FRANKSTON V CROATIA 18-7-82

Last Sunday, Frankston lost to Croatia 3-1 due to bad defensive errors as usual. It must be annoying (from a coach's point of view) having valuable players missing week in and week out, due to injuries or worse still, due to suspension.

At the rare times we are at full strength, we can match the best teams. With 2 or 3 missing, we play well below the required standard.

From now on, all players must give their all by trying to keep fit with 2 nights' training plus their own little effort, and by accepting referees' decisions right or wrong to avoid suspension at all costs.

How about it lads? You have the talent and ability to do it.

At times like this, it would do all good to remember the handful of dedicated men who give their all (time and money) to keep this club viable.
