## Frankston Soccer Club

Frankston Soccer Club is making ready for another successful season. A strong panel of office-bearers has been elected.

First kick-off, on April 3, will be against Slavia. This will be followed by a match against Dandenong on the club's own ground in Cranbourne Road.

The club wants new players. New arrivals to the district who are soccer minded are advised that the next general meeting will be held in the Mechanics' Hall, Frankston, at 8 p.m. on Friday, March 12.

For the benefit of newcomers the Frankston Soccer Ground is the Cranbourne Road Oval, at the rear of Frankston High School. Information regarding the activities of the club can be obtained by telephoning Frankston 901, or the President, Mr. G. E. Gaskell, at 29 Ross Smith Avenue, Frankston, (telephone Frankston 764). The honorary secretary is W. F. Morgan, 61 Nepean Highway, Seaford.

## Nuisance is "civil matter"

Alleged nuisance caused by the operation of manufacturing plant at Balnarring was purely a civil matter.

Cr. Myers so told the Shire Council last Wednesday.

Council was considering a complaint from Major C. A. Ridley, through Mr. L. F. Bruce, that Mr. A. Patching's case manufacturing factory was a public nuisance and was causing damage to roads through abnormal use.

Eight questions were asked relative to the granting of the licence, its duration and on what grounds could the factory be stopped from operating.

Cr. Rundle moved that the Secretary furnish the desired information.

If the complaint is being inconvenienced he can make representations to the Council and take certain action, he said.

Pearcedale, newly admitted to senior ranks, last Saturday downed a fighting Navy in a fast, fiery game.

The small grandstand at the Naval Depot was packed with supporters. Umpire Nisbet officiated.

When Jose (Navy) passed to K. Johnson, Pearcedale's full-back, Scott, dispossessed him and cleared nicely.

when Rogers marked Callanan's kick a few yards out.

Skipper Callanan kicked Pearcedale's fourth goal from the half-forward line, then W. Rogers, unable to find a team mate in position for a pass, kicked the ball himself, bringing up Pearcedale's fifth.

Play began to "warm up."

dragged down a lovely one-handed mark and kicked Pearcedale's tenth goal as the siren sounded.

Pearcedale exploited umpire Nisbet's laxity to the full. The Navy team wilted under a barrage of vigorous play.

Richardson rallied the Navy team with his fearless leadership.

At three-quarter time, Pearcedale was 34 points ahead.

In the last quarter, Pearcedale gave the Navy a football lesson. Undaunted, Navy fought back, but the task was hopeless.

Richardson, suffering from cramp, was forced to leave the ground. At one stage three Navy players were down at the same time. A less courageous team would have given up, but Navy showed a fine fighting spirit.

Best players: Pearcedale

# Choice for Ballarat

With only four matches to be played before the Victorian Football League Champion-ship at Ballarat, Morning-tington District selectors will have a hard task to pick a representative team.

Ballarat games are expected to give a terrific boost to country football and become a popular event.

Mornington District competes in the Mornington Peninsula and South West Leagues.

Selectors have little hope of winning all matches in a time.

They are, however, confident and experienced and can be relied on to make a careful selection.

The selector suggests the following team to represent P.F.L. How many players Gippsland wide he would not say.

Mr. L. Surgey has taken the onerous secretaryship but he is confident that support will soon be forthcoming and his duties less difficult than they appear.

Old members have written to and new members are being signed on.

It is hoped that year's captain, W. will again lead the

Wives of members and any other women interested will be asked to look after the social parties and dances and functions at which spirit can be fostered among players and supporters.

First round of matches will be played on (next Saturday).

Mornington will play bud at Mornington.

The Good Neighbour Council has been approached with a request that Australians who are interested in soccer be invited to the Mornington Soccer Club will welcome them as players or as supporters.

The Plaza Theatre also promised to be exhibiting slides at nature shows, public relations soccer club and its ties.

Soccer fans do not convert players from football codes. They point out, with some justification, that a player is reasonably efficient at soccer no matter how he can convert him to another game in which he meets ball.

# Cricket officials pay tribute

Members of the Executive of the Northern Peninsula Cricket Association and their wives paid a surprise visit to Mr. and Mrs. Charles Thornell at Somerville last Saturday night.

There were 26 in the party.

The surprise party was a tribute by the Association to Mr. and Mrs. Thornell to mark the recent celebration of their Golden Wedding.

