MATCH REPORTS:

We have had three games since our last programme, Croydon where we lost 0-2 after having the better of the Match, only to go down to two goals against the run of play. We drew 2-2 with Essendon Lions in a spirited display, where the Boys put it together again, Rob Adams once again proving valuable up front notching a fine goal, and young Kevin Wall, continuing his improvement, getting a magnificent goal for his fourth for the season. We received a fair hammering from Juventus, mind you 'giving away' 2 goals in the process of a 4-2 defeat, once again "Big Rupert" Adams scoring bringing his season's total to 7 and Australian Youth International Shaun Parton adding his name to the scorers list. In conclusion, we are proving ourselves capable of winning against most of the sides in the League, we just need a bit more dedication and professionalism perhaps Big Martin Chivers can give us that!

Mike Bevis.

FRANKSTON CITY NEWSLETTER, JUNE 1980.

OUR VISITORS: WESTERN SUBURBS.

We would like to welcome players, supporters and connections of the Western Suburbs Club to our ground. Although typical of Greek followed sides, nothing is known of the players, all have long almost unpronounceable names which mean little. The two players I do know Steve Carr and Kit Greechan are both class players, but however it seems they have been fairly enterprising over the past few years, doing enough to get themselves into State League. They also were enterprising enough to bring Mimis Papamaniou, Greek International, over for a spell with them last year. Mimis is a truly superb player with a little bit of everything, perhaps he will come again. Without his star quality I cannot see much improvement in their disappointing form so far. Our boys are producing some good form, and I think Big Martin Chivers will just be too much for them. If he is closely marked, which we expect, Rob Adams will do the damage, I also feel the whole side will be lifted with the inclusion of Chivers, so consequently I can see no other Result but a City win.

Mike Bevis.

CITY CHATTER:

I've always admired courage, they say Soccer is a gentle game, personally I've never heard so much rubbish in all my life, I played with many courageous players, Billy Lewis would almost come out tops, Bill was always a bit slow, and he used to go into situations where he knew he would get hurt, sometimes badly, but he would never flinch or complain. Tommy Davis was another, Tommy Flynn who also played for some years, had courage in abundance, George Eadie who was an Ex-Glasgow policeman would pull out of nothing. In our present side Danny McClusky shows plenty of Bravery. I suppose by now readers will wonder what I'm coming too, well after England's disappointing start to the Home International Tournament, the Scots around the Club were getting the idea that an England hammering was imminent, for the record England won 2-0 not only did they win but caused some sort of embarrassed silence at Hampden Park, you remember the Hampden Roar, well they've now got the Hampden Hush, I know I read a Scottish Newspaper. You will notice those brave people I have mentioned are all Scots, they are indeed a brave race until it comes to pride, so Danny McClusky, Bill Whiteside, Bill Buchanan, John Taylor, Harry Dixon, Norrie & Bill Campbell, come on, you can talk about it, we'll promise not to rub it in.

While on courage I must confess I saw a bit of English courage

the Sunday after the Cup Final. Norm Stanley paying out in the Bar. The strange thing was he seemed to be loving every moment.

Del Lines who got leave of absence from Doreen to go to the England game in Sydney met up with an old West Ham colleague, Frank Lampard, who promptly arranged for Carol, Linda and Rosemary to meet with the England Players. I haven't seen Linda back as yet, she wasn't behind the Bar Tuesday, I heard she saw a lot of Brian Greenhoff and somebody else, Alan Sunderland. I'll probably get a 2 hour session with the girls when I get back, so if you need any info!

BIRD OF THE MONTH:

Deborah Ward "the girl with the smile in her eyes", somebody called Debbie. A typical Australian Bird with Blonde hair and an athletic look about her. She is 20 years old and likes the beach, also typical of Australian Birds. She was good at swimming and athletics in school days. Debbie got married recently, at the Club also, and has graced our Clubrooms since. Her husband is the tall skinny guy with frizzy hair, who doesn't spend so much time down the Club these days. Nice to see you around Debbie, the panel has made you (Miss) April.

COLTS:

The U.14 and U.16 are showing a little of the sign of the first team, having all the potential but not quite putting it all together.

The U.14's since the last report have won 3 games V Prahran, Green Gully and Reservoir, one draw against Essendon and lost the only game of the season so far against Croydon. So their record to date is

P	W	D	L	GF	G.A.
9	6	2	1	33	7

3rd Position.

They are still in the VLMC Cup with their next round at home V Footscray JUST on Saturday 14 June. This should be a good match to watch. K.O. 1.15 p.m.

The U.16 have not been fairing too badly, especially in view of the injuries several of their players have suffered. They had a great win against Croydon and Essendon with losses to Fawkner and Green Gully. It is good to see Brian Carson back after a 5 week trip overseas, and we hope new boy 'STEWIE' enjoys his stay with the Club, there is a whisper we may even sign-on Brian's younger brother 'John'. Sorry to hear of Russell Lines badly sprained ankle, hope he will be fit in a couple of weeks. Help him with his crutches.

P	W	D	L	G.F.	G.A.
8	5	1	2	26	13

3rd Position.

YOUTH:

The last couple of games of our U.19's has seen three U.16's in the Team, and we believe we are on to something good with a 2-2 draw against Croydon and a good win 5-0 against Melton. The boys are really beginning to put it together. Tom Millington works hard in defence and Alex Makrivoutas really worrying defenders with his burst of speed and penetrating runs. Keep it up lads we look forward to seeing you today against Broadmeadows.

MATCH COMMITTEE REPORT:

The game we have all been waiting for has arrived, Martin Chivers is here, let's hope over the next few weeks we see some typical Chivers goals to give us all something to shout about..

On behalf of the Frankston City Committee and members I would like to thank the five major Sponsors who made it all possible:-

SINGAPORE AIRLINES
YASAKI (AUSTRALIA) PTY. LTD.
STEWART WEBSTER PTY. LTD.
FLOMAR ENTERPRISES
RAY WAKE TRAVEL

Plus generous donations made by club members, without these five Companies and the members donations the excitement we hope for in the coming weeks would not have happened - we thank you!

The main aim of our efforts in bringing Martin Chivers to Australia, is the same as last year with Martin Peters, to promote the game in Victoria and of course Frankston City in general, and we would ask you the members, supporters and players of Clubs at different levels all over the Peninsula to support the Companies that have shown once again that they do and will support our game of Soccer.

Today's game promises to be a cracker so we wish you an enjoyable afternoon and thank you for attending.

Del Lines,
Chairman Match Committee.
