the forward line, Lou Farcus cracking in two beautifully timed goals.

Graham Baulk was always dangerous near 'Shop's' goal and was credited with one goal in the first half and made another which was disallowed in the second half.

Michael Mail added another goal to his tally in the first half.

Both Tony Hall and Tony Valk had better games this week, though Valk did not begin to fire until the last 30 minutes.

With the gusty conditions prevailing on Saturday Bill Papoutzakis had to pull all the stops out to handle any shots at goal and was only beaten once by a high floating ball that had everyone beaten.

Although they soundly defeated Shop, City failed to capitalise on their chances and made no score in the second half.

Next week City are away at Brighton for what may turn out to be their most important match this year.

Tickets for the Frankston Supporters Dance are available from the ladies auxiliary and committee men.

Red Devils

Karingal United Red Devils pressed home attack after attack against the tough and rugged Pines combination last

more scoring from either side and both teams deserving credit for the way they handled very difficult conditions.

Mornington

In the reserve game Ar Apprentice School defeated Mornington by 3-1 which was a fair indication of the play.

Mornington had their chance to score, but didn't take it whereas the Army did.

This Saturday both Mornington teams are away at MCoroolbark.

Junior

Karingal

The Under-14's were beaten by a fine combination from Box Hill, 6-0 home last Saturday.

But, had the Red Devils not been short of their regular goalie, centre forward and inside right, not had to fill in with the Under-12 boys, they could quite easily have won on the other foot and Karingal could have possibly been in the next round for the cup.

Best for Karingal: Horton, G. Williams, Burgess, A. Linnel and Garnett.

Next week, the Under-14's play in the W. Rigby cup against Pines, Langv and City.

Under-12's play warrin Allstars at Larwin.

whilst Jerome Witzon (capt.) and his 'merry men,' David Luca and Robert McNeill, tackled the hard-working Stars' forwards with clever anticipation reminiscent of the top stars of the game of international soccer.

The forwards can thank their wingmen, M. Ryan and D. Hindson, for providing them with a stream of accurate passes, which enabled them to score freely.

Although he did not score, Craig Williams put in his best game to date and is a real find for this splendid 'Red Devils' combination.

Goals: 1. Ebbleswhite 3, G. Langford 2, J. Dowbar 1. Best: J. Witzon, C. Williams, D. Luca, M. Bierman and J. Dowbar.

In the under-14's game against Frankston City Soccer Club played at Cranbourne Rd Reserve, Frankston won the toss and elected to use the wind, which was blowing a gale.

Karingal 'Devils', with only nine players, owing to sickness in their ranks, forced the pace and attacked continuously but try as they might they could not find the net.

Frankston were much slower to the ball at this stage and Karingal's linkmen outplayed them and sent a torrent of good passes out to the wings, only to see them wasted because the wingmen were elsewhere.

Frankston went ahead by wrong-footing the Devils' defence and a sudden switch of attack brought them a good goal. However, the Karingal team pounced back into attack and only great acrobatic goal-keeping by Frankston saved them from being a couple down.

Three minutes from half time, Frankston, using their 2 extra loose men, again found the net and went to a 2-nil lead.

At the resumption of play, Karingal began to wilt badly and players began to bunch up in defence in an effort to stop the Frankston forwards breaking through.

This was a mistake by the Karingal players because they did not realise that with only nine men against 11, attack was their best defence, and their game should have been kept open and concentrated down the wings and over the centre in Frankston's goal-mouth.

Frankston capitalised on this congestion by driving home three more goals, but the Red Devils then woke up to what they had to do and scored twice through Graham Williams and Steve Timmens.

Unfortunately their inspiration came too late and the whistle sounded with Frankston winning 5-2. Best for Karingal were Graham Williams, Stephen Keeley (capt.) and Keith Cookson.

