Trevor Parry

London born Trevor Parry had not played soccer since Primary School when he arrived in Australia in December, 1964. Seeing an article in the local paper in reference to the FRANKSTON SOCCER CLUB, he then made enquiries and commenced training before the start of the 1965 season. Playing for the Reserves side for a number of games, his 1st X1 appearance came when the team was one man short. Trevor thereby established a first team position, and was a regular member of the side for the remainder of the season, in which FRANKSTON were third division premiers.

Studies hindered training the following season in which he was in and out of the first team. Last year, he missed only one game in the first team, his ninety minute play on the left wing causing many headaches to opposing defences and, in fact, he finished leading scorer of the side.

A Commercial Trainee with B.P. Australia Ltd., Trevor is also undertaking a part time B.A. degree at Monash University. During the past weeks, Trevor has announced his engagement to Ann, daughter of our proverbial Vice President, Norm Stanley, and we take this opportunity to wish them well.

A keen sportsman, Trevor is a fine cricketer and enjoys swimming in the summer months.

We offer a short postscript to this profile. Trevor has never had any coaching in the art of soccer. Exactly what would happen to his play if he was, we are sure would be not only to the players' benefit, but the club's also.

Saturday, June 1st.

Good afternoon to you all. This afternoon we extend a sincere welcome to the Officials, Players and Supporters of the RICHMOND SOCCER CLUB.

CITY CHATTER

Last Saturday the hoodoo of Dendy Park was finally laid when the "boys in blue" gained a comfortable win, (3 -1) It had been many years since we were successful at Brighton, but, on this occasion, the result was never really in doubt. However, we now have today's hurdle to overcome. Richmond are noted as a good footballing side filled with ball players, like ourselves. In fact, just what happens when two similar types of side meet? - We'll let you know the answer at the end of the ninety minutes.

The shoulder injury incurred by Ron Cummings whilst playing in goal for our third X1 has given young Tommy Flynn the taste of first team soccer. Two excellent performances have already silenced any doubters as to the players ability. In fact, when Ron is fit again, it will obviously cause the selectors some "happy" selection worries.

Ever present this season, Brian Woodgate continues to either make or score goals. A Lieutenant at the local Naval Base, Brian's tour of duty ends late this year, and it is back to U.K. for the player. Perhaps Committeeman John Barclay can further his stay should we make first division.

Two happy occasions to report are the engagement of first teamer Tony Valk to Miss Sandra Staczewski, she is the daughter of Stan Staczewski, who runs the junior selection. The surprising but happy announcement is that Hans Yussenhoven, our hard working committeeman and player, has left bachelorhood. Every happiness to Hans and his wife, Gloria.

In the Dockerty Cup second round we have been drawn to meet Waverley. The game will be played this month, in fact, Queen's Holiday, Monday June 10th, has been set down for this fixture. Please watch the local press for official notice.

Next weeks game is uppermost in our minds, however. Keilor are really setting the league alight. The team is made up of many players who previously played for St. Albans

until a split in the club between nationalities (the Polish section going to Keilor) promoted this season, they are proving tough opposition, and we hope many of you will cheer us on next week.

BRIGHTON (0) v FRANKSTON CITY (3) 3.

Team: PAPOUSAKIS ELYNN BENTON (Capt) WOODGATE  
N. BEVIS VALK McLEAN BAULK FARKAS FINCH  
PARRY.

The game started at a lively rate with both sides striving for an early breakthrough. However, it was to be twenty minutes before the first score.

A movement began on our left flank and ended with a low cross. Stuart McLean, who had wandered into the middle, latched onto the ball, and drive home our first goal. This was to prove a turning point, and Brightons goal became a centre of activity. Goals had to come, and they did.

Brian Finch, who was having a good game, at inside forward, picked up a loose ball in his own half, going through with the ball, he put a good ball to Graham Baulk. Graham in turn returned a good ball to Brian who had kept running and it was 2 - 0. Our third goal was from a good through ball by Brian Woodgate, it found Graham Baulk in an unmarked position in their area and it was 3 - 0.

The second half opened as the first had ended, but missed chances, and some good goalkeeping kept us scoreless. Brighton, meanwhile, were beginning to fight back. Indeed, in the first half, had it not been for goal line overhead kick by Nigel Bevis, they would have scored, in one of their attacks we handled in the area. Brighton did not take their chance, however, as the ball was placed outside the post. Their determined attacks were kept up, and the last fifteen minutes saw them pound our goal, a half clearance from a corner went directly into their inside forward who blazed away at our goal, with Billy Papousakis well beaten. The ball was punched over the bar by a defender, this time Brighton made no mistake from the resultant penalty.

Best Players: FINCH (best on ground) BEVIS, BENTON.

Forced to make changes due to injury and sickness, the reserve side did not give an impressive performance on Saturday. Neither side deserved to win in a game in which both teams offered very little constructive football. Geoff Bardsley had a good game in goal, giving a workman-like performance, this being the only creditable performance in the side.

Our third team were given a tidy thrashing at the hands of a far superior team. Better known as Wilhelmina, they fielded several first team players. The game proved useful for our team, however, and perhaps we can reverse the scores next time. Last week, we beat University 4 - 2.

