FRANKSTON CITY SOCCER CLUB

CHAIRMAN'S REPORT

Ladies and Gentlemen,

Last year Mr. Norm Stanley in his Chairmans' report said that 1967 could be the most important year in the Club's history.

It was because the foundations were laid for a new look, Frankston City Soccer Club, and in my opinion the future looks brighter than ever.

Your Committee strengthened by new members at the last Annual General Meeting have a down to earth administrative policy which is designed to pave the way for State League within the next five years or so. You may look forward to major and radical changes to the Constitution with that event in sight.

I doubt if there has ever been a better spirit in the Committee room or in the Dressing room. Both camps really closer than ever before and recognising their respective problems and responsibilities.

We are a CLUB and with your support we will go from strength to strength.

Ladies and Gentlemen, I wish you all a most exciting and successful season and ask you to join with me in wishing the players well.

Harold E. Cook.

SECRETARY'S REPORT

Support for our Code is growing year by year, standards of play are higher each year and we at Frankston are lucky to have been provided with excellent facilities at North Seaford by the City Administration - to them we say "Thank you!"

But with better facilities and higher standards come greater responsibilities and financial commitments.

This Club must increase it's membership numbers and support at games both 'Home' and 'Away'. We offer very good, fast entertaining Soccer and a host of social activities for which we ask your support.

You, the Club's members have a part to play in our growth, for without you our Club ceases to exist. Support your Social Club, there is something for everyone.

Sign a new member and bring a friend or friends to see "Frankston City" in action throughout the season.

N. JONES.