With the exception of the “decoy,” Mr. Frank Allen, the whole party met at the street corner and quietly advanced on the unsuspecting couple.

To make sure they were at home, Mr. Allen had dropped in for a chat on his way home from Melbourne.

The visitors, well armed with supper, quickly made themselves at home, and settled down to an enjoyable social gathering under the guidance of Mr. Les Hart.

The party included Mr. Harry Denham and Mr. and Mrs. Fred Gregory (Tyabb), Mr. Frank Allen (Bittern), Mr. and Mrs. C. Moile (Mt. Eliza), Mr. and Mrs. Bob Hooper (Baxter), Mr. and Mrs. Merv. Beckworth, Mr. and Mrs. Colin McDowall and Mr. and Mrs. Peter Ansell (Mornington), Mr. and Mrs. Ern Allen (Bittern), Mr. Les Hart and Miss G. Allen (Balnarring), Mr. and Mrs. Stan Thornell (Somerville) and the Association

President, Mr. Doug Thompson, of Moorooduc.

During the evening, Messrs. Doug Thompson, Fred Gregory, Les Hart, Ern Allen and Harry Denham spoke of the sterling qualities of this remarkable couple and their outstanding contributions to Peninsula cricket.

Mr. and Mrs. Thornell have for years made their home available to the Executive for its meetings.

To the surprise of the couple, whose greatest pleasure is to have their many friends around them, Mr. Denham, on behalf of the Executive, presented Mr. and Mrs. Thornell with a beautiful rosewood standard lamp.

After the presentation, Mr. Thornell made history with one of his rare, brief speeches, after which he made way for Mrs. Thornell to add her response.

The lamp was then plugged in and switched on, and the couple sat “Darby and Joan” wise under its illumination.

After supper Mrs. Thornell, at the piano, with all the brilliance of a player much younger than her 75 years, revived many old dance memories.

A very happy and enjoyable evening ended with the singing of “Auld Lang Syne,” “Now is the Hour” and the National Anthem.

# Close call for Dromana

	DROMANA	v.	RYE
First Quarter .. ..	5 - 1 - 31		0 - 2 - 2
Second Quarter .. .	7 - 1 - 43		2 - 5 - 17
Third Quarter .. .	8 - 3 - 51		4 - 8 - 32
FINAL .. .	8 - 3 - 51		6 - 12 - 48

Adding only one goal and two behinds after half-time, Dromana, by resolute defence, withstood a desperate onslaught to defeat Rye by three ponits last Saturday.

Playing at home, Dromana had first use of a stiff breeze.

Ten minutes of see-sawing exchanges precluded first score.

Griffith broke the ice with a goal for Dromana and Moorehead quickly did likewise.

Rye drove forward for a behind only, but Taylor, Moorehead and Brasser scored goals for the home side before the quarter ended, Rye's score then being two behinds.

With the wind, Rye swung into attack and a long kick by Parker raised one flag.

First goal to Rye came from a kick over his head by B. Thompson. Dromana retaliated when Brew passed to Taylor, who made no mistake.

Both sides had clapped on the pace and tempers were a bit edgy, so the umpire wisely called a brief halt while the players cooled down.

From a scramble in the goal mouth Rye scored a behind and this was quickly followed by a goal from the boot of C. Thompson.

A perfect angle shot by Moorehead raised both flags for Dromana, which side left the field for the long interval with a lead of 26 points.

In the third quarter rain fell steadily. Intelligent

(eight goals from eleven scoring shots) saved the day.

Goalkickers: Dromana — Moorehead 3, Hayen 2, Griffith 2, Brasser. Rye — B. Thompson 3, C. Thompson 2.

Moorehead was awarded the umpire's vote for Dromana's best and for best on the ground. Mr. L. Richards donated half a guinea to mark his effort.

Miss D. Evans won the “special effort” — a pair of nylon stockings.

# Easy win for Sorrento

Winning in all departments, Sorrento was untroubled to defeat Crib Point in a very uninteresting game.

Through the strong ruck play of Ron Wilson, Sorrento wasted no time in attacking and Morrison had a goal on the board before spectators realised the game had started.

Sorrento was relentless in attack and, but for the stout defence of Max Tolson, would have held a winning advantage at the end of the first quarter.

Continuing the barrage, Sorrento gave Crib Point no quarter. It was evident that Crib Point had no answer to Sorrento's speed and ruck supremacy.