Report -

This fine win by the blues, despite being without 3 regulars has put us right back in the championship race. In fact 1 point off of top place on 20 points. Waverley were not in the race from the start as Frankston gradually got on top against the wind. Play was concentrated on the left with Lawson and Finch prominent. From one attack on the left, Schroeder finding not enough to do behind, moved up to slip a great pass to Brian Finch who took home a good goal. Graham Baulk had two good chances to put us further ahead but luck eluded him. The second half saw the blues press continually and it seemed just a matter of time before their lead was increased. Graham Baulk given the type of ball he loves, headed home the second before colliding with the Waverley keeper who went off. Keith Lawson added a third direct from a corner to give us a sound deserved win. Main feature of the blues play was their all round superiority beating Waverley in every department. Billy Papoutsakis had little to do, but one save from a header was top class and showed why he is reckoned as one of the best goalkeepers in the second division.

Tony Hall and Kurt Schroeder, our gentlemen, showed calm cool skill whenever in possession, quite a contrast to the ferocious tackling of Ron Cummings and to a lesser extent George Eadie, who had a capable game at centre half. Alan Parrott in second half showed skill and poise and almost added to the score with a blistering shot that just missed a post. Top marks to Keith Lawson for a great game at left wing, and secondly Brian Finch back to top form. Thirdly Billy Papoutsakis who was in complete control in his territory.

Report -

With an official referee I am sure this result would have gone Frankston's way. It seemed nothing would go right for the blues particularly in the second half when they strove to get back into the game. Twice the blues hit back after set backs which gave Waverley 3 goals. With the score 3 - 3 late in the game Waverley were given a penalty for a seemingly correct tackle and although fighting all the way went down 5 - 3. Top marks to George Quennell who never stopped running, Des Caruthers, for a polished performance and Roy Lymer mainly for a fine game at left back. A good show however despite the loss by the reserve side who are among the top scorers in their league.

Best - Quennell, Caruthers, Lymer.

PERSONALITY PARADE - No. 11 - George Eadie

One of two Scots who play in the Senior side at present is George Eadie. George came to Australia in January 1968. He was born in Bishopbriggs in Glasgow in 1942. Handsome, dark haired George joined us from Triestina earlier this season and has acquitted himself well since his arrival. George is married to a London girl Jean, and has one daughter, Jill, aged 2. He was a policeman in Glasgow and represented the force for 2½ years on the soccer field and won a Scottish Amateur Cup against Ireland as a centre half. George moved to London in 1964 where he played for Walton & Hertham and Senie professionals Hillingdon Borough. Later he joined Epsom and Ewell before emigrating and joining Triestina. George is a Sales Representative for Johnson's Baby powder and lives in Karingal. To join the musicians in the club he plays drums and the bugle and says his ambition is to win tatts and retire at 30. Not long to go George !

PERSONALITY PARADE no. 12 - Billy Lewis -

The other scot in the senior side, Billy Lewis also joined us from Frankston Pines, earlier in the season. In fact Pines thought him too good for their grade of football and sent him to us. Billy has lived up to that reputation since his arrival. Bill was also born in Glasgow, Paisley to be exact in 1949 and came to Australia in 1963. Not to be outdone by George Westlake and George Quennell, Billy also comes from a large family. He has 5 sisters and 2 brothers all here in Frankston except an elder brother. Billy is married to Linda and has a daughter Billie Jean aged 2 months. Quite in contrast to George Eadie, Billie is very fair and easy to pick out on the field. Despit his size he frequently beats bigger men in the air and his groundwork is calm and clever. We have had a number of good acquisitions this year and Billy is no exception. Our thanks must go to Frankston Pines for allowing Billy to wear our colours.

The reserve eleven are putting in some useful performance also. It is a shame we did not have the players we have now earlier in the season as they may well have been up with the leaders also. Last year's reserve eleven lost the league title only by a one-nil defeat by winners Keilor in the last game of the season. When at full strength our second string must be among the strongest in the league as some results show. They have a strong line up this week so we should see some fireworks especially as Sandy reserves are second bottom also.

Last Sunday's car rally turned out to be good fun. 17 cars took part and went on their merry way. The rally was eventually won by Tony & Nancy Hall after great consternation by the answers to the 75 questions. Keith Lawson and Anna, ably assisted by driver Michael Bevis came second with George & Joyce Bower close behind in third place. When George "the bar" Westlake and Gordon Lewry arrived there 1 hour and 6 mins after the start, at the destination, much to the delight of the organisers, we began to worry that the course may have been too easy but after checking papers, found most people had some sort of strife and indeed Mr & Mrs. Bert Ross managed to win the booby, but actually arrived before Bob "suitmaker" Mc. Connell and Kay who actually lives at the destination. We understand Kay is just back from Perth but did not think the course that hard. Bouquets for Kay and Lorraine, who spent their Saturday night preparing food for the multitude and a few hours on Sunday setting it out on the day. A supreme effort by the girls all on their own much appreciated by the contestants. Love you both. In fact we must appreciate all the ladies down the club who spend hours at times looking after us boys in the week and on Saturdays.
