FRANKSTON CITY SOCCER CLUB

SEASON 1970

METROPOLITAN LEAGUE

DIVISION TWO

versus

ALBION ROVERS

OFFICIAL PROGRAMME

CITY CHAPTER

Good afternoon everybody and welcome to our home game against promotion contenders Albion Rovers.

We extend a warm welcome to the Albion Rovers players, committee and supporters and hope they enjoy our hospitality at Seaford.

The Rovers have been with the leaders all season and still have a good chance of promotion. Victory for us today could improve our own chances after our setback last week against Ajax. Yallourn is running away with the league at the moment but anything can happen in this interesting battle. We have an away fixture against Yallourn next week and a win could open the league challenge right up.

Penalties seem to be our bugbear this season and the twice we have been beaten, we have offset two penalties. In fact, of our twelve league goals against, no less than seven have been penalties! Of the remaining five, Albion's centre forward, John Stuart has scored two. Let's hope we can keep him scoreless today.

A great evening was had by the club last Sunday at 'The Cuckoo Inn' at Sassafras. Organizers can take bouquets, for the evening was thoroughly enjoyed by all.

Plans have been drawn up for fencing the North Seaford ground and for a stand and dressing-rooms by the main pitch. This is a big move indeed, but awaits the Council's approval. Once again, we see the progress made by our Committee and let's hope that we on the playing side can match with progress to Division One.

REPORT

Our second defeat of the season against a much poorer side in Ajax. The game started at a fast pace with Ajax on the attack. In one of their opening attacks, Tom Flynn upended an Ajax forward, seemingly unintentionally, in the box and we were one down in the first two minutes. The referee didn't allow much scope for the bad conditions, so we can consider ourselves unlucky. The second goal came as we began to get on top when an Ajax forward shot for goal and Nigel Bevis's arm got in the way of the ball.

From then on, Ajax never looked like scoring and Frankston vainly tried to make up the leeway. Several times we came close, but the bumpy, windy conditions allayed our effectiveness and the score remained at 2-0.

Best - Houston, Flynn, Benton and Finch.

The reserves continued to beat all in the reserve division and overcame the awful conditions to win 2-0 with goals from Bob Adams and Keith Lawson. Best - Lawson, Peak, Mick Bevis, Scourfield.