At half time the scores were 11-9 to Sorrento and 2-2 to Crib Point. All in-

# Rosebud downs Mornington

Rosebud and Mornington played a keen, interesting game on the latter's home ground in Wilson's Road last Saturday.

The visitors were somewhat too strong for the newly re-formed Mornington side and won by five goals to two.

Rain which fell after the interval made the ball difficult to control but did not appear to affect the play of Anderson, who scored four of his side's five goals.

# Rosebud report

Last Sunday, Rosebud entertained members of the Box Hill club.

A social game was played, in which Rosebud avenged its last year's defeat by Box Hill. The score was three goals to two.

For Rosebud, Morsinghoff scored all three goals. McFeters and Connors got one each for Box Hill.

Among the interested spectators were many Australian Rules supporters who expressed surprise at the accuracy with which the ball was passed.

As one result of the match about £6 will be handed to the new Rosebud Hospital Building Fund.

The Ladies' Committee of the Rosebud Soccer Club will conduct a whist drive at the home of Mrs. Seers in Government Road next Saturday night, May 15.

Members and friends are invited. Ladies are asked to “bring a plate.”

# Sorrento makes good showing

Sorrento's newly formed soccer team showed encouraging form at its second engagement last Saturday.

Playing at Portsea in difficult, windy conditions, the side held the more experienced Army team to a modest score.

The Army side, made up of Apprentices from Balcombe and their instructors, has been playing for several seasons under expert tuition and is always hard to beat.

Restricting their opponents to three goals, Sorrento's performance was indicative of better things to come.

Sorrento lost the toss and kicked off against the wind. Play in the opening stages was very keen.

Sorrento was unlucky not to score in the first few minutes when T. Fairfax (outside right) took a corner kick and centred beautifully to E. Allen (centre forward) who got his head to the ball but an opponent was in the way.

Play swayed from end to end until a Balcombe boy beat I. Hawksby (goalie) with an angle shot. Near the end of the first half Fairfax came in from the wing, shot and hit the cross bar. The ball rebounded into play and he got his head to it to score the equalizer.

With the wind Sorrento attacked but the solid defence of Black of Balcombe was really good.

Sorrento had several shots but "Scotty," the Balcombe goalie, was equal to each occasion.

D. Gibson, of Sorrento, was outstanding as a centre half and broke up many enemy attacks. Balcombe scored again and the "locals" were down two goals to one. About ten minutes before time a penalty was awarded to Balcombe and Black made no mistake.

Final Score:  
Balcombe 3: Sorrento 1.  
Best players for Sorrento: T. Fairfax, D. Gibson, B. Dalrymple and R. McLean. Best players for Balcombe: Black, Occleshaw, McGuire and Gasby.

## Rosebud Soccer

Coming up refreshed after its bye last Saturday, Rosebud Soccer Club is looking forward to its encounter with the Army at Mornington next Saturday. The committee is most anxious that players should use these odd Saturdays to good advantage.

If enough players were available on the off Saturdays the benefits to be derived from training on Monday and Wednesday would better fit them to participate in a higher league. This is the committee's ultimate aim — to join the Melbourne league.

On Thursday, May 20, at 8 p.m., a general meeting will be held in the club rooms.

Where are all the British and other New Australians now residing in Rosebud? The committee feels that many more of them could attend matches.

In spite of the big score kicked against them the big-hearted Balnarring boys battled it out until the finish.

That comment on Saturday's match between Dromana and Balnarring was made by the President of the winning club, Mr. T. Couacaud.

In the final quarter Balnarring captain, R. Sweeney, was imploring his lads to get just one goal but nine sets, several almost point blank, all went astray.

Umpire's second vote was cast for Len Cleaver, of Balnarring, who was playing an Australian Rules match for the second time in his life.

In the last quarter, Cleaver played at full-back and several times outmarked the Dromana forward.

## COND XVIII's

# Youth wins for M'ton

Until half time the Mornington v. Crib Point and XVIII's match was very even.

In the second half Mornington forged ahead to a lead of 43 points.

Crib Point had several players who easily outplayed the Mornington side for a while, but youth prevailed in the end.

Best players: Mornington—Downward, Connell, and Morrison in the defence; Hutcheon and Strongman in the forwards; and Miller, a new recruit, were best of the defence. Crib Point: Deane, Buckley, Storer and Coutts.

# Team spirit

A young Balnarring side, holidaying at Hill, set out on their cycling early on Saturday morning to play for their team at Dromana.

The machine gave up the ghost with 100 miles still to go and they parked it at a garage and the two players completed the journey on their own machine.

