PEN PICTURES OF OUR PLAYERS - TOM KERR

This week we turn the spotlight on one of the Scots in the team - Tom Kerr.

Tom was born at Girvan on the West Coast of Scotland on 20th September, 1930. In his early boyhood he attended the Girvan Grammar School where he played a little 'soccer, but at that time was not sufficiently interested in the game to take it up seriously. He came to Australia in June 1949 and was one of the foundation members of the Club. He joined the Club when it was formed this year and his interest in soccer has increased with each game.

Tom is one of our keenest members, and although not in the First Team each week, he is always at hand, whether the team is playing at Home or Away, in case he should be needed. He has played in 5 different positions this year.

In paying this short tribute to Tom, I would like to wish him every success in the future. As long as Frankston has a Soccer Club I hope it can boast of chaps like Tom Kerr.

### LAST WEEK'S MATCH

Our players put on a very good exhibition of wet-weather football when they defeated A.P.M. (Maryvale) in the first round of the Dockerty Cup last Saturday by the odd goal in 5. It is hard to single out any player, but special mention must be made of our goalie, Harry Van Keulen, for his fine anticipation and splendid saves.

It was a very gratifying result for us as it was the first defeat suffered by A.P.M. (a country team) this season, and it enabled us to see a First Division team (Park Rangers) in action in Frankston.

Our goals were scored by P. Ims, C. Davenport and P. Morgan

A pleasant evening was held in the R.S.L. Hall last Monday by the newly-formed Frankston Social Club and many new members were enrolled. Another Evening will be held on Wednesday next and you are cordially invited to attend. Admission is 1/6 and anyone wishing to join the Club may obtain particulars from any member of the Committee.

### MORE ODES ON SOCCER

Moorabbin, the Depot, and now A.P.M.  
Have all been downed by the Frankston men.  
But our lads must climb down from their mangers  
If they want to beat the great Park Rangers.

We all have heard of the "sticky wicket",  
That last week's pitch was really terrific.  
I think that the boys can win again  
If the powers above can send more rain.

Today we welcome a First Division team when we meet Park Rangers in the second round of the Dockerty Cup.

When Frankston formed a Soccer Club less than 6 months ago, we didn't dare hope to see a First Division team here in our first year. We extend a special welcome to Park Rangers as they are the Senior Division team to play a competition match on our ground.
