# **GIVE IT THE CHOP**

## **President's Blurb**

**Welcome to Round 6 of the 2013 Season - Peninsula Strikers V Frankston Pines**

**Welcome all players, members, friends and families of Peninsula Strikers. Welcome visiting players, committee and spectators of Frankston Pines. I sincerely hope you all have an enjoyable afternoon here with us at Centenary Park.**

**Today marks another local derby, one of fierce rivalry and pride between our two clubs. Both of which have produced some fantastic football over the years and have definitely fared better, than where we see ourselves today. In 2011 both clubs featured in a 4 all draw & a 1 nil win to Strikers. One thing that hasn't changed is the pride that both clubs have in their logo, traditions and the pride and commitment of the players who wear our shirts.**

**In saying that, today marks 20 years since Karingal United Soccer Club and Frankston United Soccer Clubs amalgamated to form Peninsula Strikers FC. There are many of you who were a part of those two clubs 20 years ago, who are still involved with Peninsula Strikers today; a club of tradition pride and loyalty. To those members, I thank you for your support.**

**I will be the first to say, it hasn't been a terrific start to the season for us, being 0 from 5. If you have seen all of our games to date, I'm sure you will agree, apart from Old Scotch we have been more than just competitive. To say the soccer God's haven't been kind to us is an understatement. We have been very unlucky. So far this season we have already played both teams who were relegated from Div2, with 1nil result. Very respectable, given both clubs can afford larger player payments having more substantial budgets.**

**Last Sunday we played Caulfield now second on the table. In my opinion we played Caulfield off the park most of the day, after hitting the crossbar then the post which travelled the full length of the goal, with several shots just off target it could have been 3-1 at half time. If you don't convert your chances and we had many, generally it results in a loss. I hope today we will put that behind us and break the curse of the 'Voodoo doll'. At around 4:45pm we hope to be singing our song strong and loud, with pride and gusto. Good Luck boys.**

**Many things change each year / season. While it's easy to ride the good times with the support of the loyal members who remain supporting our club, regardless - It's a shame we have some, who choose to continually knock, kick and criticise the club when things are down. True supporters and club people, are there week in and week out. Let's face it, no one wants to lose and that has not been our intention, although champagne teams don't happen on beer budgets. Sometimes, it gets tough but we need to weather the storm together as one. No individual makes the Club. We ask our players to play as a team on the park; this should also happen off the park with our members.**

### **Happenings / Club Projects / Future Vision**

**Without a vision Peninsula Strikers FC remains the same. So where are we heading? What's on the table at the moment? - After having land fill placed at the rear of the current training ground, the plan was to increase this area and add further grounds, unfortunately without irrigation the grass has died, so this area cannot be used. We are negotiating with council to have this rectified. This was not what was promised in the outset. We hope that this will be completed by the end of the season.**

**We are negotiating once again for the club to contribute in kind to have this project undertaken total cost 30K. Once completed, we will have two training grounds and another competition ground running lengthways across the width, enabling our club to expand. This season we have six teams - an increase of three from 2012. We hope this will accommodate at least 3 more teams in the near future, while giving teams a greater area for training.**

#### **New Training Lights**

**After many years of sub-standard lighting, I am happy to inform you that this week the clubs Special Projects Manager, Peter Stuckenschmidt and myself had our first meeting with council. At this stage the club has agreed with council after being confirmed by members of the Soccer Liaison Committee (Representative of all Clubs) who agreed that our current lighting requires upgrading. We should know if we have been successful after the end of Oct 13 with the project to commence in 2014.**

#### **Pergola / Covered Area Club Entrance:-**

**After having the concrete completed in exposed aggregate recently by "Burdetts" one of our very generous sponsors, the PSFC committee have decided that the concrete area at the entrance side of the club should be covered first. I have a sponsor to provide the materials for the roof; the club will have to pay for the vertical metal posts (12) ourselves.**

**A Stalwart and great supporter of the club Kevin McGuinness has offered to erect the roof for the club with his employee's - Thank you Kev. If anyone knows a Draftsman we require drawings to be completed for submission to council for approval. If anyone is, or knows a draftsman who would like to donate their time, please let me know. We would love to provide the improvements to the club and better facilities for your pleasure / comfort and enjoyment.**