They missed their midday meal and arrived just in time to take the field.

### Next Saturday:

Mornington v. Army  
Rosebud v. Sorrento

Frankston Soccer Club has applied for inclusion in the Peninsula Soccer Association and will be given a hearty welcome.

Last Saturday at Wilsons Road Rosebud just beat the Army and Sorrento had a good win at Mornington's expense.

Mornington put up a fine performance, playing with only ten men. Some foolish person had circulated a rumour that the match had been cancelled and several players, believing it, did not turn out.

Rosebud was a trifle lucky to win. For part of the last half only Mossenkoff kept the Army side at bay. His strong kicking with either foot was an object lesson for younger players.

The Army side has great possibilities and should improve every week.

Mornington, after a gallant first half, when the side managed fairly well to cover up the weakness of its unfilled place, found it impossible to keep up the unequal fight in the second half.

Several players, forced to play in unaccustomed positions, could hardly do themselves justice.

Dalton, Atkinson and Coleman were outstanding in a team of triers.

Sorrento, although favoured by weight of numbers, deserve every credit for a fine win.

Even the full, properly positioned, Mornington team might have found them just too good for it.

The Sorrento side has some very promising material in:—T. Fairfax, nippy outside right; P. Fitzgerald and R. Bennett, solid defenders; D. Gibson, centre half, and M. Shaw, a tenacious right half.

Mr. J. Christie, president of the club, playing left half, was always in the thick of the fight, too.

Mornington kept up a determined barrage, but goalie I. Hawksby turned many good shots either over the bar or round the uprights.

Sorrento hopes to be strengthened by the trans-

fer of J. (Twinkletoes) McCutcheon from Rosebud. He is a navy man, and is reckoned the best outside right on the Peninsula.

Sorrento's goals were obtained by T. Fairfax (2), R. McLean (3), R. Tanner and E. Allen. Many of their goals were the result of moves initiated by B. Dalrymple.

### Social matches

Last Sunday the Sorrento XI. played at Flinders Naval Depot and enjoyed a typical Navy hospitality after the event.

### Thunderbolt

Rosebud Soccer Club has decided to withdraw from the Peninsula Soccer Association and affiliate immediately with the Metropolitan League, so as to be eligible for next season's competitions.

This was decided at a general meeting of the club last Friday night.

The charity match against Box Hill realised £8 for the new Rosebud hospital.

A match — half soccer, half Australian rules — will be played against the Rosebud XVIII, probably on Queen's Birthday holiday.

## PERSONAL

First-Constable George Knowles and Mrs. Knowles returned to Sorrento last week after a fortnight's trip which took in Beechworth, Warburton and Corowa.

Mr. Charles Donne, of "Marden Fields," Nepean Highway, Dromana, is in Sydney for a few days.

Next Sunday, at the Morning Star ground the selectors will choose a team, as nearly as possible the eighteen to play in the first match at Ballarat. That

## Five Players Reported

Five players were reported after Saturday's games in the M.P.F.L.

They were Scullin (Pearcedale), Warway and Graham (Frankston), J. Garlick (Mornington Second XVIII) and Rowe (Hastings).

These cases will not come before the League Tribunal until Friday week. As two of these players, Graham and Scullin, are in the Mornington District team for Ballarat next week-end they will now be eligible to play.

## Officials bungle Soccer draw

Feeble administration and poor organisation of the Peninsula Soccer Association have blunted the enthusiasm of many players under its control.

No proper schedule of fixtures has been drawn up and clubs repeatedly have had to arrange social matches outside the Peninsula in order to obtain a game.

It is pointed out by enthusiasts that there are many centres on the Peninsula and adjacent to it where enough New Australians, well conversant with the game, only need a lead from a responsible body to form a club.

The P.S.A. was formed to foster the soccer code on the Peninsula, yet cannot even keep its own four clubs occupied, nor is it making any attempt to start new clubs.

Last Saturday Rosebud club was without a game. That strong and flourishing club deplores that no fixture list was drawn up at the start of the season, thus ensuring that all clubs had an equitable number of matches.

Rosebud officials feel that if a better organisation does not soon become evident the game will die of sheer inanition.

Frankston recently indicated a desire to join the Association. Soon there may be no such body in existence.

## Pulling out

Mornington club, in spite of gravest handicaps, is making a valiant effort to come good, but it, too, is fed up with the present lack of system.