The under-12's were badly beaten by Frankston City at Frankston ground but poor refereeing certainly contributed to their downfall, with six goals being scored from goal-kicks when the ball had not left the penalty box, and two that were offside and another after the goalkeeper was fouled and lying injured in his goal-mouth. Result: Frankston 12, Karingal nil.

In an exciting game last Sunday at Seaford Reserve, Frankston City played a terrific

Frankston's boys again proved they will be hard to beat in Under 12 ranks with a good 4-0 win over Springvale on Saturday.

Goals from Tim Rust and Ian Kirk saw Frankston two up at half time. Ian Kirk went on to complete a hat trick after half time to give Frankston their 4-0 victory.

This forward line is improving week after week.

Next match is a Cup game against Mooroolbark at Seaford on Saturday at 10.30 am.

UNDER 10's

Frankston City Under 10 (A) beat Karingal 1-0 last Saturday to maintain their unbeaten record.

In very windy conditions and against a vastly improved Karingal defence, City tried everything to get the ball into the net.

But their persistence was not rewarded until 10 minutes into the second half, with a close in shot by Robbie Monty going into the net off the legs of a defender.

City's Under 10 second team took the field in their first match of the season last Sunday at North Seaford Reserve against Pines, losing 6-0.

For a newly-formed team, their efforts were extremely good, with several of the boys showing promise of talent well worth encouraging.

LANGWARRIN AGAIN

Langwarrin All Stars maintained its winning run on Saturday with a display of power soccer that crushed Doveton East 10-1.

Langwarrin was the master in every position.

And on Monday, the Queen's Birthday Holiday, boys will also report to home ground 9.30 am to attend a soccer coaching course hosted by Frankston City Soccer Club.

The foremost professional coaches from all over Victoria, New South Wales, South Australia, and interstate, will give practical demonstrations of how to improve your soccer.

The venue for this course will be North Seaford Reserve (Frankston City Ground).

At the conclusion of the session, Karingal's Under 10 'A' team will play Frankston's 'A' team in their knock-out Cup round before the presence of coaches.

The kick-off for this round is set down for noon at Frankston's ground.

On Thursday last, the Karingal United Soccer Club was officially elected office-bearers for 1968, and the establishing committee was set down.

Those elected were: President, Mr. H. Bierman; Secretary-treasurer, Ted Tait; Committee, E. Dowber, Frankston, Mrs. B. Horton, Langford and B. Simpson.

Managers of the teams are as follows: Under 10's 'B', E. Dowber, D. Langford; Under 12's 'B', Mrs. B. Horton and Frankston; Under 14's B. Simpson.

The club would be pleased to hear from adults, male or female, who might be able to assist in managing the club's Under 12 or Under 14 teams.

The details of soccer games given below comprise a round-matches played last weekend.

SENIORS Frankston City

Frankston confirmed their return to form with a convincing 3-0 victory at Waverley. This win consolidates Frankston's position in the middle of the second division table, only five points less than the leaders, Kellor City.

After a nervous ten minutes, when City were all at sea, they settled down to overwhelm the vigorous Waverley side, with good football. Brian Finch opened the account with a goal scored from Michael Mail's corner kick.

Mail seems to have found his niche at right wing and scored Frankston's second goal. This goal was the combination of very good football.

Brian Woodgate received a long, high pass down the middle and back-headed the ball to Graham Baulk who steadied and pushed the ball through to Mail, who made sure of the result.

The third goal can almost be classed as a lone goal from Trevor Parry who came from the wing, beat the opposing full back, found the goalkeeper out of position and blasted the ball into the net.

City, however, did not carry the game on to what should have been a 6-0 victory, and the fault seemed to be in the half-back line.

Neither wing half was playing well. Tony Valk, back in the side after being out for two weeks through injury, seemed out of touch. Valk, who has had an excellent season to date, could not handle the muddy conditions and Tony Hall allowed the Waverley forwards far too much space in which to manoeuvre in the mid-field.

