PEN PICTURES OF OUR PLAYERS - DOUG WOODING

This week the spotlight is focused on one of the younger members of the Club - Doug Wooding.

Doug. was born in London in 1933 and lived there for the best part of his life. He was educated at the Tottenham Grammar School where, unfortunately, the main game played was rugby. He took a very strong interest in the game and it was not until he came to Australia in September 1949 that he started playing soccer. Although not a 'regular' in the team, Doug. can always be relied on should he be needed. He plays at outside-left and has played for our First Team in that position on numerous occasions.

Doug. is not the only member of the Wooding family interested in the Frankston Club. His sister, Joyce (who is on the Social Committee) is one of our strongest supporters. His two cousins, Clive and Colin are members of the Club - Clive on the Social side and Colin as a player. At the moment, Colin is serving in the Royal Australian Navy and we are looking forward to his return next season.

We wish all of them best luck for the future and hope that they will be interested in the Soccer Club for many seasons to come.

"Citizen"

Our Junior players are reminded that two teams of 'under 16' Frankston boys will play the curtain-raiser here at 1. pm next Saturday

The first round of the Dockerty Cup will be played next Saturday, August 11th.

We have been drawn to play against a country team, A.P.M. Maryvale on this ground and, should we win, we meet a First Division team, Park Rangers, in the second round on Saturday, 18th August. (Also on this ground)

Roll up and support the team. The more support our players get the better they play.

On Friday, 21st. September we will be holding our Grand Fancy Dress Ball in the Mechanics Hall. The Square Dancing Champions of Victoria will be present and have promised to give an exhibition. Book your tickets by contacting the Ticket Secretary, Mr. P. Morgan 7 James Street. Phone Frankston 901.

The Frankston Social Club (sponsored by the Soccer Club) will hold a General Meeting for the enrolment of members and the advancement of ideas for the forming of the Social Club, in the R.S.L. Hall on Wednesday, 8th August at 7.45 pm. Refreshments will be available at a small charge. Committee - Messrs P. Morgan, C. Wooding, P. Ims, A. Slater, H. Sycamore, J. Anderson, T. Kerr. Misses J. Wooding, N. Francis, M. Blado.

Today we welcome Moorabbin City as our guests in a Friendly Match.

We congratulate them for their performance in the Third Division during the present season, as they lost only 5 matches and missed promotion to the Second Division by only 1 point.

PEN PICTURES OF OUR PLAYERS - PETER MORGAN

This week the spotlight is again focused on one of the Morgan brothers - Peter.

Peter was born in Swansea, South Wales in 1928. His education (and his liking for soccer) began at Terrace Road School. Playing for the school at outside-right, he was a member of the team that won the Swansea Boys' Championship.

He continued his studies at Swansea Grammar School and played both rugby and soccer. At the latter he represented the local team of St. Yules.

In 1945 Peter joined the Navy and played soccer for his ship H.M.S. "Imperieuse". Later, in Hong Kong, he represented his ship, H.M.S. "Tamar" and had the distinction of being a member of the Service's team, runners-up in the British Pacific Fleet.

Returning to civilian life, Peter commenced work at Barclay's Bank, London and was selected to play in the Bank's First team. He came to Australia with his family in January this year and settled in Frankston. He has been a great asset to our Club both on and off the field.

Early this season (playing against Polonia) Peter received a leg injury which kept him out of football for several games, but since then he has been a regular player.

Everone will, I am sure, wish Peter success for future years.

Last Sunday we were entertained by Rosebud Football Club (playing their first match)

All who went on the trip enjoyed themselves, and we in the team would like to thank Messrs Piggott and Wooding for providing the necessary transport to Rosebud.

-----

The draw for the Dockerty Cup has been announced and Frankston Club will play it's first Cup match at home.

We meet A.P.M. Maryvale on this ground on Sat. 11th August. We would like to see our team have a run of successes in these matches, so remember the date and bring your friends along to support the Red & Blacks. Cup matches are worth seeing.

-----

On Monday, two of our Club members, Geoff Morgan and Colin Wooding leave us for service in the Royal Australian Navy. We wish them the best of luck and hope to have them playing for us again in the future.

-----

Would you like to visit Flinders Naval Depot with us next Sunday?. If so let the Treasurer know in order that the necessary transport may be arranged.

It is rumoured that one of our Club members has matrimony on his agenda for the near future. We hope that the lady concerned knows of these arrangements.