Mornington's secretary had, up to yesterday, received no advice of coming fixtures and said "We will not play next Saturday as our players are scattered and I need at least a week's notice."

He added that the Mornington players intended to withdraw from the competition and concentrate on Sunday games, of which a number had been lined up.

Armoured Division at Puckapunyal will send a team to play on the Wilson's Road ground on June 20. Slavia will play there on June 27. Other service teams are expected.

## Heavy odds

Playing with only eight men against a full eleven, Mornington Soccer Club had a hopeless task against Sorrento at Portsea oval last Saturday.

That the final score was only seven goals to two proves the grit and skill of the eight men who represented Mornington.

Army players from Balcombe Camp who are usually included in the Mornington side were either on duty or on the injured list.

Rosebud Soccer Club acknowledges with thanks the following donations: Mr. V. Guy, £2/2/-; Ron May, £2; Mr. Horne, £1/5/-; Mr. Ross Patterson and Mr. Tom Potts, each £1/1/-.

The team to represent the Mornington District in its first game against Ballarat District has been selected. It is:

## Club notes

A social cum dance on Saturday night after the match against Mornington was an outstanding success.

An attendance of more than 100 had an enjoyable evening of dances and games.

Supper provided by the ladies' committee was voted A1.

Noticed among the guests were Mr. and Mrs. Bennett of Rosebud, Misses K. and P. Hutchins of Sorrento and Miss M. Knight of Portsea.

Thanks to Mr. and Mrs. Scott for allowing the use of their ballroom.

Best wishes for a quick recovery to Mrs. Scott, at the moment confined to bed.

Two prizes in the guessing competition were not claimed. These were tickets Nos. E92 and E67. Holders may claim their prizes from the secretary, E. A. Allen, "Brae View," Darling Road, Sorrento.

## Sorrento wins

Sorrento met Mornington on Sorrento's home ground on Saturday, June 5. Unfortunately, Mornington again had to play short handed but it is doubtful if even a full team would have been able to cope with the improved Sorrento side.

From the kick off Sorrento

team was sent to Country Week and though this weakens the club teams, it is hoped that the combined team will eventually prove a very strong combination.

took charge and play was seldom very far from the Mornington posts.

T. Fairfax, playing his usual hard and fast game, was first to score with a long drive. Second score also came from the sure boot of "Taffy."

Mornington pulled together and beat I. Hawksby, to score.

Sorrento's third goal came from a corner and was tapped into the net by E. Allen. Half time scores: Sorrento 3, Mornington 1.

On the resumption, Sorrento again had the lion's share of the ball.

This was brought about by the good work of the halves, particularly M. Shaw, a lad who just doesn't give up.

A feature of Sorrento's team work was the accurate passing of the halves and forwards.

This culminated in two more goals from T. Fairfax, another from E. Allen and one from D. Gibson.

Mornington again scored in the closing stages and the final result was Sorrento 7, Mornington 2.

Goal scorers for Sorrento: T. Fairfax 4, E. Allen 2, D. Gibson. Best players for Sorrento: T. Fairfax, M. Shaw, R. McLean, B. Dalrymple. Best for Mornington: outside right, centre forward.

# SOCCER NOTES

In last week's Soccer notes it was reported that Mornington had fielded only eight players against Sorrento's XI on the previous Saturday.

That was true, but the report failed to mention that Sorrento lent Mornington two players and each team played with ten men.

"Post's" Sorrento Soccer correspondent has also mentioned that the Sorrento substitutes played just as hard for Mornington as they would have done for their own side.

Sorrento sportsmanship made that inevitable. Chaps who put the game before the prize do that sort of thing.

## Fixture muddle

There was no competition match for Sorrento Soccer Club on Saturday, due to a general mix-up in the fixtures.

However, Rosebud Soccer Club very kindly consented to an exhibition match against Sorrento as an opener to the burlesque match of half Soccer and half Australian Rules between Sorrento Soccer Club and Sorrento Australian Rules Club.

Rosebud did not field its strongest team but had a couple of very promising juniors who should, in a couple of years be very strong players.

The game was played in a friendly spirit and consisted of two halves of twenty minutes without an interval.

Play was even throughout and spectators, mainly Australian Rules followers, despite their limited knowledge of the game, barracked with the best.

The club thanks Mr. A. Occleshaw, of Balcombe club for officiating as referee.

## Funny as a Circus

There were many laughs throughout the first half of the burlesque match as members of the Australian Rules team vainly tried to head the ball.

