MATCH JOTTINGS

7-8-82

FRANKSTON V MORWELL FALCONS 1-3 Sekulski

Morwell started full of confidence and went to a 2-0 lead at half time. City played well below the form of recent weeks and allowed Morwell to dictate the terms. After half time however, City played more gutsy soccer to reduce the leeway with a fine goal from R. Sekulski. City then continued to attack, having slightly more of the play, only to see Falcons wrap it up a few minutes from time. On second half display, City matched Falcons all the way and the game could have been ours had two of a number of chances been put away.
RESERVES 0-3

This match was lacking in structure after Geoff Wallace, who has taken over as captain coach, decided to take himself off at half time. The youngsters must learn to cope without the older heads sometime. I'm sure they will in time.

14-8-82

ALBION ROVERS V FRANKSTON at Selwyn Park 1-2 Buchanan 2 inc. penalty
Frankston had a goal against them one minute from kick off and Albion drove the shots in City's direction most of the next 15 minutes but Lady Luck was on our side. Passes and ball fiddles inside our own half were fortunately not taken full advantage of. Frankston played well after this and again luck prevailed when a perfect pass through was mis skewed by Buchanan with only the goalie to beat. The ball continued on, hit all the bumps in the penalty area and at a snail's pace, went the right way just inside the post. It was the fluke shot of the year but a very valuable one for City. Second half play went both ways with Frankston receiving a penalty to complete our lucky afternoon. Neither side deserved to win but for a change, it went our way, surely to make up for a few other matches we should have won.

It must be mentioned that the bumpy pitch and first time tackles of the home team did not allow a flowing game.

RESERVES 1-4

This match was won in a much more determined manner than what has been shown in previous weeks. Goals Fergadiotis 2 Reader, Perks.