#### **NPL (National Premier League)**

**In mid-2012 FFA announced a new competition throughout Australia called the (National Premier League) this competition commenced in all other states this year. Prior to the clubs AGM last year, your committee sat down and looked at a vision for Peninsula Strikers FC, one of our which was to investigate and work towards putting the club on the map having our club / consortium to possibly provide an opportunity for players across all age groups with the best coach's available at each level to play at the highest level locally, in a competition across the state of Victoria.**

**National Premier League will sit one (1) below the "A" League (Melbourne Victory & Heart.) This league will encompass Men's and Women's competitions from juniors thru to seniors with the competition commencing in Feb 2014 - Nov 2014. This is a huge concept and if you would like to know more please visit the FFV website for more info.**

**In early December last year all clubs in the local area met with council including councillor Colin Hampton and representatives of the FFV to discuss the possibility of having a team on the Peninsula. During this meeting PSFC informed other clubs of our interest in NPL. This meeting was led and organised by (Michael Woodward) the club Secretary. Due to the late release by the FFV it's been difficult to inform all club members of the committee vision and interest in this competition. At the present time your club has placed an expression of interest with the FFV.**

**We have been speaking with various sponsors including those current, some of whom have shown interest. The NPL licence will cost \$50K - rest assured we are out there exploring all possibilities with many potential sponsors. While there is still much work to be done, we are hopeful that this excellent opportunity to expand our club will come to fruition. I will update you as things come to light.**

**Once again, I wish both teams well today and Thank you all for your support.**

**Mark Brandon CSM.  
President**

## **Seniors**

***Welcome to Danny and the Pines boys today for what has become a critical game for both teams. It's fair to say neither team has had the start we would have wished for.***

***The spirit among our lads has been great and no one could fault the effort put in last week. As has been the story in most games this year we played good football, but failed to capitalise on our opportunities, having struck the posts and bar 6 times now in 5 games its proving frustrating for all concerned.***

***It was good to see Gez and Alec Calder back having a run out last week and I am sure they will have plenty to offer over the coming weeks It would be nice to have a DISCO tonight before enjoying a few drinks and celebrating Gerard's birthday.***

## **Reserves**

***Peninsula Strikers Reserves have used 23 players to show the depth and competition for places at the club this season.***

***Against North Caulfield, the list continued to grow with season debuts for Alex "Calder", Aaryn "Rixy" Rix, Gerard "Gezza" Lawler and Jordan "Cakas" from the Under 16s.***

***North Caulfield was always going to be a tough fixture but we never expected the high pressurising physical style - they were on every touch and were certainly letting us know they was there.***

***The lads did great to keep a cool head despite the physical nature and intimidation from the sidelines, however, it was Caulfield who were reduced to 10 men after two bookable offenses.***

***With the talent on display in the attacking third - Strikers felt comfortable to make the numerical advantage show and it was Yohanes Negassi to put the lads in front.***

***In the second half, the game continued at an electric pace with end to end football and for the supporters must have felt like a cup tie to watch.***

***With both defences on red alert and the game on a knife edge with 15 minutes to go, it was Matt "Hammer" Hames to put the game to bed - 4 goals in 3 games now.***

***A hard fought 3 points and a second clean sheet of the season.***

***Paul Williams.***

**Third Round at Home v Skye - Sunday 28 April - KO 11am**

**A 'Huge' weekend with all teams playing at Home!**

**Very proud, to have the girls at the Club, supporting the boys' games and attending the Club Function. (Well done on the dance floor girls!!)**

**We came out strong wearing the new Adidas Kit and moved the ball well, keeping better possession and control. We fired several shots at goal but just couldn't convert. Skye worked hard and managed to score 3 past the keeper.**

*Our first game in the new Adidas Women's kit.*

**Great Effort Girls - keep working and the results will come.**

**Fourth Round at Home v Caulfield Utd Cobras - Sunday 12 May - KO 11am**

**The weather turned and was a bit cold and blowy for our "Mother's Day Game."**

**With a full squad of 13 players the girls attacked the game with confidence. We had several forward bursts but failed to find the back of the net.**

**Miki was kept busy in goals and defensively we worked hard. Ex Peninsula Strikers, Hannah was formidable in goals for the Cobras and we could not slip any past her.**

**Over all the girls played extremely well as a team, passing the ball, keeping their heads up and playing a full 90mins.**

**The result does not reflect the great effort the girls all put in. Final Score, Strikers 0 - Cobras 8.**