From force of habit many caught the ball in flight and most found it difficult to control.

The second half (Australian Rules) was equally funny.

Soccer players were trying to dribble the ball and the results were hilarious.

Mr. A. Olle, captain-coach of Sorrento Australian Rules team officiating as central umpire, added to the zest of the occasion by marking and scoring for the Soccer team.

Results overall were about even (with the umpire's assistance) and players and spectators enjoyed the afternoon.

Thanks also go to Mr. A. Ahearn, president of the Sorrento Australian Rules club, for his assistance in arranging the match and the use of the ground.

# Hastings wins well against Carrum

Holding Carrum scoreless the second quarter, Hastings went on to a convincing win.

	HASTINGS	v	CARRUM
First Quarter	0 - 5 - 5		3 - 2 - 20
Second Quarter	6 - 13 - 49		3 - 2 - 20
Third Quarter	10 - 15 - 75		7 - 5 - 47
FINAL	15 - 19 - 109		8 - 7 - 55

Mahaffey, with nine goals, played an important part in his team's meritorious win.

Carrum had first use of the wind but were slow off the mark. Hastings had four points on the board, any one of which could have been a goal, before Carrum broke through for Brumby to goal.

It was not until near the end of the quarter that Payne and Stapleton goaled to give Carrum a splendid lead.

The Blues took control from the start of the second quarter. Early goals to Farmer and Murphy resulted from good football upfield. Carter, gathering nicely, booted another.

With the run of the ball, Hastings came again to take the lead when Mahaffey goaled. Two more goals to this player gave Hastings a handy lead at half time. Carrum had failed to score in that quarter.

Both teams were on their toes at the start of the vital third quarter.

Goals by Passmore and Stapleton quickly reduced Carrum's leeway.

A burst by Hastings yielded only two points.

Two more goals by Carrum increased the excitement. It was an interesting and even quarter.

Carrum had got within eleven points when Mahaffey added two more goals to give Hastings a 28 point lead and the use of the wind for the last quarter.

Clarke and Mahaffey broke a period of no scoring, each registering a goal, and Hastings seemed safe. Carter and Mahaffey again goaled and the result was put beyond doubt.

Hastings richly deserved its convincing win.

Goalkickers: **Hastings** — Mahaffey 9, Carter 2, Clarke, Murphy, Farmer and Langholz. **Carrum** — Stapleton 4, Payne, Brumby, Passmore and Botten.

Best players: **Hastings** — Harrison, Mahaffey, Flood, Clarke, Dalton and Carter. **Carrum** — Brumby, Botten, Black, Clarke, Bunn and Stapleton.

## Soccer body disbands

The Peninsula Soccer Association, at its meeting last Monday night, decided to disband.

This move, foreshadowed recently in the "Post," will be followed by a request to the Victorian Amateur Soccer Association to take the Peninsula soccer clubs under its control.

Draw for the Peninsula Cup is:

Saturday, July 24: Mornington v. Rosebud.

Saturday, July 31: Army v. Sorrento.

Both matches will be played on Wilson's Road ground, Mornington. Kick-off at 2.30 p.m.

The final will be played on a neutral ground on August 14.

## Rosebud defeats Sorrento

Sorrento met Rosebud at Rosebud on Saturday and received one of the greatest defeats of all time. The final score was 9-0.

Although the score at half time was 4-0, this did not give a true indication of the play.

However, in the second half, Rosebud crammed on full pressure and the result was never in doubt.

Giving Rosebud their due, it was a brilliant exhibition of open, fast football. Their passing was never off the line and anticipation of moves was splendid. Sorrento was on the wrong foot throughout the game and gave a very poor display.

Best players for Sorrento: T. Fairfax, B. Dalrymple, D. Gibson and J. McCutcheon.

Best players for Rosebud: It would be very hard for any observer to name particular players as Rosebud worked perfectly as a team, but mention must be made of Rosebud's captain, Mossenkoph, and the fast outside left, "Jordie."

On Saturday next, Rosebud will travel to Heidelberg. A bus will leave the Broadway Theatre at 12.30 p.m.

Members of the ladies' committee will hold a social evening on Saturday, July 10. This function is not confined to members and a cordial invitation is extended to all.

Playing fast, open football, Navy scored its first win for the season against Crib Point, last Saturday.

The match, played at the Depot, was never spectacular.

Crib Point won the toss and elected to kick against a strong breeze.

