Popular first teamer Mike Benton has just announced his engagement to Miss Meredith Davies, an Australian lass who has different ideas on the skill of soccer as against footy. The club offers its best wishes to the happy pair.

Frankston Ladies Auxiliary are holding a baby show at Fenton Hall, Beach Street, on August 17th. All entries are welcome. Judging will commence at 1 o'clock, and will be conducted by doctors from Alfred Hospital.

UNIVERSITY (0) 0 v FRANKSTON CITY (0) 0.

Team: B. PAPOUSAKIS, T. HALL, M. BENTON, F. THOMPSON, N. BEVIS, K. SCHROEDER, M. MAIR, B. WOODGATE, G. BAULK, B. FINCH, T. PARRY

A strong wind which had prevailed throughout the reserve team match continued to blow in the senior match and spoiled what could have been a good game.

Neither side settled down to the conditions and the game itself is best forgotten as far as we are concerned.

Despite the fact that we have one of the highest goals "for" in the league we could find no holes in the University defence. Equally, our defence gave nothing away; in fact in the second half, the ball rarely crossed the halfway line, and our defence looked on helplessly as the chances we did have went a-begging.

Rarely has our attack looked so ineffectual, and it was only when Micky Mail had the ball that any danger threatened the University goal. A great trier all afternoon, he had one goal drive palmed away by the goalkeeper, and hit the bar on another.

University were without their Australian International, Angus Drennan, and perhaps this was just as well, as he could have produced better efforts from their very poor forward line.

UNIVERSITY RES. (1) 2 v FRANKSTON CITY (0) 2

Team: G. BARDSLEY, D. LATIMER, R. LIBBERTER, J. BUTTERFIELD, R. LYMER, B. JONES, G. QUINELL, H. GUSSENHOVEN, M. BEVIS, G. PASK, L. PARKAS.

A wind approaching gale force contained our good soccer and brought us down to the level of the opposition.

In the opening minutes, a Mike Bev's free kick floated dangerously across the penalty area, and two of our forwards just missed touching it home. Despite strong pressure on their goal, we failed to score, and, as often happens, University scored in a breakaway goal. Attempting to play them offside, we came out of our area: however, not quickly enough, and their centre forward had an easy job to beat Geoff Bardsley. With less than five minutes gone in the second half, they increased their lead through a harmless cross which bounced off Roy Lymers head, into the goal.

At last, danger lights began to flicker in the team, and Gerry Pask, striving hard to get the forwards going, pushed a long through ball to Mike Bevis. He rounded the move off by hitting home the first goal. We now began to play better soccer, and it was no surprise when Lou Parkas hit home our equalising goal.

No further goals came, and we came away with a good but fortunate draw.

PERSONALITY PARADE 1968.

CON VAN DEN ENGEL.

Better known to players and fans as Snowy, Con emigrated to Australia from Holland in 1950. His arrival began his long and happy association with Frankston City which was founded shortly after he arrived.

Con has the singular honour of scoring Frankston's first goal after their acceptance into the Metropolitan League. In his native Holland he had played as a Junior with Vitesse F.C. of Arnhem, who, at the time, were in the Dutch First Division.

Con's footballing career was brought to a close by cartilage trouble; however, he took the field in the reserve game in Canberra, and helped win the match. Con was appointed team manager and selector and has hopes of seeing first division at Frankston. A loyal servant of the club, Con, together with his wife Clare, devotes many hours to the club, and is always endeavouring to see the club reach the top.

RESERVE SCORES IN BRACKETS.

.....

Saturday August 10th

Good afternoon to you all. To the Officials, Players and Supporters of Brighton Soccer Club we offer a sincere welcome.

CITY CHATTER.

Due to a misunderstanding, we failed to come to press at our last home fixture. However, we are back in business today; and trusting you will enjoy today's fare against Brighton. Despite being low in the league, they are fighting hard to escape relegation and with a little luck should hold on to division II status.

What, on paper, appeared to be two easy points proved no such thing last Saturday. Despite being without their two best players, University fought hard for their one point; and also kept us scoreless.

Improving with every game he plays is wing half signing Frank Thompson, despite a nagging shoulder injury, Frank has settled in well, and is now showing the form which made him Sandringham's best and fairest last season.

Bound for Perth, W.A. are Ron Cummings and reserve full back Derrick Lattimer. They are leaving together with John Lehup and Brian Jones at the end of the present season. Two other players who will be on the move are Brian Woodgate, U.K. bound, and reserve inside forward Peter Hoff, who has a Navy posting outside Australia.

If talks between H.S.V.7 and the Victoria Soccer Federation are successful, it may not be long before live soccer is screened on Sunday afternoons. Seeking opposition to Channel "0"'s live footy coverage, Channel 7 have decided on State League Soccer: if agreement is reached it could prove a real boost for the round ball code.

With only three games remaining, the reserves are neck and neck with Keilor for the reserve league permant. Despite last week's draw, they have a very good chance of finishing in Top position.

Our last home match of the season against Keilor City should prove to be a good match and of course the reserves game should decide the permant. Keilor have proved too good for Division II this season, and they should have no difficulty in gaining promotion to Division I.
