Vol 1 No 1

Price 5d

2nd June 1951

Frankston Soccer Club was formed in February 1954. Thanks to the hard work of the initial organisers, the Club has really got Frankston soccer minded.

Over 200 spectators witnessed our last home Match. This is very encouraging as an important Aussie Rules Match was played in Frankston on the same day.

In this space, in future issues, it is proposed to present Pen Pictures of various players.

Watch out for No.1. - The Captain.

JUNIOR SECTION

Messers Owen Piggott and Les Wilkes have volunteered to look after the interests of the younger players. At the moment we have 12 Juniors who have any idea of football, but we hope to form a good team with the object of entering the Junior League next season

If any Junior is interested, please contact either of the above-mentioned players or any member of the Committee.

It is proposed to play a Match amongst all our younger players as "curtain-raisers" to our League Matches. Anyone wishing to play must be on the ground by 4 pm.

ULSTERVILLE 2 - FRANKSTON 1

On Saturday last, Ulsterville completed the double against us.

Although we had the advantage of the wind in the first half, we didn't settle down to play real football and at half-time the score was 1 - nil in Ulsterville's favour. The second half was very much the same, and after about 10 minutes Ulsterville scored their second goal.

It was during one of the spasmodic raids we made into their territory that Colin Davenport scored our only goal with a grand left-foot cross-shot that deceived everyone.

Today we welcome "SLAVIA" as our visitors and trust that this game will be as good as that played when we visited them at Middle Park

The SLAVIA Soccer Team is second in the League Table, having lost only one game.

At our last meeting the score was 4 - 3 in their favour and we hope to have our revenge today

The attendance at the last General Meeting was rather disappointing, due, no doubt, to the very wet night.

The Club requires a News Reporter who would be willing to do our "write-ups" for the local papers. This is a very important job, and anyone interested is asked to contact the Secretary at 44 Cranbourne Road.

Have you ever realised that if each "Soccer enthusiast" brought along one "non-soccer enthusiast" to watch the game, what a difference it would make to soccer in general?

The English Soccer Team will be playing in Melbourne next week. On June 6th and 9th they will play at the Melbourne Cricket Ground, and on June 11th at the Richmond Oval.

We thank one of our players, Mr Ken Spanton, for the fine cover drawing each week.

On July 7th. we play Geelong United in a League Match.

The return fare will be 15/- for adults and 5/- for children of school age.

Anyone interested in making the trip is asked to contact the Treasurer as early as possible.

We are organising a "clean newspaper drive" (to start immediately), in order to augment Club Funds.

If you have any newspapers to supply, please get in touch with any member of the Committee and arrangements will be made to have them collected.

The next Soccer Club Grand Dance will be held in the Mechanics Institute, Frankston, on Wednesday, June 27th 1951.

PLEASE BOOK THIS DATE and help to support your Club.

It is hoped to play a Friendly Match against Flinders Naval Depot (at Depot) in the near future