From the bounce, Navy attacked through D. Droscher. A free kick to D. Noble enabled Richardson to score first goal of the match with a well directed kick off the ground.

Soon afterwards, Wells handballed to Richardson for Navy's second goal.

Crib Point came into the

scores when he registered Crib's fifth goal from the half-forward line.

Droscher scored Navy's seventh goal. Navy was now playing all over the opponents. Brooks scored full points with a lovely shot from the boundary line. Lease, Peterson and Droscher added to Navy's score.

Brewer (Crib) was unlucky when a long shot hit the post.

Kicking with the wind, Crib Point rallied. A long shot by Crosbie was touched on the way through. Crib scored three behinds before Max Tolson goaled with a perfect sixty-yarder. A few minutes later, Les Tolson goaled again.

## Mornington Soccer

Mornington Soccer Club played the First Armoured Regiment (Puckapunyal) at Mornington last Sunday afternoon.

The game was fast and clean — one of the best ever seen on the Wilson's Road ground.

The visitors were too good for the local boys but the experience was most educational and helpful for the latter.

The Army team led 4—0 at half time, but Mornington fought back well and scored equally (two goals apiece) in the second half.

The visitors' sports officer, Lt. D. Peisley, congratulated the losers and asked for a further game against them. This will probably be on July 18.

Next Sunday Slavia is expected to try conclusions with Mornington at Wilson's Road. Kick-off will be at 2.30 p.m.

On Saturday, July 3, Mornington will play Sorrento at Wilson's Road.

## Mornington has new Rifle Club

A small bore rifle club was formed in Mornington last week.

Sergeant McCoubrey was elected captain. Mr. A. J. Broomfield is secretary and Mr. J. Broomfield, treasurer.

Election of president was deferred until the next meeting.

An estimated £150 will be needed to launch the club. Working bees of members will put the club in order and raise finance.

A number of foundation members will be admitted at a fee of £5/5/- for 20 years, or £2/2/- for five years.

Ordinary annual membership subscription was fixed at 10/6.

No foundation members will be admitted after the required amount of money has been obtained.

Intending members and others interested in miniature range shooting are cordially invited to attend the next meeting, in the A.U.E.S.A. Hall, Barkly Street, Mornington, on Wednesday, June 30, at 8 p.m.

# Slavia beats Mornington

Last Sunday the Morn-  
 ington Soccer Club "enjoyed"  
 defeat by a skilful set of  
 opponents, who so greatly  
 enjoyed their visit to Wil-  
 son's Road that they want  
 to come again.

The victorious side was  
 Slavia, a seasoned and ex-  
 pert combination.

The visitors won by five  
 goals to two. Mornington  
 would have been short-  
 handed but for the willing  
 help of some Balcombe  
 players.

For the home side, V.  
 Heath (Balcombe) scored  
 two goals. C. Coleman, R.  
 Colletts and W. Smith also  
 played first-rate games.

Mornington club authori-  
 ties are very perturbed by  
 the difficulty repeatedly en-  
 countered in fielding a full  
 side. Next Saturday the  
 opponents will be Sorrento,  
 a steadily improving side,  
 and all members of Morn-  
 ington are urged to ensure  
 that the best possible side  
 is available for the game.

## Scots invade Hastings

The Scots' invasion of Hastings (1954 version) by Mornington Peninsula Caledonian Society last Friday evening had immediate results.

Plans were made, on the spot, to hold a Scottish Country Dancing Class in the Western Port township.

The society's first gathering in Hastings proved an outstanding success.

Local Scots and their friends "let their hair down," thoroughly enjoying the Scottish and old-time programme. Among the visitors were Jock Mitchell, secretary of the Victorian Scottish Union, and Mrs. Mitchell.

### Highlight

During the evening Margaret Clarke (aged 8 yrs.), Margaret Sinclair (8), Christine Fisher (9), Veronica Woods (9), Heather Forrest (11) and Sandra Howroyd (11), charming in their full Highland dress, made their dancing debut.

Mrs. Marney Baker, senior vice-president of the society, in the absence through illness of president Bill Guild, welcomed the Hastings and District folk, thanked Pipe Major MacKenzie for his invaluable help, and the ladies' committee for the supper. The Hastings Hall was easily the best the society had visited so far, she said.

Every member of the society with a car helped out with the transport problem, and in this connection special recognition is given to Charlie Grant of Frankston.

## Rosebud wins at Heidelberg

Rosebud Soccer Club journeyed to Heidelberg last Saturday to play what turned out to be a close, exciting game.

