FACTS YOU SHOULD KNOW ABOUT FUNERALS

Too often, families make hasty, ill-informed, needlessly expensive decisions following the death of a loved one. Over the past few years, I have had a lot of enquiries from people who are worried about how much to put away to cover funeral expenses. Our average funeral, whether it be a burial or cremation, is approximately \$630. This covers the cost of a good quality Coffin, the Hearse, one Mourning Coach, Cremation Fee (or Burial), Cremation Certificates, offering to Clergy, Press Notices, and all the Funeral Administration.

Sincerely,

E. E. BULL.

Glamor Cote

THE INTERIOR REVOLUTION

... originally and traditionally paint has been used as an interior decorating product. Then, as a change to style and redecorating, wall paper was introduced.

This, along with paint, produced certain problems.

Now Glamor Cote, the Interior Revolution, is on the scene, solving some of the traditional problems of interior decor products.

HISTORY

Over 3.8 million bags of Glamor Cote are produced each month for local and overseas markets. United States, Canada, European and South East Asian countries are among those who are now sharing in its ever increasing popularity.

BITS AND PIECES AROUND THE CLUB

Since our Clubrooms opened on June 18, 1978, several of our Members have made overseas trips; nice to see them back safe and sound. All appear to think that down under is not such a bad place to live.

Ethel Barclay. Thanks also Ethel for the gifts you donated to the Club.

Dawn Stanley. Welcome back, Dawn. The old Riv wasn't the same without you, nor was husband and Life Member, Norm. At least he gets home early now to put on the steak and kidney.

Talking of the Frankston V.F.A., may we extend our congratulations on your magnificent Premiership win for 1978. We wish you all the success for the coming season, on and off the field.

BITS AND PIECES AROUND THE CLUB

The 11-2-79 was a funny day at the Club. Everton had made it to the top of Division One. A \$50 bet was made by Les Smith; another person said they hadn't. Les won the bet. Kindly letting off the gent if he kissed his backside. He did. Who was the other gent in a tank top, looking on with envy?

Congratulations are extended by all to **Des** and **Helen Gillick** on the birth of their second son, little Joe. A brother for Jason, Des and Helen also have five other daughters the eldest 23.

To **Carol** and **Bill Campbell**, congratulations also on the birth of their second son, baby Duncan, and the Club's thanks, Bill, for all your help behind the bar, and good luck with your new appointment as Assistant Treasurer.

Hans and **Gloria Gussenhoven** had a well-deserved break recently, journeying to Warrnambool with the little ones. Hans, always one to worry, rang the Club on Saturday night to see if everything was OK. Of course, came the reply, but the bar needs some ice. All in all, Hans rang four times. We're not sure if he reversed the charges.

BITS AND PIECES AROUND THE CLUB

On occasions you would think the Club was situated at the Yarra Bank. Some good political arguments take place. Main offenders are **John Barclay**, **Ivan Quinn**, **Peter Waters**, **Leo Goodyear** (Chicken S...), **Jack Belbin**, **Jimmy Cutler** and **Whiskey David**. Sides are almost equal.

Before going to Press we heard that **Margaret Jones** was not too well and was soon to go to hospital. May we extend to you Margaret, a speedy recovery and good health for the future.

To all Members' wives, the Club's Telephone Number is:

789 1103 — 789 1103

But save your money, girls. The stock answers **Brian Blanch** will give you are:

Have not seen him.

In at a Meeting.

Still at work I guess.

Tell her I'm not here.

For the price of a beer, girls, I will switch the phone over to the office and tell you the truth.

Who needs friends?

A wonderful supporter to our Club is **David Lineham**, better known to some as **Whiskey David**. David never misses a raffle, and even when not in the best of health, he would ring the Club and make sure he would have a ticket as not to miss out. Nice to see you back at the Club and in better health.

A warm welcome goes out to the **Karingal Licas Club**. President Sam does a great job. May we thank you for your Club Pennant. We trust our Club does the right job for you, and thanks to all your members who have joined our Club. May our relationship be a strong and happy one.

Our Clubrooms are a credit, and it's mainly due to two people, **Glenda Smith** and **Meg Thompson**, who work so hard doing the cleaning.

Also thanks to our Members and Guests for using the ashtrays. Not a single burn on the carpet or dance floor. Thank you.

BITS AND PIECES AROUND THE CLUB

Also another thank you goes out to the lads who clear away our garbage. You do a great job. Thanks, boys.

To the boys from the Frankston Council who look after the ground. Well done, and thank you also.

You know I've got three mates on Bingo Nights, the two little Smith boys and the not so small Geoffrey Barclay, who clean the tables, fetch the glasses, sweep the floor, etc. A big thank you personally from Brian.

May we also take this opportunity in thanking all the loyal Bingo players who are at the Club every week. We know that the prizes are not big at this stage. Bring your friends along also, they are most welcome.

Surely some of our Members could show up a little more often. Join in a bit of fun and wobble wobble.

To Jeanette Charles and John, thanks for a great job.

When the lights on the dance floor are dim, remember Uncle Norm Stanley is watching you.

Who is the rabbit muncher?

