### LAST WEEK'S MATCH

Our players put on a very good exhibition of wet-weather football when they defeated A.P.M. (Maryvale) in the first round of the Dockerty Cup last Saturday by the odd goal in 5. It is hard to single out any player, but special mention must be made of our goalie, Harry Van Keulen, for his fine anticipation and splendid saves.

It was a very gratifying result for us as it was the first defeat suffered by A.P.M. (a country team) this season, and it enabled us to see a First Division team (Park Rangers) in action in Frankston.

Our goals were scored by P. Ims, C. Davenport and P. Morgan

A pleasant evening was held in the R.S.L. Hall last Monday by the newly-formed Frankston Social Club and many new members were enrolled. Another Evening will be held on Wednesday next and you are cordially invited to attend. Admission is 1/6 and anyone wishing to join the Club may obtain particulars from any member of the Committee.

### MORE ODES ON SOCCER

Moorabbin, the Depot, and now A.P.M.  
Have all been downed by the Frankston men.  
But our lads must climb down from their mangers  
If they want to beat the great Park Rangers.

We all have heard of the "sticky wicket",  
Last week's pitch was really terrific.  
I think that the boys can win again  
If the powers above can send more rain.

PEN PICTURES OF OUR PLAYERS - DOUG WOODING

This week the spotlight is focused on one of the younger members of the Club - Doug Wooding.

Doug. was born in London in 1933 and lived there for the best part of his life. He was educated at the Tottenham Grammar School where, unfortunately, the main game played was rugby. He took a very strong interest in the game and it was not until he came to Australia in September 1949 that he started playing soccer. Although not a 'regular' in the team, Doug. can always be relied on should he be needed. He plays at outside-left and has played for our First Team in that position on numerous occasions.

Doug. is not the only member of the Wooding family interested in the Frankston Club. His sister, Joyce (who is on the Social Committee) is one of our strongest supporters. His two cousins, Clive and Colin are members of the Club - Clive on the Social side and Colin as a player. At the moment, Colin is serving in the Royal Australian Navy and we are looking forward to his return next season.

We wish all of them best luck for the future and hope that they will be interested in the Soccer Club for many seasons to come.

Today we welcome a First Division team when we meet Park Rangers in the second round of the Dockerty Cup.

When Frankston formed a Soccer Club less than 6 months ago, we didn't dare hope to see a First Division team here in our first year. We extend special welcome to Park Rangers as they are the Senior Division team to play a competition match on our ground.