Rosebud beat Heidelberg by three goals to two.

The outing was a most enjoyable one and the social angle was pleasantly predominant.

The club has an interesting programme lined up.

Heidelberg will pay a return visit to Rosebud on July 17.

On Saturday, July 24, Rosebud will play Mornington at Mornington in the Peninsula Cup series.

On July 25 (Sunday) the Rosebud ground has been promised to the Moorabbin and Brighton Juniors.

Engagements have been made with Moreland and Navy.

On July 10 (next Saturday) the ladies' committee will hold a social, to which everyone is invited.

Failure of forwards to take advantage of numerous opportunities, and another missed penalty, cost the local team the game against Flinders Naval Depot at Cranbourne Road oval on Saturday.

Playing with better positional play and greater co-operation in attack, the Depot won an interesting game by 5 goals to 1.

The match was more even than the score indicates, but whereas the Depot players cleared their goal by long passes, the Frankston backs and half-backs were inclined to toy with the ball and the Depot forwards were "presented" with opportunities.

## MORNINGTON DRAWS WITH SORRENTO

Last Saturday, Mornington and Sorrento played a drawn game. Scores were five goals each.

Receiving from his right-half, C. Coleman threaded his way through the Sorrento defence to score a lovely goal.

M. Masters, a young and new player, is showing rapid improvement.

Next Sunday, July 11, Mornington will play 15 N.S. Training Battalion from Pucka. Kick-off will be at 2.30 p.m.

On Saturday, July 17, the Army (Balcombe) will play Sorrento in the Peninsula Cup series on the Wilson's Road ground.

aged from 6-16 years, will give a series of short sketches and one-act plays in the Mechanics' Hall, Flinders, on Saturday, July 24.

## More and better Soccer for Peninsula Clubs

Peninsula Soccer Clubs will compete in the Provincial League Cup series.

This news, of great interest to all Peninsula soccer enthusiasts, was announced by the Council of the Victorian Amateur Soccer Association.

Peninsula teams will now be able to play more matches and meet stronger opposition from suburban league teams.

This concession will give Peninsula soccer a new lease of life, provided that club officials rally their members to ensure a regular representation and planned team building with a long-range view.

### Challenge Cup

Rosebud received a walk-over from Mornington in the Peninsula Soccer Association's Challenge Cup series. The latter club was unable to field a team.

On Sunday, July 25, two games were played at Rosebud.

Brighton Juniors played Moorabbin Juniors. The Brighton team won by three goals to nil.

The match was a curtain-raiser to the Rosebud v. Brighton game, which began at 3 p.m.

Brighton was the more polished team, but was made to earn each of its four

goals.

Before the start of play, both teams were lined up and introduced to Mr. W. R. Thomas, Chairman of the Council of V.A.S.F.A.

The Rosebud club is grateful to Mr. Ray Baker, of the Rosebud Hotel, for a kind gesture to the teams.

During the afternoon, £2/5/- was raised to aid the funds of the Rosebud Sea Scouts.

Rosebud soccerites — players old and young and supporters — pilgrimaged to Fawkner Park last Saturday.

The juniors, playing their first match, met Brighton and drew a really brilliant game in which each side scored one goal. Herman Kleinsman scored for Rosebud. It was a most encouraging debut for the school-boys.

The senior team suffered its first competitive defeat in more than two years, not a bad record! It will meet Army Apprentices in the final of the Peninsula Soccer Association's Challenge Cup.

The Rosebud club will hold its monthly meeting at the oval on Thursday, August 26.

Players of the six competing clubs — Chelsea X, Chelsea Z, Hastings, Frankston Yacht Club Red, Frankston Tennis Club and Frankston Yacht Club Blue — gave exhibitions of fast and skilful play.

Keen public interest was shown. Many spectators were seeing the game for the first time.

The Hastings Bush Nursing Hospital will receive the profits.

Rosebud Soccer Club has completed its competitive games for the season.

The last two matches were cup contests against South Yarra and the Army and were the only competition games lost by Rosebud in the past two seasons.

The Army now holds the Peninsula Cup.

Rosebud relied on the same team throughout the season with no change and every player did a fine job.

The club has some new young players coming on and next year should also find new faces on the committee.

The annual meeting will be held on Tuesday, October 26. All interested in the game should be there.

The ladies will give an evening to the players and members in the Boneo Hall on Saturday, September 18. Come along to this also and enjoy yourself!