Nigel Bevis was the only half-back to function for the full 90 minutes, since his inclusion at centre-half, the whole of the Frankston defence has tightened.

In the last 20 minutes Frankston City lost concentration and while they were too far ahead to be beaten they may not be so lucky next time.

In the reserves game City were one down just after half-time, but fought back to win 3-1. All three goals were scored by Lou Farcus, two of them from a penalty taken with the aplomb of a veteran.

Gerard Peck had the left field tied up, but some of those passes were so casual they hardly moved. John Butlerfield played his position well as did Geoff Bardsley in goal.

Frankston's Third Senior side, in the district league, under captain . . . manager

"Littlejohn" Le Hup, defeated Mooroolbark 2-1.

Selectors would do well to consider several players from this team to bolster weaknesses in the firsts and reserves.

Next week Frankston seniors are at home to Melbourne University. University is always an unpredictable side and will be tough opponents.

Supporters are reminded that tickets for the club dance on May 31 are now available from committeemen and the ladies auxiliary.

Langwarrin

Fortune, like the weather, was fickle for the All Stars Club Seniors, playing at home they lost to Chadstone 5-2.

The first half was good fast soccer, but the second half saw a surprising decline of the Langwarrin combination.

One highlight was the superb goal engineered by Barry Boulton and executed by Mike Emery.

Pines

All four Pines teams again emerged undefeated for the third week in succession. This week the goal tally was 31 for 4 against.

Seniors 4 d. Fishermens Bend 0. This was a keenly contested game, thoroughly enjoyed by the large number of spectators present.

Pines played very good soccer against pretty stiff opposition, and it was a treat to watch the forwards at last chasing and fighting for the ball, but they are still not following through until every ball is either cleared, or goes out of play.

The benefit of this was shown when J. Ward chased what looked to be a safe ball, and was on hand to put it in the net as an awkward bounce beat the goalkeeper.

Pines defence was outstanding in the first half, but gave the spectators a few anxious moments in the second half. G. Paulding was again the rock that the opposition's attack perished on, and he was more than ably backed up by J. Godwyn, B. Jackson, D. Bonar, L. Woodward, A. Fairclough and W. Lewis.

The forward line, although fighting harder this week is still not knitting together as they should. The understanding they have during training seems to vanish when they play on a Sunday. The ability is there, it is just a matter of blending them together to bring out the best they are capable of.

J. Ward and T. Tennant played extremely well and gave GMH defence a very unhappy day.

Scorers: J. Ward 2, W. Miller, J. Johnstone.

Best for Pines: G. Paulding, J. Ward, B. Jackson and D. Bonar.

scored another eight goals without reply from Karingal.

Only some good saves by the Karingal keeper stopped the Pines scoring many more goals.

Scorers: G. Watson, M. Fitzmaurice, C. Parry, J. Stewart, A. Simic 2, W. Kieley.

Under 14s 11 d. Chelsea 0.

Although this was a friendly match, Pines took it serious and gave nothing away, at times they played superb soccer in midfield that had a good crowd of spectators from both sides applauding loudly.

The final score of 11-0 does not do full credit to a Chelsea team that never gave up trying, and played cleanly throughout the match.

This team of Chelsea's is full of potential and will improve with match practice.

Frankston Tech.

Playing sparkling soccer, Frankston Technical School took out yet another victory on its way to the Metropolitan Schools Championship with a tremendous 3-0 win over fancied Clayton last week.

The score was 0-0 at the halfway mark and Tech had not found the combination trick to open up the Clayton defences to that stage.

However, Con Gementzis (capt.) and Key Hill combining with Col Lambert soon made short cuts down the right wing in the second half and goals came brilliantly from blinding shots from the boots of Grant Libator, Jimmy Skelly and Col Lambert.

Clayton went to pieces altogether and only great goal-keeping kept the score down to 3 nil.

Next match for Frankston (after school holidays) against Aspendale at home.

Best for Tech.: Col Lambert.

