FRANKSTON CITY NEWSLETTER APRIL 1980.

OUR VISITORS:

Altona were formed in the fifties from basically British Migrants and although they haven't been exactly blessed with success, they have made state league in a similar way to ourselves, in fact the two clubs are alike in many ways, however they leave us and most other clubs in their handling of Juniors, having produced many stars, only to be robbed of them by Big Spending Clubs. The successes that spring to mind are Peter Laumets, Alan Davidson, Mike Miscerci, all of whom played for Australia.

Altona hope to be moving to a ¼ million dollar complex next year in Paisly St.

Coach Joe Wilson who disappeared to England last year and came straight back is a vociferous gentleman, I use the term lightly, who had spells with Wolves and Workington as a pro. Looking at their team, on paper it seems very young with a couple of old heads about, they lost last week in a one sided affair to the improving Ajax team but may surprise, because Joe Wilson knows his game. We would like to wish the Altona people the Best of Luck and welcome them to our Club, but I've got a feeling that we've got too much for them. Player to watch is Nat Little should be wearing No.9.

WE LOSE TO HAKOAH:

After the bad publicity we have had over the past few weeks, some reporters have predicted that we will make the drop at the end of the season, I think our display against Hakoah silenced a few people, and caused a few people to re-think, a poor first half, where Hakoah scored two fairly easy but well taken goals, things were changed by Nigel Bevis at half time, the workmanlike Cooper came on for John Rowe, who had been all at sea, and immediately scored a fine goal, but added the bite that allows Bill Buchanan and Willie Coulsen to get going. We dominated the second half, and could well have stolen the game. If we can seal deals with the three experienced players we have training with us at the moment, Ian Williamson, Dave Webb and Nick Lowe, we will certainly surprise. Best players were Bill White-side in goal, Danny McClusky and Sean Parton.

Our Neighbours Frankston Pines kick off their 3 division challenge on Saturday with a hard one against Ferntree Gully, we should like to wish them the Best of Luck for the season. I'm sure they will do well. I'll arrange to put their fixtures in the programme so Soccer followers may go to their games on Saturdays and perhaps their followers will come to our games on Sundays.

JUNIORS:

I have a sneaky feeling that we are soon to be seeing a lot of Talent bursting on the scene, I have arrived to that conclusion after seeing our 3 sets of Juniors performing over the past few weeks. The thing with 14 to 19 year old boys is that they grow so rapidly in that period, they come back twice the size. I think this may have happened to our boys, after struggling last year, I would stick my head out and say we have some potential league champions here. It was great to see not only 7 under 19's playing in the Reserves on Sunday against Hakoah but I think only one was older than 21. David Luca and Peter Martinovic held a very young squad together on their nervous debut, although they lost 1-0, they performed very well against some very experienced players. A lot of people have been waiting a long time to see that happen, I could see the smiles from the people around me, as young boys like Andy Wright, Robbie Reader, Bill Delianis showed excellent potential. The U/16's and U/14 also had a lot of Talent on display, although 16's need to put it together a lot more, that will come in time, they just had too much for Hakoah, there was no way they were going to lose but made hard work of what should have been an easy victory. The U/14 also won their first game against Hakoah 3-1 and once again just had too much Talent, there are some good boys in this lot. Debois, Padden and Kennedy starred in a very smart display.
