FRANKSTON CITY SOCCER CLUB

CHAIRMAN'S REPORT

Season 1967 is with us. This could possibly be the most important year of our organisation.

Members and supporters will appreciate the vast changes since the inception of the Club in 1951. Our old friends "Nippy" Prior, the Piggot family and the Nix family, have actually been, in their own way, responsible for us being where we are today. To them, we, the Club of today, say, "Thanks for starting us off".

This year everything is new. The Year Book you have just purchased is another venture on the part of your new Committee. Again it is another first in Victorian Soccer - no other Club has yet produced their own.

Our name is new - we have now become the Frankston City Soccer Club. Our colours are new and the Club will be playing in the City colours of Royal Blue and Gold. Our ground is new, we have at long last succeeded in obtaining a venue for our "boys" at our new ground at North Seaford Reserve.

May we enjoy your continued support of the Club, both financial and vocal. Let me now wish, on behalf of the Committee, success as you follow the success of both the Club and the Teams.