CITY GIVES A FINE DISPLAY

The Frankston City Senior soccer side deserved their win against Ferntree Gully at the weekend. They gave a sizzling first half that left Gully and the spectators breathless.

Soccer news

Brian Finch gave the greatest display of inside-left play yet seen at Frankston. Fast and scheming, he kept the forward line moving but was back in defence when needed.

Graham Bauk did well on the left wing, and with these two players on top, most of the attacking moves came from the left. Brian Woodgate, with his height, was able to collect the ball in the middle and distribute it almost at will.

Bon Cummings, playing his second game in the half back line, teamed well with Nigel Bevis. Captain Mick Benton must be happy with the overall performance of the team, and especially with Bill Papouzakis in goal and his co-full back Tom Flynn.

Result: Frankston 3 d. FTG 1. Goals: Ron Cummings, G. Bauk, B. Finch.

The Frankston City Reserves completely outclassed their opponents and ran out easy winners, 4-0. Goal scorers were H. Bruwer 2, G. Pask and M. Bevis.

The senior 3rd team went down to Croydon 4-2 at Croydon on Sunday. Captain John Le Hup will be including several juniors in this side from now on.

Next week, Frankston will play away to Coburg at Cole Reserve, Cumberland Rd, Pascoe Vale.

CITY JUNIORS
Frankston City Rangers — Under-10's second team — played against Karingal 'A' on Sunday at Cranbourne oval in their second match of the season. With only 10 players, they gave a mighty performance but lost 5-0.

Peter Woodley, in goal, played a good game, with the two half backs, Wilson Cleland and Peter Krohn, working their hearts out and keeping the score down. The forward line were a little slow getting to the ball, but on the whole this team will improve when they have had a few more games together.

Frankston City Rovers — Under-10's first team — received a cordial welcome at Langwarrin on Sunday and continued on their winning way with a 3-1 victory. Apart from a few break-away attacks by Langwarrin, the Rovers had them pinned in their half for most of the game, with goals coming at regular intervals.

Goal-scorers for the Rovers: R. de Jong 3, R. Monty, M. Stone 2, A. Miller 1.

The next training session will be at 9 a.m. on Saturday, June 22, at North Seaford Reserve for both teams.

City Under-16's returned to winning form after the cup defeat last week by soundly defeating old league rivals Moorabbin to the tune of 3 goals to 1.

Playing the quick man-to-

man brand of soccer which has become their policy this season, City were three goals up by half time, due to a well-taken hat-trick by centre forward John Monty.

In the second half, City continued to attack and City's defence was never really tested.

The newly formed Under-16 B team, known as Frankston City 'Royals', played host to Doncaster on Sunday, and what an excellent game this turned out to be.

Surprising the spectators, they took over where the 'A' team left off the previous day and defeated the Rovers 5 goals to nil.

This was a first-rate team effort, but special mention to centre half Bill Todd, inside right Graham Bradshaw, left half Lenny Cosmos and full-backs Don Paydon and Jim Paton. The future of Frankston City looks rosy with junior players like these available.

Frankston Under-12's, in their game at Langwarrin against the local youngsters, came out on top in what proved to be a one-sided game. The score of 10-0 in City's favor reflects the trend of play.

Goal scorers were James Rust 4, Ian Kirk and Brian Skelly 3.

Saturday's game: Pines v. City at 10.30 a.m. Boys meet at Cranbourne Rd at 10 a.m.

LANGWARRIN
The Langwarrin All Stars seniors, at home to Westall, won 4 to 2. After fluctuating fortunes in the first half, during which both sides scored two goals, the All Stars' backs delivered the ball with long clearing kicks to the forwards, who completed the job with good teamwork and enterprise.

The Under-12's, at home against Frankston City, lost 11-0. Although the margin appears large, it would have been much greater, but for Willie Van Ham, who gave a sterling goal-keeping display.