Our First Kids' Christmas Party was a huge success. The little ones certainly had a good time, the expressions on their faces when meeting Father Christmas was a delight to see, plus all the proud parents. And they had a ball also; anyone would think it was their party.

Thanks Father Christmas for making it a great day, and a special thank you to the two clowns, Michelle and Marcia. Marcia is, by the way, the daughter of Mollie Blanch. Let's hope she follows in her mother's footsteps.

Talking of Mollie, everyone's friend, a big thank you for your help in your selling the Club's raffles.

Members are that used to her now they have their brass ready.

To all the people who make deliveries to the Club via the back door, thanks for your services, we are indeed grateful for your help.

It's an amazing thing how the Club Membership is growing at last, and so many are Aussie Rules supporters. Quite a few from the other Club, Frankston V.F.A.

BITS AND PIECES AROUND THE CLUB

Another first for our Club was the hire of our rooms to the one and only **Hoo Ha Club**. It was quite a day, if our rooms came up their expectations.

Perhaps we may see them back in the near future. The new President of the Hoo Ha Club for 1979 is popular, well-known local identity, **Bob Brown**, who is a member of F.C.S.C. and also the Sponsor of the Flomar Cup.

Congratulations, Bob.

1979 POOL COMPETITION

Members have had the opportunity to take part in the Club's First Pool Competition; 32 Members will take part, playing for the Singles, and Doubles Trophies.

Trophies and Vouchers have been donated by Tayler's Real Estate, and E.S.P. Building Society. This is another first for our Club and many thanks to **Rogan Ward** and **John Chambers** for their keen interest.

Members please take note, and also their Guests. When you have entered the main gate, it is not Tracey's Speedway. Kindly

drive in at 5 m.p.h. We do have little ones who could dash across your path.

Thank you.
A special thank you goes out to **Joe Dungan** in helping to make this book a success. Well done, Joe, we'll get that \$30 Membership yet. You see Joe's a one-eyed Aussie Rules fanatic. And to Joe's wife Margerate, thanks for being so understanding, when Joe worked back late at the Club, practising his snooker shots.

★
The Club had the pleasure of meeting a real gentleman from the U.K. in **Robin Ellis**, brother-in-law to **David Reece**.

I wonder if he has sewn on our Club Badge yet. We all enjoyed your company and humour. Come back soon again, Robin, for good next time and we will have another crayfish luncheon.

A MESSAGE TO RESERVE PLAYERS

by NIGEL BEVIS

After last season's achievement of gaining second place in the very strong State League Reserve League, and losing only two of 22 League games, both by the odd goal, to winners Slavia away, and Armstrong Cup finalists Preston, we leave ourselves little room to improve on. But improve we must.

We must endeavour to take the Reserve League title this time and most certainly go further in the Armstrong Cup. It is possible to gain an unbeaten year, and we must strive for that.

However, the most important task we have for season 1979, is to represent Frankston City, as the leading State League Club, with honour, pride and determination, to win each game or get the best out of it, to continue to press for 1st team recognition until we get it.

Have modesty in victory and generosity in defeat, and remember our responsibility to

entertain those who come to watch or wish us well.

To each one of you, I wish you luck in season 1979. Luck benefits the trier and as long as you have given your best effort, then success must follow.

Remember always, that the first team were all Reserve players once, and it was their endeavour that brought them success. Let it be yours.

I wish all first team players well also, and hope that we can provide some very healthy competition from the Reserve ranks.

Remember, too, that the only way out of the Reserve side is to play your way out of it.

To our supporters, we look forward to a most entertaining year from all teams and hope you like what we have to offer.

Good luck in 1979.

NIGEL BEVIS.

ABOUT OUR RESERVE PLAYERS

CHRIS SLEIGHT, 17. In his third season as a right winger. Has pace, good ball control and is always likely to score. Lives in Seaford.

Parents English.

OTTO LEENSTRA, 18. Best and Fairest for the Reserves last season, with a most consistent and capable year. Provided a safe centre defence pair with David Cooper. This powerful tackling youngster is in his second year at Frankston after moving over from Karingal.

Midfield his favourite position. He has the qualities to win the sweeper position in 1979.

Parents Croatian.

DAVID GILBERT, 15. State Under 16 goalkeeper, coming into the Reserve side for his first season. Shows excellent ability and reflexes. Having represented the State in the previous age levels and, growing fast, is an excellent prospect.

NIGEL BEVIS — RESERVE TEAM COACH

London-born player brought out by Essendon Lions in 1964, after playing with Brentford and Hounslow Town. After 50 games on the left wing for Lions beside Mike de Bruykale, Bob McGlauchlan and Steve Walker, moved to Frankston, via Moreland in 1968. Won Best and Fairest in '68, Runner-up in '69 and third in 1970. Best Player/Clubman 1971. Captained side from 1968-71, including Promotion Year 1970.

A believer in youth and fast, active football, looks forward to a title this season with the Reserves, together with promotion of young players to the senior side.

AMBITION

To see Frankston City develop its team from its own resources.

Now in tenth year at Frankston, continuous apart from a year away coaching Prahran in 1975. Took over Reserves from Joe McLean in 1977 and took them to within an ace of winning title last year.