Under-10's, also at home to Frankston, lost 9 to 1. The one goal scored by All Stars is only the second netted by opposition to Frankston this season.

Under-16's, at home to Chelsea, were victors by 2 to 1.

PINES
Pines seniors defeated Chelsea 5-4 in a friendly game played at the Pines ground. This was a lively game, keenly

contested from start to finish, and probably the most satisfying game the spectators have seen this year.

Pines players should feel very satisfied with this win, as it was a good all-round performance. It would be unfair to try and select the best and fairest in this game as there wasn't one player who didn't give of his best, but those who gave that little bit extra were W. Lewis, D. Bonnar, J. Johnson and A. Fairclough.

Scorers: J. Ward 3, T. Tennant 2, T. Efferon 1.

Pines Under-10's defeated Karingal 7-0. Scorers: G. Woodward 3, W. Efferon 2, C. Stewart, S. Spencer 1. Best for Pines: L. Flett, S. Fitzmaurice, S. Spencer.

The Under-14's defeated Karingal 8-0. Best for Pines: P. Clark, A. Godwyn, A. Hodgkinson.

With each week of competition, officials of the Karingal United Red Devils soccer club are being impressed with the improvement of each of the teams.

For the majority of boys playing with the club, this is their first attempt at soccer and it is saying a lot for their ability that they have acquitted themselves so well against the more experienced clubs.

A typical example of this was the Red Devils' great display against Frankston last Sunday at Cranbourne Rd reserve.

The final score was Karingal 5, Frankston 0. Best for Karingal: R. McNeill, White, I. Coughlin, S. Myles, M. Ryan and G. Langford. Best for Frankston: P. Woodley, M. Johns and S. Coppard.

In the Under-10's 'B' game against Pines, the plucky six and seven year olds of the Red Devils went down fighting to a fine Pines team 7-0.

Best for Devils: D. Hindson, C. Williams, P. Ramsdale, R. Stryk, P. Ryan and J. Berry.

The Under-1's were soundly beaten 8-0 by Doveton at Doveton, and the Under-14's improved by only being beaten 5-0, which is a little less than the 12-2 dealt them at a previous meeting. However, both these teams show a vast improvement in their soccer technique and will not be in the doldrums for long.

Best — Under-12's: G. Williams, P. Horton 2, S. Myles, S. Keeley and K. Crowder. Under-14's: J. Garnett, D. Burgess, K. Cookson, A. Boyington and P. Barry.

Next week's games: Under-14's play Springvale at home, Under-12's play Waverley at home, Under-10's 'A' play Under-10's 'B' in a league game at home.

—SOCCER ROUND-UP

Frankston City boost promotion hopes

A fast moving Frankston City crushed Ferntree Gully on Saturday 5-1 and moved into fourth position in the race for promotion.

City confounded the critics on Saturday by playing 90 minutes of fast, open, attacking soccer.

A little slow in the first 15 minutes the main spring in the centre found Finch, Bevis and Thompson at their brilliant best.

With the centre dominated by Frankston and the ball being driven time and again into the Gully half, City forwards became soul hungry for the first time this year.

The elusive Walton opened Frankston's account after 20 minutes and from then on it was a one-chance race.

The dominance of City was demonstrated when Thompson gathered the ball and put a screaming 50 yard shot from the centre line into the back of the net.

The defensive ring of Bardley, Hall, Cummings and Schroder, although under pressure in the second half, were steady and untruffed all day.

A welcome return to the first team was made by George Quinell, who gave Walton the chance to convert a fine taken penalty and notching a goal in the dying seconds of the game.

GOAL SCORERS: Walton 3, Thompson, Quinell 1.

Next week Frankston at home to Moreland Reserve K.O. 1 pm, Firsts 2.45 pm.

In the League match with Karingal under 14's last Saturday, City players, smaller and lighter, proved that height and weight are no deficiency when there is an abundance of skill. It was this skill that proved the winning factor for
